Remembrance Of Things Past

All of us know what it is like to experience each day as it passes, to mature and see progress as it occurs. But imagine for a moment, moving backwards instead of forward, moving by decades rather than days, seeing the highlights rather than the details.

Our journey begins in 1990. Looming before us is our school, Passaic Valley Regional. We see a large brick building with auditoriums and gymnasiums bearing the names of those past benefactors who have influenced the development of our school. As we walk into the building, we come to a place affectionately dubbed "Times Square" by the students. Lining the wall is a glass case filled with glittering trophies, testaments to the dedicated efforts of students past and present. On one side stand the Championship Band trophies that tell a story of long hard hours of practice.

We begin to feel a strange sensation. The clock is turning backwards. Some of the trophies are beginning to fade. We realize that we have stepped back into the '70's. In the case, stand three bright trophies which read, "Football Champions, Northern New Jersey Interscholastic League Champions, 1979, 1975 and 1969." There are vibrant streamers and posters decorating the halls, congratulating the Hornets on their season's victories. The streamers begin to fall from the walls and disappear.

Again we realize that time has changed. We walk to the place where the Griswald Gym should be and there is only a frame and construction materials lying about. It is the 1960's. The big gym is under construction, not to be opened until 1969. The longer we stare at the sparse framing, the dimmer it gets. We return into the solid part of the building to find that time has retreated again. Signs are up in the halls advertising "Valley Varieties", a student variety show supported by all. We see a group of excited students. One says, "I can't wait to parade down Main Street when we win the big football game on Saturday!" Dr. Schneider, Superintendent since 1946, walks by. He smiles proudly and greets every student by name. We can also hear the noises of the new Girls' Gym, North Wing, and Music Wing being built.

Then all is silent. Other parts of the building have disappeared. A bell rings. Students are talking among themselves, "What do you think of the new school colors?"

"I'm so glad to be at our own school!"

"This is really going to be OUR school!"

Now we realize that we are attending the very first day at Passaic Valley High School, September 16, 1940.

We walk out onto the front lawn for another look. All that we see is a red brick building on a vacant plot of land. There are still some remnants of construction in the surrounding area. Then, this too begins to fade and all we are left with is a field and a dream.

50 YEARS OF SENIORS

Barbara Hamilton

A bit of seriousness, a bit of fun, and with it all her work well done.

Wondering about the earth and its people is "Bobbie's" favorite pastime. Horseback riding, writing, and listening to classical music, particularly Wagner, are her hobbies. She was a member of the French Club, Latin Club, Valley Lake staff, Swimming Club, Modern Dance Club, Band, and the Literary and Lay-out Committees of the year book. "Bobbie" will attend Ohio State where she speaks English.

Theresa Korbac

A sport enthusiast.

Basketball, Hockey, Hockey, Girls' Show, eries, Commercial Valley Varieties, a ball just about Terry's activities. She likes to walk but in the mud dislikes Modern L.

On September 16, 1940 the Passaic Valley High School opened its doors to some 660 students enrolled in Grades 9-12. The Regional Board had declared that it would not pay tuition for anyone to attend another school. As a result, there were enrolled some 20 seniors who had been at Central High School on a semi-annual promotion basis and, therefore, had only one semester to complete to qualify for graduation. It was decided to give this group all that they would have had in their former school. They were organized as a class and became the first graduating class at P. V.

My friend, you've always
been there for me.
Through good and bad
you've wiped my tears away,
And I can still remember
the day that we first met
You looked at me, you
smiled and said hello.
Now I want you to
know that you mean
the world to me.
Because whenever I
need your love, you give
it all to me.
You look at me and smile
with open arms,
And when my day's
gone bad, I only want
to run to you
Because only you know
exactly what to say
Only you know me.
My friend this is
my heart's expression

and my thanks to
you for all you've done
for me.
I never will forget
you, because no
distance could compare
with the special love I
have for only you.
So now whenever you
think of me
Remember all the time
we shared, a laugh, a
hug or just a simple
glance.
And when the years
have gone and all
our youth has gone
away,
We'll still have our love,
We'll still have our trust,
And I'll still have you!

THIS 50TH YEAR-BOOK IS DEDICATED TO MR. JOHN HEYN, CLASS OF 1944, WHO FAITHFULLY SERVED PASSAIC VALLEY STUDENTS FOR OVER 30 YEARS. IT IS ALSO DEDICATED TO THE 15,509 STUDENTS WHO HAVE GRADUATED FROM PASSAIC VALLEY HIGH SCHOOL SINCE 1940.

THE 50 YEAR OLD SENIOR

In September, we re-entered the halls of our beloved Passaic Valley, ready to start the last leg of our four year run. Fifty years worth of seniors have done the same thing, and they groaned the same way we did. Just look at the faces of the old seniors on page 157; you can see the same wild look of anticipation in their eyes: escape, summer parties, the end of high school forever.

During our last year, we dragged ourselves out of bed and back to school again and again at the unholy hour of 8:00, then to homeroom to listen to the mumbled, static-filled morning announcements. We tried to stay awake for as much of the day as we could, but the task became more and more formidable as the year dragged on. Then toward the middle of the year, most of us came down with the very same debilitating disease that has affected fifty years of P.V. seniors: it is known as Senioritis (from the Latin-Seniorus Iticus, meaning "The strong desire to get out of school and sleep and go down the shore). This disease caused our attention span to shorten tragically and drastically.

Senioritus normally sets in moments after the second marking period ends. (Though for some it starts in September.) By that time of the year, most seniors have been accepted by at least one college and no longer have to worry about grades (except for unfortunate students who chose colleges that actually cared about second semester grades.) Such trivialities as studying and homework were quickly forgotten as seniors happily turned their attention to sun and fun. School ended a bit early for seniors on particularly nice days, and the parking lot would be almost empty by 1:00 when the sun was really shining and calling to us to come out and play.

So it was that we became the 50th graduating class from P.V., the end result of 50 years of pointless evolution. Our forerunners must have felt the same way we do now: fatigued, hopeless, and bored to death. They, too, feared they had no future. They were wrong - the had us. They got jobs and had kids who went to P.V. They supported us through high school, and now they'll support us through college. The best we can hope for is that in 50 years, we will see ourselves on the "Generations" page of the 100th edition of the Valley Green. — Andy Lasala

RETURN OF THE MANIAC

On November third and fourth, Passaic Valley presented *Return of The Maniac*, directed by Mr. Michael Sperrazza and assistant directed by Becky Nocella. It was on those nights that the audience learned of the murder that took place in the Lorrison boarding house in London. The events of the murder were unraveled by the cast, starring Kristen Adler as Hetta Lathrop, Michele Clark as Sally Benton, Amy Erickson as Ann Lorrison, Andy LaSala as Peter Blake, and Diane White as Emma Lorrison. One of the most suspected characters was Colonel Henry Armstrong, played by Brian Rudatis. Few members of the audience were able to deduce the murderer before he was revealed.

... and now just for you, an exclusive behind the scenes look at the senior play 1990 ... MONEY, POWER, MURDER, LUST, REVENGE, AND MARVELOUS CLOTHES. For months, the cast struggled to learn lines and blocking while the assistant director, Becky Nocella, and director, Michael Sperrazza, held their heads in their hands wondering if the show would ever come together. Slowly the almost non-existent progress began to take place; each day a small face would shine out. It became evident that after long hours of hard work our diamond in the rough would become a sparkling gem for the cast members, students, audience and all involved to remember for years to come. The final results will be VERY INTERESTING on April 6 and 7, 1990!

Valley Comes Overcomes

School colors had to be selected and the choice was made by a pupil referendum. I remember with chagrin that I favored crimson and gold but the students, much wiser, chose the sprightly Kelly green and white. This combination was quite an innovation for a high school at the time. An adventure type radio program named the Green Hornet was very popular in 1940 and the Passaic Valley teams became known as the Green Hornets — later the Hornets. Several years later, Robert Matthews, an art student in Mr. Chester Kuziora's classes, designed the Fighting Hornet, a Disney-type figure. This became the official Passaic Valley symbol and the design was copyrighted with the Federal government office in Washington.

The 1989 Football Hornets began their season with a new outlook and also a new coach. Former alumnus, Nick Sauter, came back to Passaic Valley to build up a last year 2-7 team. As head coach, Sauter brought along with him new strategies and a highly spirited attitude.

The Hornets, under the leadership of Co-Captains Marc Scudillo and Bobby Hitson, began their season with impressive wins over Essex Catholic and West Orange. With possible league and state championship titles floating about, the Hornets were handed their first loss by West Milford in week five of the season. The next two games came as emotional let downs to the Hornet squad. After leading two playoff bound contenders, the Hornets were unable to hold on for the wins. They didn't let the defeats get them down. They pursued onward. Coming off of a victory over Clifford Scott with a week left in the season, the Hornets awaited the annual Thanksgiving Day game against archrival Wayne Valley. Three goal line stands in the game helped to keep the Hornets on top and enabled them to post a proud 6-3 mark for the season.

This season brought many ups and downs, but the most important fact was the Hornets stuck together through it all. Every time they went on to the field, the Hornets gave a great team effort. They were tough, mentally as well as physically.

The 1989 edition of the Passaic Valley Regional High School Marching Band continued its tradition of pride and musical excellence to their school and surrounding community. This year's performance opened with the powerful and driving sounds of "Moorside March." The concert selection brought us back in time with the sultry jazz arrangement of "Since I Fell for You," followed by "Prelude" featuring the dynamic percussion section. To close out this year's program the band electrified audiences with the energetic and timeless classic, "Jupiter" from the "The Planets."

Presenting the 1989-90 Passaic Valley Marching Band. Band is one of the most gratifying activities that one can participate in at P.V. and each year the Marching Band members grow closer as a family. Band is not just about music; It is a combination of working together, practicing long hours-sometimes in the hot sun or pouring rain-and also sharing in the good and rough times, but more importantly, it is about always trying hard and about learning how to accept a victory or defeat. But Band is not all work-there are some fun times

"Hey Amy!?"

That was then ...

this is Now!

Camp Bernie. This is where it all starts each summer. Band members pack up their bags, load the buses and off they go to a 6-day extravaganza. Days are filled with practice, practice, and more practice, but each night is better than the last. This years band camp events included Family Feud, a surprise marriage ceremony, the Newlywed Game, a Bath -n- Shave (with the help of about 100 cans of shaving cream) a scavenger hunt, a dance, and all-night senior party. Camp is always filled with surprises-and is a memorable event for all. "Bernie's a good Dog!"

1989- It was the end of a decade. Yet for Passaic Valley, it didn't represent an end, merely a beginning.

Maybe it was those terrible days at Montclair State cheering camp that brought fourteen very different girls to call each other friends. Throughout the football season, we watched our football team with it's new coach soar through a winning season and, of course, to scalp the Indians! It seemed the spirit that had brought us together characterized every game.

As jackets fade and trophies tarnish, we will always have memories of this magical year, brilliant in our minds. This year has not only taught us about cheering, but about life itself. As people join together, their spirits can carry them through almost anything Ours did!!!!

1989 marked the Twenty-Fifth Anniversary of soccer at Passaic Valley. To celebrate the occasion the varsity team set several school records including Best Seasonal Record (16-3-1), Most Wins (16), Most Shutouts (10), and the Longest Winning Streak (13). In addition, the team captured their second consecutive Northern Hills Skyline Division Championship with a league record of 13-1-1. The Hornets were led by Co-Captains Eugene Batelli, Mario Ferraro, and Mario Mancini. Other senior members of the team were: Dave Burden, Gino Chiapetta, Joe Fava, Marco Lucci, Dan Minieri, Alex Palazzo, Todd Pelle, Michelangelo Russo, David Salerni, Nino Strippoli, and Joe Veteri. Junior members of the varsity were: Mario Batelli, Jim Eisele, Tom Katechis, Nick Kuzevsky, and Mike McBride. Two sophomores, Filippo Baldino and Rich Ferraro were also on the varsity. Congratulations to these players on an outstanding soccer season that will long be remembered.

Despite a diverse traveling schedule and a slow start due to changes in the returning senior starting lineup, the Passaic Valley Hornets improved on last year's record by reaching the .500 mark for only the second time in the history of the Volleyball program. In games against traditional rivals Lakeland and Clifton, the Passaic Valley Spikers held their own in the face of adversity. In matches in the Passaic County Coaches Tournament, PV came from behind in the first round against the 1988 Second Place Paterson Kennedy Knights by beating them at home in a three game comeback match at Kennedy. In the Quarterfinal PCCA match, the Hornets faced the annual obstacle of the Clifton Mustangs. Although PV lost the match in two games, the team found comfort in the fact that Mr. John Wallace, Athletic Director who attended the County Tournament game said afterward, "I am genuinely impressed with the level of play."

That "level of play" was led by game starters: Seniors; Renee Apuna, Captain, and Jill Sudnik; Juniors; Cathy Burke and next year's Captain, Jane Smith; Sophomore Robyn Forbes, a second year Varsity player; and Janel Apuna, a Freshmen starter who is a player to be watched. Congratulations to the other contributing members of the varsity squad: Seniors Jill Roberto and first timer Danielle Bartone; and Junior Allison Shaw.

This year, special mention must be made to three members of the squad who have gone through extraordinary circumstances during the season. The team would like to express its best wishes to Senior Robyn (Fidget) DePope, to Junior Michelle (Shelley) Daniels, and to Sophomore Krista Bukowski. Best wishes.

The Passaic Valley Gymnastics team consisted of seven freshmen and six sophomores this year. The team was captained by Sophomores Robin Mace and Tiffany Pelle. They are a young team, but one that has progressed much since last year. All the participants have shown steady improvement and have much to be proud of. Even though the season was not a winning one, the girls' perseverance paid off with a win against rival Wayne Valley.

The 1989 Passaic Valley Field Hockey Team, captained by seniors Cheryl Antonio and Kelli Hyde, improved in each and every game they played. Head Coach Cathy Marquis and Assistant Coach Tom Patrierno gave the girls a great deal of support despite numerous setbacks. The young team possessed a very high level of integrity and pride throughout the season. Their competitiveness and enthusiasm showed best in their come from behind victory against league rival Montville, outscoring them 4-2. Since many underclassmen saw some playing time, the team's future looks bright.

Cross Country

The 1989 Boys' Cross Country Team, led by Captain Rich Lee, had a winning streak of five meets this past season. Leading runner, Sophomore C.J. DeYoung, improved with every race and should be a fine competition the next two years. Other members of the team were Junior Kris Fox, Sophomores Bill Gibbons and Rick Miedema.

The Girls' Team had a small turnout this year, but Junior Captain Sheryl Trapenese worked very hard along with Sophomore Annalisa deJongh and competed against all teams in the league. Other girl runners were Sophomore Meredith Narcum and fellow Sophomore Farima Tooma.

The new addition of Tennis Coach Willie Washington helped the team to become well diversified throughout the season. Most of the players saw both singles and doubles action. The singles positions were dominated by Sabrina Tavi, Andrea Peck, freshman Mona Shah, and occasionally, junior Dora Martinez. The doubles teams consisted of Kristen Lindsay and sophomore Jessica Goodman, and junior Stephanie Siegel and sophomore Heidi Lang. Freshmen Laurie Hoffman and Karen Perrotta seem promising for the future.

The 89-90 Hornet Wrestling Team had yet another successful season compiling a total record of 13-3. The team, led by captains Lou Fontana, Marion Mancini and Dean Giese, were undefeated in League competition marking their 2nd straight claim as Northern Hills Conference Champs. Seniors Kevin Barcelona, Charlie Rudy, Dave Kaiser, Phil Casasanta, Mike Russo, Marco Lucci and Tom Bolen contributed greatly to the Hornets' success.

The team was ranked #1 in Passaic County. After finishing a close 2nd in the County Tournament to Passaic County Tech., the Hornets met head to head with PCT in the State Tournament semi-finals and won 33-23. In the North Jersey Section I finals the wrestlers lost a tough battle against Fairlawn 33-26. This season was a very emotional year for the Wrestling Team. They ended their team season in superb fashion by winning the State District 8 Tournament. The Hornets set school records scoring 150 points and 6 District Champs.

Nine wrestlers advanced to the Region Championship and five advanced to the State Championship at Jadwin Gym in Princeton. These wrestlers are: Anthony Gencarelli, Dean Giese, Brad Chomko, Mario Mancini and Lou Fontana.

Head Coach with Captain Neil Fardin

The Boy's Basketball team started the season 2-0 with wins over Westside and Madison. The Madison win by 15 points at home was very big considering Madison was one of the top teams in their division. Lead by Junior Captain Neil Fardin, the Hornets went on to gain the finals of the Christmas Tournament. Tough losses have made the team hungrier.

The team gained some of that revenge with a 54-53 last second victory over Lakeland in the first round of the County Tournament. Top rebounder Senior Matt Mulroony and Senior Alex Hoegen provide the team with an imposing force in the middle. The outlook for the future looks bright as eleven out of thirteen varsity players will return next year.

The girls' varsity basketball team had a challenge this season to play against the most competitive teams in the league county, with a predominantly inexperienced team. Result: team record nearing the .500 mark.

Although the Hornets didn't win all their games, they certainly proved that they had capability. Because of their hard work they were a very competitive team.

Four years varsity starter, Jill Sudnik, led the team on the court as captain for the 1989-90 season. Following her as seniors, Jen Oldja and Bev Langevin. Supporting juniors Jane Smith, Tammy Eifler and Melissa Petrillo. Sophomores Sharon Corby, Dana Lightner, Jen Wyble, Jen Brino and seann Robb rounded out the team.

BOWLING

This year Passaic Valley fielded three teams, a varsity team and two junior varsity teams. The varsity team consisted of the following: Senior, Ken Garrabrant; Senior, Jim Labar; Juniors, Greg Garrabrant and Chris Sytsma; Sophomore, Jason Bruno, and Freshman Nikki Melissant. Three members of the varsity bowled 600 series: Greg Garrabrant, Ken Garrabrant, and Chris

Sytsma. Ken Garrabrant and Greg Garrabrant were named to the First Team All-Northern Hills Conference.

The varsity finished in third place with a record of 162 wins and 90 losses. Wins and losses are scored when one player beats an opposing player team total. Each match has a maximum of 2 possible points.

Lou Cafiero finished third in the Queen of Peace meet while competing in the shot put.

The Passaic Valley Hornets Baseball team was led by third year Head Coach Jim Pescatore and assistant coaches Andy Milewski and Frank Pacelli. This season, the Hornets will be strong defensively with senior co-capt. Ernie Fronzuto moving from second base to shortstop. "Fronzuto led the team in sacrifices (13) stolen bases (10) and was a 2nd team all NHC selection in the 89 campaign." said Coach Pescatore. Dan Covello will move up to varsity handling the pivot at second base for his senior season. The corners will be anchored by senior co-capt. Craig Torres. "Torres can hit for power and average. He will be asked to drive in runs this year." Pescatore commented. Vying for the first base job are Sr. Chris Figurelli who had a strong JV season, and Sophomore Bryan Young. "Both are quality players and work hard." Pencilled in at catcher will be sophomore Jeremy Flynn. "He has a strong arm, quick release, and overall good defensive skills. He may be the player to watch in the future." said Coach Pescatore.

The outfield will be patrolled by Junior Sam Tirone in center field. Sam has a strong arm and will also contribute to the pitching staff. Left & right field jobs are up for grabs. Left field may go to Junior Anthony Cornetto, "the most dedicated athlete in the program," commented Pescatore. The right field job will have tough competition with 3 candidates, Seniors Dean Giese, Keith DeRuiter, and Junior Mike Loverdi. All struggled offensively last year, but the coaching staff hopes they will regain their confidence.

The mound corps for the Hornets will be lead by Sr. Dean Giese who has excellent control. His record stands at 3-3 with 2 complete games and only 12 walks in 44 innings. Sr. right handers Keith DeRuiter and Jim Labar along with Sr. lefty Roy Vandebree will be asked to solidify the staff. Sam Tirone will add his hard heat and Jeremy Flynn will see spotted time on the hill. "We have a good staff and we hope the players will continue to improve throughout the season," says Pescatore.

Coach Pescatore is optimistic about the upcoming season. Though there are only 5 returning lettermen, there is a strong JV nucleus, and he thinks they can have a special season. "We've turned the corner and are on our way to the Avenue of Champions!"

The Boys' Tennis Team begins the '90s on the heels of a record setting season. That campaign included a Passaic Valley High School record 15 wins and a first ever state tournament victory over Memorial High School.

The 1990 edition has the leadership and experience to accomplish even more. Second year coach, Kevin McGlynn, returns four varsity standouts: Junior Jim Quagliana and Senior Charlie Rudy at Singles and Passaic County Finalists and 2nd Team Conference selections, Junior Bob Marks and Sophomore Vu Nguyen at doubles.

The team has set several goals for this spring: an improvement in their match record (15-8 in '89); a second consecutive state tournament bid, and a Passaic County Championship. The netmen could definitely have a banner year in 1990.

Seniors Eugene Batelli, Tom Bolen, Mike Burkepile, Steve Carroll, Glenn Dutko, Frank Guzowski, Mike Giangrasso, Tom May, Joe Puglisi, Dante Ruocco, Marc Scudillo, Joe Veteri and Joe Wos will give the team leadership and experience.

Other returning letterman include Mario Batelli, Lou Cafiero, Kris Fox, Charlie Galvano, C.J. Deyoung, Brian DiBrino, Bill Gibbons, Frank Iurato, Jon Pruiksma, John Sawyer, Danny Trezza, Louis Vricella and Brian Welker.

The Team goal is to have a winning season. They should be competitive in the NHC.

The 1990 Lady Hornet Track Team is looking forward to a fine season of competition. With Co-Captains Bev Langevin and Cheryl Antonio to provide the leadership, the very young track team has the ability to compete and do well in both dual and championship events.

BEST FRIENDS

THE WAY I SEE

I see myself in you
 more and more with each passing day.
 We've helped each other grow,
 but it's more than growing up;
 You've become a part of me.
 I see myself in you
 on just an ordinary day.
 A simple laugh, or that look you often
 give, resembles me somehow.
 I see you in me,
 with the words I often say
 that remind us of the special times
 we always share together.
 I see you in me
 on that same ordinary day.
 My simple laugh or that look I often give
 resembles you somehow.
 I see us together
 you are my other half
 and you make my day complete.
 I see us together,
 you are my strength,
 and when all is dark you are my light.
 My Best Friend, I see us together Forever!

STUDY
Student activities required financing; the Board had no tax revenue for that purpose. Pupils paid dues to their class organizations during four years. These funds were used to meet the cost of the yearbook and to defray some of the expense of the Senior Prom. Student body costs were met primarily by the sale of an activity ticket. In the beginning the amount was one dollar and we justified this by indicating to the students that this was their "tax" as members of the school community.

It doesn't seem so long ago that we were the Class of '86. It's now 1990 and we're stepping into a different world. Together we have struggled through the worst of times and laughed through the best. Some painful experiences and hardships have occasionally brought us closer to tragedy than any of us wanted to be. Yet through these times we have grown up and grown even closer.

Great Adventure, the Shore, and just spending time together have created irreplaceable memories. As you turn these pages, let each picture and smile carry you back to the times we have shared as the Class of 1990. We have learned so much throughout these years; our time has come to prove it. We are the Class of 1990 . . . Now THAT's Class!!!! Look out world, here we come!

Staffing in the beginning years at Passaic Valley was quite sparse. To instruct the 660 students there were twenty-five teachers, most of whom had prior teaching experience. The Board of Education had promised to offer students all of the subjects in which they would have been enrolled in the schools from which they transferred. The promise was kept. This required a teaching staff with broad abilities. Four modern foreign languages and Latin were taught. Advanced mathematics, 3 laboratory sciences, 4 years of business subjects including both Gregg and Pitman shorthand, art, music, home economics, industrial arts were all included in the curriculum. All teachers had full teaching loads and other assigned responsibilities. In physical education there was one teacher for the girls and one for the boys. The girls' teacher conducted a year-long program of intramural sports which brought wide, enthusiastic participation. The boys' teacher also coached three varsity teams with no assistant coaches and as he (Elmer Griswold) years later wryly remarked, "cut the grass, put up the goalposts, lined the fields, and put up the sideline fences." But everyone was caught up in the spirit of the new venture and there were few, if any, complaints.
