“Did you hear who got in a fight last period?” “She wore THAT to school?” “Why is he going out with HER?”
The drama of Passaic Valley lives on. Who’s going out with whom, who wore what, who got in a fight. What would high school be without flirting, fashion and fisticuffs? Face it, school wasn’t too bad-Just eliminate the classes and it was actually fun.
And these were the “Days of our Lives . . .”

Can you recall those two grammar school sweethearts who chose to break it off freshman year? To think her best friend would go out with that same guy senior year. But tensions remain low and the girls are still best friends.
What about that couple that started their relationship freshman year and kept their flame kindled for a little more than a year? Soon after their breakup we could hear them saying nasty things to each other. Now they won’t even look at one another. Ahhh, the innocence of a high school romance . . .

Do you remember always seeing that small clique of friends hanging out, virtually inseparable?

Well, since high school has started, these groups of seven or eight have dwindled down to five, four, even three people. Some have even chosen to recruit new “best friends.” And we thought BFFE meant forever?! Then there were those infamous fights-heads being bashed against lockers, hair being pulled, blood being shed. These events just add a little more joy and spice to the halls of P.V.
EGO trip-what’s that? Ask some seniors in our class and they can answer. These seniors’ heads have grown to an enormous size since the moment they set foot in Passaic Valley freshman year. “Senioritis” has infected yet another crop of P.V. seniors.
The fads and fashions of our class speak solely for themselves: tight pants, baggy pants, polka dots, Cavaricci, the “guido” look, mini-skirts, suede boots, Fendi bags and hip bags all have made their appearances here at P.V. at one time or another since September of 1988. We also encountered the era of “high hair” otherwise known as “P.V. hair.” How lucky we are to have made our mark in the fashion archives of P.V.
Of course there have been many more memorable pieces of gossip and special times at P.V. The action will never end and the memories will never stop being made after we take those steps off Passaic Valley’s grounds on Graduation Day. Hold onto all the memories, good and bad, because “like sands through the hourglass, so are the Days of Our Lives.”
High School Seasons
Spring, summer, winter, fall.
I wish we could relive them.
Will we remember?

Baseball 1992

Although it may not have been a winning season, 1992 was a year of many positive experiences and even a few moments of triumph. The highlight of the year was a come-from-behind victory against West Milford in the third game. At the midpoint of the season the Hornets had a 7-7 record, but injuries and errors plagued the team in the second half of the schedule as they dropped 7 of the last 8 games. 1992 ended with many younger players gaining valuable varsity experience, which should go a long way in helping the Hornets in the future.

Sheraton Tara

It's late in the evening.
She's wondering what clothes to wear.
She puts on her make-up and
Brushes her long blonde hair.
And then she asks me, “Do I look all right?”
And I said, “Yes, you look wonderful tonight!”

We go to a party and everyone turns to see.
This beautiful lady is walking around with me,
And then she asks me, “Do you feel all right?”
And I said, “Yes, I feel wonderful tonight!”

I feel wonderful because I see the lovelight
in your eyes.
And the wonder of it all is that you just don't
realize how much I love you.

It's time to go home now. I've got an aching head.
So, I give her the car keys and she
Helps me to bed.
And, then I tell her as I turn out the light,
I said “My darling, you were wonderful tonight!”
“Oh my darling, you were wonderful tonight!”

"Look at us now. We are sitting here with only memories of high school to look back on. Never again will we be teenagers goofing off in a high school classroom. This is it, guys. We are now young adults with new, challenging and scary responsibilities ahead of us. This is one of our last times together as the Class of '92. WE are now a new chapter in Passaic Valley's history books. WE are history."

To the Class of 1992

It has been my pleasure to know and work with you, your parents, and your teachers. I have always been proud of you. I wish you confidence, a word which literally means "faith in oneself." And I leave you with a quote from humanist Thomas Szasz: "People often say that this or that person has not yet found himself. But the self is not something one finds, it is something one creates." Bless each of you in your creation of yourself.

Janet Immitt
Supervisor, Class of '92

Your experiences during the past four years have directly and indirectly contributed to your present stage in life. At this point, it's probably wise to reflect upon and learn from the past, and begin to think in terms of future goals and aspirations.

True success can only be measured in happiness with oneself. Accordingly, self-discipline, moderation in all things, not compromising your basic principles along with a positive attitude are key ingredients.

Of course, a basic presupposition to happiness is good health. This can only be accomplished if your lifestyle includes good nutrition, exercise, and lots of water.

I wish you good fortune,
John Salierno

Graduation Day marks the culmination of your individual achievements at Passaic Valley High School. This special ceremony thrusts each of you into a new beginning, filled with promises. Walk into the future with pride and confidence. Strive to achieve your goals. Remember my words! The best is yet to come!!!

Sincerely,
Mrs. Mary Ehret

Agony, headache, ritual, initiation—the S.A.T. It has been described in many ways. Whatever name it is given, though, it is the “Superbowl” of all tests. It is the price kids pay to fulfill their dreams. Three long, tormenting hours of analogies, reading comprehension and quantitative comparisons, enough to make any teenager crazy. The clock ticks and the future flashes dizzily through the minds of the test takers. Oh, the pressure ... the pain ... Even worse, if that is possible, is the interminable six week wait for results.

No doubt, the S.A.T. is the true transition from childhood to adulthood. Some of us never make it!

The Hornet Football Team posted its third consecutive winning season in 1991 finishing 5 and 4, and in fourth place in the Northern Hills Conference. With the loss of 18 starters, the season looked to be one of rebuilding, but ended with the Hornets contending for the state playoffs.

The team was led on both sides of the ball by senior co-captains John Sawyer and Drew Close. The stingy Hornet defense allowed an average of only 12 points per game, while the offense was led by a powerful running game. This all-around effort carried the team to another successful season.

With many returning players, the Hornets look once again to be competitive next year.

"Who rocks the house?" The 1991-92 Varsity Cheerleaders do! Their enthusiasm can be heard as they lead the Hornets on to victory. The many hours they have spent practicing, working together, and cheering their teams on through the wins and losses have helped to create that special Passaic Valley school spirit.

The memories of the 1991-92 Varsity Cheerleaders will always stay with these girls. All of the good times will remain in their hearts, and when they look back they will be proud to say, "I was a Hornet Varsity Cheerleader!!"
"Cheers!"

THE HORNETS ROCK THE HOUSE!!
The 1991-92 Passaic Valley Marching Band has had one of its best years to date. Popular not only in its home state of New Jersey, the band thrilled the audiences in Connecticut as well. This year's program including "Armada", "Ariel's Theme", "Comedians Gallop" and "Simple Gifts" proved to be most triumphant in its winning the band the honors of four first place trophies and a second place trophy at EMBA Championships. In addition to those many honors, this year's drumline and drum majors took home first place trophies from championships. The band also peps up the crowd at football games.

The 1991 Volleyball Hornets turned what could have been a disastrous season into one of the best seasons over the last couple of years. With the loss of two seniors from last year and two returning seniors this year, the outlook at the onset was bleak. After our scrimmage with Wayne Hills in early September, the season loomed endlessly ahead.

However, with tremendous hard work and determination over the next two weeks of practice, the Hornets were able to pull together to dramatically open the season with a resounding victory over last year's Passaic County Champs from Eastern Christian. With the adrenal boost from this game, we felt we were in the hunt from day one. Overcoming youth and inexperience, the Hornets managed to set some new records for PV Volleyball. For the first time ever we reached the semifinals of the Passaic Valley was ranked an all-time high of 4th. There are 13 teams in the county. For the second year in a row, PV reached the quarter-final round of the NJSIAA Start Tournament, only to lose to the #1 seed. PV also set a new record for wins and losses with an overall season of 17-8.

The 1991 Hornets Field Hockey Team was headed by second year coach Erynn Murray. The Lady Hornets were captained by Deena Atieh, Juliann Giarrusso, and Sharon Corby. The Hornets started their season impressively in their first game by outscoring Lakeland 7-0. Throughout the season, the Hornets showed strong efforts both offensively and defensively. On the county level six Hornets made the county team. First team honors went to Sharon Trapanese, and Sharon Corby. Second team honors went to Deena Atieh, Lisa Salerni, and Sanja Blazekovic. Honorable Mention went to AnnaMarie Baglieri. The Lady Hornets worked hard this year in improving their skills. Northern Hills Skyline, watch out in '92!

Despite the loss of ten Varsity letter winners from last year's squad, the Hornets enjoyed a fine season. The boys' team finished with a very respectable 10-13 record. The girls' team was an outstanding 15-4 and finished 3rd in Passaic County.

With continued hard work, the future looks bright.
The 1991 Girls' Tennis Team was led by co-captains, Senior Heidi Lang and Junior Mona Shah. The new addition of Head Coach Vu Phan and Assistant Jim Bender inspired the team to a hard fought final record of 11-11. The Varsity singles players consisted of Junior Mona Shah, Senior Heidi Lang, and Junior Laurie Hofmann. The first and second doubles positions were filled by the dynamic duos of Junior Karin Perrotta and Freshman Poonam Shah, and Sophomore Lucy Martinez and Freshmen Lara Sokalski.

Respected and feared throughout the league, the turning point in the Lady Hornets' season was their impressive victory over rival West Milford. Next season, the Girls' Tennis Team will continue their competitive tradition with the dedicated and enthusiastic team members: Junior Anna Pacewicz, Sophomores Tiffany Siegel and Coral Rodriguez, and Freshmen Mandy Yurkosky, Laureen Allu, Lynn Fischer, and Heather Dougherty.

After a disappointing loss to Westside in the Brendan Byrne Arena to open the season, the Hornets won three straight games capturing their second straight Christmas tournament championship with impressive wins over Pequannock and Rutherford. The squad then won two of three important road games over Eastern Christian and Montville. After dropping four straight games, including losses to state-ranked Essex Catholic and Clifford Scott, the team rebounded with a road victory against DePaul to qualify for the state tournament. Following two consecutive losses, the Hornets won four of their final five regular season games. These games included a three-point victory over league rival Wayne Valley. Despite losing on the first round of the Passaic County tournament to a tough Paterson Catholic team, and to Hackensack in the first round of the State tournament, the team was happy with a final record of 11 and 12, considering all five starters from the previous year were loss to graduation.

The 1991-92 P.V. Wrestling team had another outstanding season under the leadership and guidance of 4th year head coach, Anthony Minnella. The team compiled a record of 11-5 and were crowned Passaic County and District 13 champions.

The Hornets were led by captain Anthony Gencarelli and co-captains Marc Pisa and Tim Bargiel. Seniors Frank lurato and Chris Tice contributed to the team's success. The remainder of the varsity squad was composed of 5 juniors, 3 sophomores, and 4 freshmen.

After having a great dual meet start, the wrestlers suffered a heartbreaking loss to West Milford, 30-28, for the league title. The team's other losses came at the hands of state powers, High Point, St. Joseph's, and Kittatinny. With great pride and determination the Hornets bounced back after these setbacks to capture 13 county and district titles.

In addition to the team's great success, there were many individual honors collected by P.V. wrestlers. Anthony finished an outstanding career by placing 5th in the state tournament while compiling the 3rd most victories in P.V. history with 106. Anthony was joined at the tournament by region champ Ernie Partridge and regional runners-up Jason Caruso and Tim Bargiel.

This year's girls' basketball team was headed by first year coach Rick Kiernan. Coach Kiernan brought discipline and enthusiasm to the program. Although the team had an 8-13 record, they performed well considering the lack of Varsity experience. Senior captain Sharon Corby was the only returning starter, while freshmen Kerry Bivona and Diana Oldja and Sophomores Randy Bivona and Lauren Valentine made up the rest of the starting five. The highlight of the Lady Hornets' season was their on the road victory against league rival West Milford. The Lady Hornets tried to carry their momentum into the County tournament against Kennedy and gave a superb effort despite losing the game. Coach Kiernan was pleased with this year's performance and has an optimistic outlook for the Lady Hornets in the years to come.

The Varsity Bowling Team finished in fifth place in both the Northern Hills Conference and Passaic County Tournament. Freshman, Tom Fierro, held the highest average for the team. Remaining members included seniors Vu Nguyen, Jason Bruno, and Stephen Anatro; junior, Nikki Melissant; and freshman, Trisha Bruno. Highlights of the year included a 250 game by Nikki Melissant, a 246 game by Tom Fierro, and as a team, an almost perfect match against West Caldwell.

This season proved to be the last coaching experience for head coach of 27 years, Mr. Michael DePaul. After years of dedication, Mr. Depaul has decided to retire as coach. His bowling shoes will be hard to fill!!
When the 2:25 bell rings, P.V.'s hallways don't stay empty for very long. The dedicated runners of the 1992 indoor Track Team run many miles in passageways and along the cold roads of our surrounding towns. This year's team is unique due to its size, which has tripled over the past year. The team was led by seniors C.J. DeYoung, Passa Chattra, and Stephanie and Suzanne Halvorsen. Highlighting the season was Michele Dudinski and her honors in the county, league, and state, setting a new county record in the high jump. For the most part, this season is used to prepare the runners for the outdoor season. Next year's team looks very promising because of the strong foundation they've built over the past three years.
The 1991 Hornets' baseball team, with seven returning varsity lettermen, is poised to make a run for the League Championship. Under first year head coach, Andy Milewski, the Hornets hope to improve on last year's record.

Pitching and defense will be the key to a successful season. Lenny Ferguson and Bryan young will anchor the pitching staff, while the defense will be led by Co-captains Brian Adler and J.B. Challice. In the outfield, Lenny Ferguson, Glen Meador, Angelo Annese and George Cozzolino will take charge. Coach Milewski is anxious to begin a winning season for the '92 Hornets' baseball team.
Four starters return this year to drive the 1992 Hornets toward victory. Together, senior captains Dana Lightner and Sharon Corby, senior Stephanie Gurnari, and junior Dina Spinelli will set a solid base upon which to build this year's team. Seniors Deena Atieh, Jennifer Brino, and Michele Abood will help fill spots along with juniors Silvana Caruana, Sharon Trapanese, and Lisa Salerni. Sophomores Kara Mancini, Randi Bivona, and Kris Innocent will also contribute in addition to freshman newcomer Kerry Bivona.

The Hornets expect West Milford and Clifton to be their greatest competitors, along with a strengthened DePaul. The Hornets hope to repeat as league champs and, once again, head for the final rounds in county and state tournaments. Team unity will be the essence of this year's success. "Motivation, dedication, and concentration," as coach Ferretti would put it, is what will make or break this year's team.

The 1992 season will be a rebuilding year for the Hornets. The defending county champs were hit hard by graduation, but should come through competitively. P.V. will hit the links with four returning letter winners and a host of new talent.

Mark Bukowicz, Steve Klim, Jennifer Ariola, and Steve Mendillo will bring experience on the course. Newcomers Rick Miedema, Dave Sgro, Ryan Melone and other candidates should give P.V. the makings of a fine team.
In our Freshman year, a tennis pro by the name of Kevin McGlynn came to coach a team that wasn’t taken seriously by most other high schools. Three years later the tennis team is now in contention to win the county championship for the third time in a row. The new coach, Vu Phan, is enthusiastic about a hopeful season, with a team of six seniors, and a returning varsity sophomore by the name of Pete Nguyen, who was a 2nd team all county in third singles last year. Vu Nguyen is now moving up to the first singles position after finishing 1st team all-county at second singles. Lou Garbayo, who is on the team for the first time, will be playing third singles. Pete Convertino and John Nargiso will be the first doubles team, and Steve Anatro and Paul Piepoli will be rounding out the team at second doubles. This should be a good year for the mostly senior team, who are looking to finish the year with a strong winning record.

Thank you for being a friend.
Traveled down the road and back again.
Your heart is true, you’re a pal and a confidant.
And if you threw a party and invited everyone you knew, you would see the biggest gift would be from me and the card attached would say:
THANK YOU FOR BEING A FRIEND.

The Sophomore Social was held at the Totowa Elks Lodge from 6:00 to 10:00. Everyone had a great time dancing and socializing with each other. The Elks Lodge was beautifully decorated and everyone was elegantly dressed. The Sophomore Social was a great success bringing The Class of 1994 closer together. We will never forget all the memories we had that night.

Most students believe that school wouldn't be such a bad place if they didn't have to go to classes. But what makes your free time, such as hallway fights and gossip, so exciting? Well, 5 hours & 44 minutes of class, of course!

Passaic Valley showed their support for the men and women in the Persian Gulf by tying yellow ribbons around the trees in front of school last year. The yellow ribbons remained there until Friday, September 13, 1991 when PV sponsored a closing ceremony to mark the returning of the Persian Gulf veterans. PV graduates who served in the Persian Gulf were invited to attend the ceremony along with their families. Together they cut and removed their ribbons. The class of 1992 was invited to attend the ceremony. Mrs. Schatel was the coordinator of the event. Passaic Valley is proud to have such a ceremony added to its pages of history.

One of the most popular traditions at P.V. is the annual GIRLS’ SHOW. This year's show was held on February 28, 1992, in the Gris Gym. The theme of the show was "A Blast From the Past." Although only one team is victorious every year, all participants should be commended for their tremendous dedication, enthusiasm, and creativity. It is Passaic Valley at its best!!!

It seems that only those who participate in school sports receive any recognition. But those who aren't are keeping busy and out of trouble after school by working. Not spending your extra time in school doesn't necessarily mean you're not doing anything constructive. When the bell rings at 2:30 some students get ready to do their own particular sport while others get ready to go to work.

To many students, working after school is essential for either financial reasons or to gain experience in a chosen career. To these individuals, working is as educational and productive as any activity offered by the school. To these working students we offer our congratulations. You may not be earning trophies, but your reward for your sacrifice is real life experience.
We would like to thank the following people who have left an impression on our yearbook. It would be impossible to fill their shoes.

FOREVER YOUNG
May the good Lord be with you down every road you roam, and may sunshine and happiness surround you when you’re far from home. May you grow to be proud, dignified and true, and do unto others as you would have done to you.

Be courageous and be brave, and in my heart you’ll always stay Forever Young. May good fortune be with you, may your guiding light be strong.

Build a stairway to heaven with a prince or a vagabond.

And may you never love in vain.

For in my heart you will remain, Forever Young.

And when you finally fly away I’ll be hoping that I served you well.

For all the wisdoms of a lifetime no one can ever give you.

And may you never love in vain.

CONGRATULATIONS LISA!!!

Best of Luck in the Future.
Love, Grandma, Aunt Dolly, & Uncle Joe
We Took For Granted All The Times
That We Thought Would Last Somehow
I Hear The Laughter; I taste The Tears.
But I Can’t Be With You Now.

I Wonder How We Will Survive
When We Go Our Separate Ways
But If In The End We Are Together
I’ll Wait Those Endless Days.
