**PRE-SEASON OUTLOOK**

by John Trovato  
Little Falls- It's time to get the band cranking and the cheerleaders yelling, because Coach Sauter and his 1992 Hornets are looking for their fourth straight winning season. The Hornets are looking to improve their last year's mark of five wins and four losses. If they are successful in doing that, the state playoffs won't be far out of reach. Tri-Captains Jim McGorty, Dan Sheridan, and Chris Perosi will lead the way towards this goal.

Friends Of The Class Of ’93

In the midst of what seemed to be a frantic time for everyone regarding post graduation plans, I realized that the commitment I felt toward you was the result of your open and accepting manner. This class, parents, and faculty have been warm and appreciative toward me. I believe in the theory that when we approach each other and situations with the willingness to trust and cooperate, the return is the same, bringing us success and satisfaction.

Although we are new to each other, I could not feel a greater involvement and devotion for this class. It has been inspiring and exciting for me to be a part of the planning for your futures. May you all experience the same degree of pleasure from your work as I have from mine at P.V.

Here's to a fulfilled future.

Kathy R. Gordon
Supervisor, Class of 1993

Dear Seniors,

All of you are artists capable of designing a future rich with color and brilliance. Your parents, teachers, family, and friends have supplied you with a palette of priceless experiences. Now, it is up to you to design a picturesque setting. As you paint your picture, construct your easel from life’s memorable moments, seek your sunlight from the light of peace within you, and attempt the distant scene of your future with perseverance, preparedness, and prudence.

Sincerely,
Mrs. Judith S. DeRosa
Advisor-Class of ‘93

To the Class of ’93,

Although I’ve come on board late in your four years, I hope the officers and I have provided you with some special moments. My best wishes for a happy, healthy, and successful future.

Known as a man of a thousand faces and a thousand metersticks, Mr. Jim Kiick has changed his appearance many times, but his teaching methods and dedication to students and science has remained constant during his 33 year career.

Mr. Kiick is known for many things. His sense of humor is as legendary as his teaching style. He will be remembered as a man who used a meterstick the way a conductor uses a baton, developing rhythm and pace simply by waving a meterstick around and smashing his stick on desks and blackboards.

Over the years, Mr. Kiick has acquired a legion of admirers. Once a student has been in Mr. Kiick’s class, he or she remembers him, and even a little Chemistry, forever.

Therefore, it is to those 33 years of scientific enlightenment, funny one-liners, and genuine concern for graduates of P.V. that we dedicate our 1993 yearbook.
In the spotlight this year is the Passaic Valley Audio Visual Club. This club is very zealous in school activities, hardly an event occurs without its members being involved. In the morning and throughout the day, you can see club members making deliveries of many of the audio visual equipment. Watch out! These members can be deadly with a TV cart.

The club is under the supervision of Mr. Donald Ruccia, who is constantly trying to bring an innovative approach to the audio visual program at Passaic Valley. In fact, under Mr. Ruccia’s direction, Passaic Valley has developed one of the most advanced A.V. programs in the state. The head man this year is Christopher Perosi and his assistant Dylan DeFrancisci, who are in charge of routing all the equipment throughout the school, as well as making sure everything is in working order.

The Audio/Visual Club is an important attribute to the school system and works to the best of its abilities to provide a full schedule of events for PVTV Ch. 19.

This year the club loses two of its Seniors Chris Perosi and Dylan DeFrancisci. They will be missed greatly, but with the young group of students left in the club, it will certainly continue to be a success.

The 1992 Passaic Valley Soccer team finished off with a 6-9-3 record. The Hornets faced a rebuilding year, as they only had five returning varsity players. The Hornets managed to play tough in every game and were able to give their opponents a tremendous effort. Overall the season provided some very bright moments with some outstanding performances by several players. The Hornets were led by seniors Eugene Bressete, Marco Schembari, Anthony Mendillo, Lou Schroeter, and Nick DiBenedeto. Varsity underclassmen include Stephen Dragone, Tony Batelli, Mike Morano, Georgio Bambara, A.J. Tesoriero, Marco Dragone, Marcello Cosentino, Tony Errigo, Pete Torunski, Pete Koukounas, and Giovanni Macchiavello.

As the season went on, their friendship grew. By the end they became more than just teammates. The great times they had and the friends they made will never be forgotten. Kimosabe lives!
P.V. Band Takes The Field

The 1992-93 Passaic Valley Marching Band had a successful season under the direction of Chris Bernatos. Their show opened with the hard-hitting "Bravado," followed by the sultry jazz piece "Yes, Giorgio," and the mysterious "Rainmaker." The band played and entertained at football games while attending various competitions. They finished their season at EMBA championships at Roselle Park. Yet, their season did not end there as they traveled to Florida's Disney Magic Music Days this past spring.

The 1992 Hornets' varsity football team ended their season with a 3 and 6 overall record. This record does not accurately reflect the team's dedication and hard work. There were many highlights this season, including a stunning victory over Clifford Scott.

Under the leadership of head coach Nick Sauter and the tri-captains, Jim McGorty, Chris Perosi, and Dan Sheridan, the team became a group of well-conditioned men, who never gave up and remained intensely involved in every game.

A final thought: 10 of this year's starters will be returning next season. '93 is certainly going to be a promising year.

The Passaic Valley Volleyball team finished off its amazing season with a record of 16-3. Some of the highlights of the season were: having the best record in P.V. history, being ranked first in the Bergen Record Polls four weeks straight, being Co-Champs of the northern Hills Skyline Division, top seed in the county tournament, first time in the county finals, being ranked 12th in the Star Ledger states poll, and being seeded third in the state tournament. The team also had impressive victories over rivals Lakeland (first time in five years), Eastern Christian, and Immaculate Heart.

Under the leadership of Coach Hansen and Captain Janel Apuna, the Lady Hornet Volleyball team made unprecedented progress in Passaic Valley Volleyball.

The 1992 gymnastics season went very well this year, although it was not a winning one. All the athletes performed at a high level of skill and worked cooperatively together. For both the participants and the coaches it was a memorable and enjoyable year.
The 1992 field hockey team had a season full of internal conflicts. The players overcame the difficulties, however, with wins over Lakeland, West Milford, and Wayne Valley. The ten seniors were led by captains Sharon Trapanese and Lisa Salerni. While the season was not outstanding, there was a great deal of teamwork among the girls. Next year’s team promises to make a great improvement.

The 1992 Girls' and Boys' Cross Country Teams enjoyed great success in league and county competition. The girls, were ranked as high as 3rd in Passaic County and, despite injuries, finished a strong 4th in the county. Several of the leading runners also ran hurt to finish 3rd in the Northern Hills Skyline Conference. The girls' program has young runners looking forward to prove themselves next year by moving up to take the spots of the seniors who graduated.

The boys' team, relatively injury free, shocked the NHC Skyline division with a 2nd place showing. The County saw honors to the top three runners with the team finishing 8th in a tight county race. The entire varsity team returns for the boys and their future looks bright; especially with PV boys winning the Freshmen County Race.

The 1992 Girl’s Tennis Team, co-captained by seniors Mona Shah and Laurie Hofmann, had a very successful season ending with a record of 11-11. Second year coach, Vu Phan, led the team through a tough and demanding schedule. Mona Shah played first singles, while Laurie Hofmann held the second singles position. Poonam Shah played third singles and first doubles consisted of Karin Perrotta and Lara Sokalski. Playing second doubles was Tiffany Siegel and Mandy Yurkosky. Other team members, including manager Anna Pacewicz, Lauren Allu, Lynn Fischer, Christine Cannizzaro, Nubia Reynoso, and Bonnie Thompson contributed to this record by giving the team the support it needed.
The '92' Hornets Basketball team had a very long and tough season. The Hornets struggled through most of their games, but a tremendous effort was given by the team to give their opponents a good battle. Even though it wasn't a winning season the Hornets had fun while they worked hard. The Hornets were led by senior captains Al Nestico, Donell Johnson, and Scott Hoffman. Other seniors included Anthony Mendillo and Chris Nestico. Junior varsity players were Denis Din, Rino Mericonda, and Stephen Dragone.

Champions In The Making

This year the Hornet's Wrestling team continued its winning tradition with strong showings in the league and district tournaments. The team was led by senior captain Ernie Partridge who repeated as District Champion at 135 lbs. Coach Minnella returned to coach the Hornets to another winning season.

The dual meet season opened with an emotional loss to West Milford. The team was tied for the league title with Lakeland until a close loss to Wayne Valley knocked the Hornets back to third. Despite the loss the Hornets qualified for the last seed in the State Sectionals. The tournament opened at #1 Hackensack. The team out-wrestled the Comets, but a season-ending injury to Dave Grimes in the heavyweight match ended the dual meet season for the Hornets.

At tournament time the Hornets exceeded expectations by finishing 3rd in Passaic County. Sophomore Jason Caruso won the most valuable wrestler award on his second championship at 130 lbs. In the districts the Hornets took on state ranked West Essex in what became a two team race for the district title. P.V. finished second, 13 pts. behind West Essex. Ernie Partridge and Jason Caruso were the only Champions for the Hornets.

With many young wrestlers gaining varsity experience this year, the Hornets are ready to continue the tradition of winning into next year.

Captain Ernie Partridge
The 92-93 Girls' Basketball team, captained by Silvana Caruana and Jessica DeMarco, improved in each game they played. The young PV Hornet team possessed a high level of enthusiasm throughout the entire season. Although the Hornets were not undefeated they proved that with their aggressiveness and competitiveness they could defeat some of the most competitive teams in the league. They showed this when they beat Wayne Valley early in the season. Considering their tough season their record fell just below .500. With only 2 seniors on the squad the team consisted of 4 juniors, 3 sophomores, and 2 freshmen representatives. Although it was a trying season for the Hornets they managed to stay optimistic and work together. With most of the players returning next year the future looks bright.

This year's bowling team was made up basically of underclassmen. The two seniors on the team were Nikki Mellissant and Nicole Menzo. The members improved their team score by over 150 points.

Honors went to two members of the P.V. bowling team. Tom Fierro was named second team All League. Brian Hienold was selected to both the Honorable Mention All County and League teams.

Mr. Ariola is looking forward to next year when he hopes his young team will improve even more.
Indoor Track

Indoor track is a unique sport because there are no team competitions. This year's indoor track team was made up of many successful individuals. Michele Dudzinski won the high jump at the following meets: Yale Invitational, Seton Hall Invitational, Ridgewood Invitational, Holiday Classic Meet, Passaic County Championship, Group 4 Championship, and State Meet of Champions. Aimee Weiner finished 4th place in the 600m run at the Passaic County Meet. She earned 3rd team all-county. Kerri Kimberley was awarded 2nd team all-county via her 4th place finish in the Passaic County 1500m run. Steve Botas placed 5th in the long jump in the county meet. P.V.'s 4X400m team placed 5th in the county. The runners were Lisa Lovas, Pam Komar, Aimee Weiner, and Ali Hawkins. Mike Chipolone placed 6th in the 1500m at the Passaic County meet. Coach Callahan regrets losing many seniors, but he is looking forward to next year when he hopes that many of the younger runners will improve.
The Vermont Ski Trip

On February 26, 1993, 39 of Passaic Valley students piled on a bus headed for the mountains of Vermont, under the supervision of their tour guide, Mr. Duke; advisor Mr. Pacifico; and chaperones, Mr. Sayegh, Ms. Kowalski, Mr. Vanderburg, and Mrs. Agosta for two great days of skiing.

The first day the skiers went to Stowe Mountains. At Stowe, skiers of all abilities, had an outstanding day of skiing and fun. Many of the skiers were quite surprised at all the "real" snow and challenging trails this mountain had to offer.

After skiing all day the skiers returned to their hotel, the Hampton Inn, for a buffet dinner, and a night of bowling, swimming, a pizza party, and time to relax in the hot tub before crawling into bed.

On the second day the skiers went to another one of Vermont’s finest mountains, Sugarbush. Here they had another day of great skiing and enjoyment. After another long day, the students returned to their bus and returned home, exhausted, but happy.
In Swing

The 1993 Hornet golf team looks to be competitive in the tough Northern Hills Conference. With a growing team, Coach Ariola predicts a State Championship in their future. Leading the team are seniors, Jennifer Ariola and James Rossi. Ryan Malone and Dave Sgro return to help round out the team and set them up for a shot at the County Championship.

The 1993 Hornet baseball team, lead by Coach Milewski, seems to be highly competitive in the Northern Hills Conference. The team, led by captains Scott Hoffman and Jason Nagel, has strong experienced pitchers, backed up by skilled fielders, including Chris Meletta, Don Galante, and T.J. Fantasia.

This inexperienced team, consisting of six seniors, four juniors, and three sophomores, is practicing hard, hoping to come around this season to beat biggest challengers, Lakeland and Montville.

Other coaches include:
- Varsity Assistant - Coach Homay
- JV - Coach DeGennaro

The Hornets are optimistic about their upcoming season and expect to continue the success they began last year. With the help of their dedicated coach Mr. Ferretti, the Hornets hope to be League champs and contenders in the county and state tournaments. Together, senior captain Dina Spinelli and Junior captain Kristine Innocent, seniors Lisa Salerni, Silvana Caruana, and Sharon Trapanese will provide the team with the experience and leadership it needs. As Coach Ferretti would put it, “We don’t rebuild, we reload,” and that’s just what this year’s team will do. The Lady Hornets plan to work hard this season with continued hard work, motivation and dedication.

The Boys' Tennis team, led by 2nd year coach Vu Phan, and tri-captains Joe Juba, Pete Nguyen, and Frank DiMaio is starting over with a new team. With the loss of 6 starting seniors last year, the team will find new strengths and abilities in its younger players. The team consists of 1 senior, Joe Juba. The juniors are Pete Nguyen and Martin Itoly. The sophomores make up the majority of the team with Dave Cuccinello, Pete Torunski, Chris Gerber, John Ardolino, Pete Koukounas, Frank DiMaio, Carlos Perez, Mehmit Kinak, Jose' Flores, and Frank Pico. The freshman consist of Dave Munsey, Danny Girlando, Ron Stell, and John Oh. Coach Phan has a positive attitude about this years' team and hopes to defeat the rivals of Wayne Valley, Montville, and West Orange. He hopes this season will be a successful, yet enjoyable one.

The team, led by seniors Aimee Waddell, Kerri Kimberley, Lisa Lovas, Michele Dudziak, and Stacy Vicerella, looks forward to a successful relay and dual meet season. The girls plan to compete all over Northern New Jersey raking in medals. There are many individuals who hope to place in the League and County Championships.
The 1993 Boys' Track Team is full of young talent. The returning lettermen took to lead the team on the track and field events. With the unseasonal weather, the League is up for grabs. The boys should have a successful dual meet season. Their areas of strength will be in the running events. Coach Sauter thinks his hard working team will have an enjoyable Spring season.

It might have appeared to go unnoticed
But I've got it all here in my heart
I want you to know I know the truth:
I would be nothing without you.

Did you ever know that you're my hero,
And ev'rything I'd like to be?
I can fly higher than an eagle,
'cause you are the wind beneath my wings.

After practicing hours on end, not having enough time to finish homework, and spending an average of ten hours at school for three months, what do the athletes do with their new freedom? Between fall and spring may be an off season for some, but these athletes are forced to find something to do with their time. Whether it's hanging out with their friends, shaping up for the next season, hitting the books, or just catching up on much needed relaxation these athletes certainly can find something to do with themselves.
Captured Moments
My Cherished Friend

You have always been by my side, my friend
We've been through thick and thin,
Our memories will live 'till the end.
But now as we gather here
To say our last goodbyes,
The tears are falling down my face
But I know our friendship will never die.

You are the friend I will cherish forever;
For all of my life I will remember you.
Now as we walk apart,
Each our separate ways
We'll both know that in our hearts,
It'll always be me and you,
My cherished friend, I love you.

The good times we've had,
Will always live on in our hearts.
Tears that fell, and laughter shared
Will be remembered even when we're apart.
All the times you were there for me,
Days when I was upset,
The way you brought a smile to my face
Those days I will never forget.

Taking notes? BORING!

Now this looks like much more fun!

Here at P.V., we do our best to excel in everything, from art to music to sports. Academics are no exception. The students here must go through 184 days of work in the classroom before they can partake in the numerous activities offered after class. Although it may seem boring-and sometimes it-we do our best to make it fun!

Although they managed to break just about every rule the UCA staff set up, the PV Varsity Cheerleaders still ended up winning the 1992 Camp Championship and putting three girls on the National All-Star team. The grueling practices that lasted from eight in the morning until dark may have contributed to their success, but it was truly their charm that put them on top. Not the staff, the security guards, or anyone else could stop them from bringing the camp alive. By frequently using the excuse "I didn't read that in the rules", they got away with shaving cream, water gun fights, and also hidden guests. Finally, the staff took the attitude, "if you can't beat 'em, join 'em!!"

- Many months of preparation, March 12 was the night that many awaited.
- Pascack Valley’s traditional Girls’ Show took place. Much excitement, as well as nervousness and tension filled the Griswold Gym. The show was based on the song, “EXTRA EXTRA READ ALL ABOUT IT”. Although only one flag is raised at the end of the night, every participant should be commended for her hard work, effort, and dedication.

"Look To The Future"

As the Class of 1993 graduates from Passaic Valley Regional High School and looks towards the twenty-first Century, it is incumbent upon each member of the class to become a contributing member of society. Passaic Valley has provided the necessary foundation for you to either go on to a college or university, vocational study, military pursuits or to enter the business world. However, it is now up to you to make a difference in your community. Only if you maintain standards, become involved and want to make a difference will your life, and the lives of those around you, be enriched.

The challenge is before you, and the decision is yours to accept or not accept this obligation and to make the world a better place to live.

Then said a teacher, Speak to us of Teaching.

And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not his wings to another man.

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and his understanding of the earth.

It sometimes seems that people involved in sports get all the recognition. However, there are many students who participate in their own sports— their jobs. While others get ready for practice, students with jobs go to work for a real-life experience. Those in sports may receive trophies for the efforts, but the real rewards go to the workers who achieve not only economic stability, but a sense of pride and ability that comes from the responsibility of holding a job.

The past four years at Passaic Valley have made you the beautiful woman you are today. The people you have met and the things you have learned will take you far. Your whole life is ahead of you and the only limits that exist are the ones you put there yourself.

There are few things in life that are solely yours. Memories are wonderful and no one can ever take them from you. Hold on to the memories that are dear to you. But don't dwell on what might have been; always concentrate on your future.

As you start the next stage of your life many things will change. You will make new friends and lose old friends. But one thing that you will always have and never lose is me. I believe in you. I trust you. I am proud of you. I am overjoyed by you. But most of all... I LOVE YOU.

Whenever you read this yearbook and reminisce about high school, please remember me. Remember what we have and what we share. Remember my love for you. And most of all, remember that you will forever be my Angel.

Congratulations, Evelyn and Class of 1993!!
We’ve all been through so much with our friends. We’ve stuck with each other through good and bad. Now we’ve finished a chapter in our lives, our memories of the past will never die.

**HOROSCOPES FOR THE STEREOTYPICALS**

**ARIES**—Tend to be the class clowns, the attention getters. They are usually honest and truthful but never seem to keep quiet. A hint to all Aries, when you feel the urge to say it to the world—remember no one wants to listen to you!

**TAURUS**—the bulls. "usually see black and white.

**GEMINI**—Not only have split personalities but multi-poly-mers.

**LIBRA**—Are those kids in class that seem to have a care in the world, but in actuality are constantly worried over whether or not they will graduate. Don’t sit by a Libra in lunch. They will always find something in your lunch that doesn’t belong.

**SCORPIO**—Are very complex human beings. They are always thinking but are usually up to mischief. If P.V. had a “Most Likely to become a Criminal” it would surely be a Scorpio.

**SAGITTARIUS**—The freedom lovers, the daydreamers. These are the kids that spend class-time looking out the window daydreaming about flying off to Zimbabwe on a winged horse. They never pay attention but always seem to get an ‘A’. How do they do it?

**CAPRICORN**—Attitude and ego what a combo. Capricorn are those people to stay away from in class. They know they’re right and you’re straight out! If teachers ever argue with a student, it’s definitely a narrow-minded and strong-willed Capricorn.

**AQUARIUS**—Those ‘strange’ ones tend to entertain you in class. Whether with a bit of a movie or a song or some gossip they just have to. Aquarius seem to keep you interested with their sense of humor and border-line psychomancy.

**PISCES**—The victim, the class hypochondriac. Pisces, no matter how small the problem, seem to overreact completely. If you ever go to the nurse’s office you will surely see a Pisces there, probably with a broken eyelash.

**WOMEN RISE TO THE TOP**

by Renee DeSantis

West Paterson—It may be difficult for a mere man to care for and manage a bevy of 50 males, but not a woman. All team managers, of course, have tough jobs. An outsider cannot possibly imagine the feeling one gets when she sees her close friends being tackled and sometimes injured by monsters twice their size. As a female manager, one must put her feelings aside and keep her chin up, even in the worst of times.

Most women have a special gift that provides most men with a feeling of security and a comforting touch when they are in pain, even for the smallest scratch. It is common knowledge that women have a great capacity for withstanding pain as well as a great tolerance of the male ego.

Since the beginning of time, women have been perceived as merely caretakers, caring for their husbands and children, but the roles are definitely expanding and changing. Being a manager of a sports team has always been a man’s job. This is no longer true. At P.V., the soccer team, track team, and of course, the football team are maintained by competent and yet sensitive female managers.

It may seem to be an easy job. On the surface, managers provide refreshments, care for equipment, soothe minor injuries, and keep the coach from committing acts of mayhem upon the players.

In addition to those superficial activities we hold the hands of the injured players and restore their self-esteem when they are at a low point or feeling depressed about the moment. So remember this, men—today the team, tomorrow the world.

**WOMEN ON THE RUN**

by Jennifer Caruso

At Passaic Valley High School, women are actively involved in a great many physical activities. These include both co-ed and non co-ed sports, such as cross country, field hockey, volleyball, cheerleading, basketball, track and field, and softball.

The number of female athletes at P.V. is incredible. The girls on these teams work hard and show a great deal of effort and talent. Several of these athletes have received awards and honors for their work and dedication. These honors include headlines in newspapers, Athlete of the Week awards, medals, trophies, and scholarships for future education.

Athletically inclined females should not be ignored. They deserve just as much credit and recognition as their male counterparts for their hard work and dedication on the playing field.

**LEO**—Mr. and Mrs. Vanity case. Leos tend to be very ambitious and conceited. When Senior polls are taken, Leo’s don’t vote—they already know they’ve won.

**IRR**—Tend to be creatures of habit. These students are the first out of your Calculus class every morning, are always on time level they rate a d.

**LIBRA**—Those kids in class that seem to have a care in the world, but in actuality are constantly worried over whether or not they will graduate. Don’t sit by a Libra in lunch. They will always find something in your lunch that doesn’t belong.

**SCORPIO**—Are very complex human beings. They are always thinking but are usually up to mischief. If P.V. had a “Most Likely to become a Criminal” it would surely be a Scorpio.

**SAGITTARIUS**—The freedom lovers, the daydreamers. These are the kids that spend class-time looking out the window daydreaming about flying off to Zimbabwe on a winged horse. They never pay attention but always seem to get an ‘A’. How do they do it?

**CAPRICORN**—Attitude and ego what a combo. Capricorn are those people to stay away from in class. They know they’re right and you’re straight out! If teachers ever argue with a student, it’s definitely a narrow-minded and strong-willed Capricorn.

**PISCES**—The victim, the class hypochondriac. Pisces, no matter how small the problem, seem to overreact completely. If you ever go to the nurse’s office you will surely see a Pisces there, probably with a broken eyelash.

**S.T.M. MONSTER DEFEATED**

by Michele Wells

On November 7, 1992, the halls of Passaic Valley High School once again shook with pain, as the S.T.M. Monster attacked, leaving a path of chaos and destruction in its wake. At 8:15 that cool Saturday morning, the courageous warriors trudged in, armed only with razor-sharp “no. 2” pencils and four years of preparation. At first the students seemed to be at a disadvantage, battling not only the seemingly impossible questions, but fatigue as well.

However, after four hours of combat, the battle-weary Seniors overcame the obstacles and emerged, triumphant and confident about carrying the school’s tradition of excellent scores. The S.T.M. Monster, wounded but not killed, shrunk back to its lair until next year, when it is rumored to reappear at the same time to challenge the unsuspecting Juniors.

This reporter has interviewed some Seniors, and has compiled a list of ten surefire strategies that are guaranteed to raise one’s score at least 200 points. The first one is the most important... (cont’d on p. 54)

**HORNET GOES PINK**

by Richard Wos & Michelle Wells

During the past four years, we the students have gone through countless changes and the school building has changed with us. The most recent changes have been the refurbishing of the school’s bathrooms. Even though the new stainless steel is spotless and has had no trouble staying that way, some things never change. We all remember the times running frantically around the school looking for an unlocked bathroom. Fortunately, most of the time we found one.

The Gispens Gym has also changed since 1989—a few coats of paint have modified its appearance, but the sense of school spirit persists. The Griswold Cafeteria, with the tele-reader to keep students updated on events happening around the school, a salad bar added and deli have also allowed the caf’s food more palatable.

There have been other changes that are not as obvious as the physical ones: new faculty and staff members, different hair and clothing styles, and the fact that those tiny freshmen seem to be getting even smaller every year.

Although there have been many superficial changes, the more things change the more they remain the same. Passaic Valley High School’s philosophy never wavers. We continue to integrate academic and athletic excellence with the survival skills necessary to cope with the complex modern world.

**NEW LEADERSHIP**

Bill Clinton, the Arkansas’ governor became the 42nd President of the United States of America.

After twelve years of Republican dominance the Democrats have begun to write a new page in history. Like the Class of ‘93, a whole new era is about to begin for America—and for Passaic Valley High School graduates. Good luck Bill, and the Class of ‘93!
