Dear Senior Detectives: Kristi Conforth, Patty Leines, Maggie Mari, and Alison Peters,

The Hornet has been kidnapped. We tied it in a sack. We couldn’t live without it. You’ll NEVER get it back! We hope you will forgive us. For this puts you in a fix. So solve the mystery Class of 1996!!!!

Signed,
Mr. Green and Ms. White

(We just loooove Clue! More on the locales and weapons later!)
The Class of '96 wishes to dedicate their yearbook to Gloria Schrieber, a dedicated teacher and friend to many at Passaic Valley. Mrs. Gloria Schrieber died this past January after a year long illness. She was a member of the Passaic Valley staff for over twenty-two years and served with the Child Study Team in the capacity of Learning Consultant for that entire period. Prior to coming to Passaic Valley, she worked in the New York City school system and then for the Millburn Public Schools. Her undergraduate education was at Hunter College for Women, a school she was particularly proud of, and while there she became a member of the Phi Beta Kappa Society.

Her duties here included working with individual students, staff, and members of the Team, and she performed her job with a remarkable level of professional integrity, enthusiasm, and concern for those which she came in contact with. She was a private lady with a great capacity for friendship and loyalty. For those of us who had this privilege of working with her and knowing her, she will be sorely missed.

- Abbot Bernstein
Mr. Bernie Bender worked at Passaic Valley for 37 and ½ years. During that time, he held the position of Head Cross Country Coach, Assistant Track Coach, and Assistant Varsity Basketball Coach. He also was a supervisor for football and basketball games. He is most proud of having the best Boys’ Cross Country Record in 1979, which was 15-1. He is also very proud of winning a Cross Country Girls’ League Championship. Mr. Bender plans to spend his retirement as a substitute teacher, teaching all subjects, not just Physical Education. He also plans to do some traveling, play a lot of golf, and do some yard work. Bernie says that he misses the P.V. students a lot.

Mrs. Barbara Loeb has worked at Passaic Valley for almost 16 years. She has been the secretary for the Child Study Team, the main office, guidance, and now the secretary of the Humanities Department. She is most proud of doing her work well and of being able to retire. She will spend her retirement traveling and spending time with her grandchildren. She said that she had made lots of friends with whom she hopes to remain in contact.

Mr. Joseph Mazza worked 32 and ½ years at Passaic Valley. He worked as a Physical Education Teacher, the Head Soccer Coach for twelve years, and the Assistant Track Coach. He also worked as a weight trainer and one of his students has appeared on the Montel Williams Show. He is most proud of his strong bond with and commitment to the students. Mr. Mazza is now a fitness coordinator and personal trainer at Union County College. He will spend his retirement playing golf with Bob and the gang and eventually move to Florida to be close to his son.

Miss Arlene Alape worked as a Physical Education teacher at Passaic Valley for 35 years. For 20 years she ran Girls’ Show. Miss Alape was also the Bowling and Archery Club Coach, and she ran G.A.A. weekends at Silver Lake. She is most proud of her relationship with the students and the lasting friendships she made, especially with the Passaic Valley Hornet. She will spend her retirement playing golf, traveling, polka dancing, and running golf trips to Branson, MO, and Myrtle Beach.

Passaic Valley High School has given you not only the education you need to succeed, but also it has provided you with numerous opportunities to develop pride, school spirit, and togetherness. Through Passaic Valley High School, you have formed lasting friendships and have accumulated a treasure of memories. Friendships feed and clothe our spirits, and those that you have formed here will last a lifetime. May your life be filled with promises as you start a new journey and may your life be filled with faith, hope, and love. Congratulations and Best Wishes, Mr. Pantale.

Ode To The Class Of '96

You timidly entered the halls of PV in September of '92
We had our first meeting to make future plans,
And we bonded. Mrs. Ehret, Mrs. Knozelmann, and YOU.
There's a job to be done and much fun to be had.
There are friendships and memories to make for beginners.
But this class was amazing and right from the start,
There was no doubt we were working with winners.

We danced and we baked and we car washed and “crafted”
We sold keychains and fundraised galore,
So your Social was super, Ring-turning was special,
And the Cotillion more elegant than any before.

Now the years have sped by, and you've grown up so fast,
You've scored high when put to each test!
Our Best Wishes to You . . . May all your dreams come true.
Class of '96, you are . . . SIMPLY THE BEST!!!

Growing up was fun but now I have begun the new part. These second half of life I must set the stage and begin these new. Just remember everyone you should always be alert and ready to take on any task. Anybody that reads this, take note. Be careful if you know what I'm talking about because you can only make a decision when you're ready, so be ready at all times and stay away from all different parts of your life that you don't agree with but what you like. PRESS RELEASE
MISSING HORNET POLICE UPDATE

The hornet was last seen in a car traveling West on Main St. in Little Falls, dropping off a letter to the Class of 1996 at Passaic Valley High School (picture below). Detectives were unable to get the license plate number of the car which is described as a Mercedes with Pennsylvania plates.

The car made a clean getaway but not before the detectives got a picture of the culprit hiding behind our beloved mascot (which seems to be in good spirits and looks well fed and cared for). Police believe that the culprit is not, in fact, a student.

At this point police can only estimate that the culprit is a middle-aged blond woman in an expensive, nylon jogging suit.

If you have any information leading to the apprehension of the culprit and the return of the hornet to the desperate community of Passaic Valley, please contact investigation headquarters at 890-2593.

A $10,000 reward has been posted by the superintendent for any information which leads to the return of the hornet.

Class of 1996,

So your hornet's missing,
Oh where could it be?
I'll leave you to wonder,
Cause he's right here with me.

Though I have not been around,
I planned my attack.
And if you can't read my clues,
You'll never get him back.

We're helping out each other,
My home's become his hive.
He's taught me about stardom,
I've taught him how to drive.

I've took him one on one,
But his wings help on the court.
I'm yet to beat that mighty bee,
But I'm being a good sport.

He's really very healthy,
He gets an A+ in it all.
From eating right and being fit,
To running fast and playing ball.

Without this little hornet,
Commencement's not the same.
But if you want to get the grade,
You gotta play the game.
The National Honor Society is a very prestigious organization to be selected as a part of. Each September, applications are distributed for induction into the NHS. Each student applying must write an essay, fill out a questionnaire, have a GPA of 3.5 or better, and be involved in many activities within the school. Once inducted, the members volunteer in walkathons as well as tutor fellow students.

Senior History

We, the class of nineteen hundred and ninety-six, entered the halls of Passaic Valley in September of 1992. As the country became enraptured with a presidential campaign, we too prepared for a great change in our lives. None of us could imagine what effects this next chapter of our lives would have on us, nor could we fathom the great success we would obtain during the next four years working together as a class.

Freshman year, we were branded with the motto: “Simply the Best”, and we spent the next four years keeping up that title. Our goal was to raise money—lots of money—not only to cover the cost of our yearbooks but to raise more money than any class before. Together with our devoted advisors, Ms. Konzlemann and Ms. Ehret, we set out to work, bargain, and even beg at times for money. From cheesecakes to bake sales, our class slaved to bring in the dough. Through the years, our dedicated advisors made sure that we were always occupied with either fund raising or social gathering.

For the first two and a half years our determination did not wane; however, towards the end we realized we were raising more than we had to, so we could take it a little slower. We accomplished raising enough money for the yearbooks and even had some left over (See you at the reunion). We did remain “Simply the Best” and were respected as an excellent class throughout our years at Passaic Valley High School.

Freshman Year ... We were welcomed to our new school by a brand new guidance counselor, Mr. Grzywacz. As we walked solemnly down the seemingly endless corridors of a new and unfamiliar place on that dreaded first day of school, reality hit at once! The summer of countless graduation parties had ended, and here we stood with sweated palms, shaking knees, and racing hearts. We were low-class, the peons, the unseen, the unknown. We were FRESHMEN! We suffered the “mighty seniors” pushed us around—in lunch lines, in hallways, and even into lockers. We agonized as we fumbled for locker combinations and raced nearly the length of the school to get to class on time. We sat, miffed, wondering which staircase led to the “third floor” whether or not the school really had a pool.

Sophomore Year ... Once again, we were welcomed to school in September by a brand new guidance counselor, Mr. Conlon. We no longer felt disoriented in school as we were familiar with the people in our grade as we walked down the halls, this time with confidence as we passed the little freshman. A courageous few even tempted walking through “Center Hall” between classes. We got to know who our “true friends” were and divided into our own circle of friends. Due to the excessive amount of snowfall that year, we missed hours, days, even weeks of school at a time. However, we were forced to make them up by attending school during Spring Break! We enjoyed class activities such as our trip to Great Adventure and our formal, the Sophomore Soirée. The girls in their satin and lace and the boys in their suits no longer looked like a bunch of kids. The Class of ’96 was maturing... growing up together.
WHERE HAVE THE YEARS GONE?

Junior Year ... We were welcomed as upperclassmen! Not by Mr. Conlon, however. Once again we entered school with the surprise of finding a new guidance counselor, Mr. Saulino. We held our heads high with the satisfaction of knowing that there was only one class ahead of us. As we reached our 17th birthdays and acquired the oh-so-wonderful card called a license, we realized how great it was to be able to come and go as we pleased. We stepped up to varsity levels of sports and quickly realized the meaning of the word “competition”.

We continued our fund-raising throughout the year and ended up with a very pleasing result. We, the class of 1996, emerged as the richest class in P.V. history! Our main function of the year, the Junior Cotillion, was held at the Birchwood Manor on December 2, 1994. As the year came to a close, we headed down the shore for Memorial Day weekend parties and a good majority of us even showed up at graduation to bid the seniors a fond farewell as they ended their reign and we began ours ...

Senior Year ... Finally, the moment we had anticipated for three long years ... We were seniors! We acquired new-found confidence, our egos expanded and that inevitable case of “senioritis” set in. We emerged as the captains of our teams and the presidents of our clubs. We took on great responsibilities while still managing to have a lot of fun! Unfortunately, we soon found out that senior year was not all fun and games. Before we knew it, we were bombarded with college essays, interviews and deadlines. The stress set in as we raced frantically trying to finish all of our deeds on time. The aid of our latest guidance counselor, Mr. Pantale, served as a great help in pulling us through this tough time so that we could enjoy the rest of our days as seniors. During those limited days of our existence at P.V., we waited anxiously for the infamous “senior cut day” when we would head back down the shore for Memorial Day. We anticipated the prom, our last dance together, and graduation, our final moment of glory standing together as a class.

As that long-awaited graduation day descended upon us with a speed that was nearly unimaginable, it was almost impossible to look back. Although this is the one day we had anticipated for the last four years, there is a part of us that does not want to let go. As we stand together on Walton Field watching the cameras flash and the hats fly, we wish each other the best in future endeavors and say our final good-byes. Tears fall, hearts ache, but somewhere in the distance we see the bright light of the future. At this moment, we close the door to our childhood, for we are now adults about to embark on one of the greatest journeys of life. As we travel down the road of success, we will always look back on our high school days. We will remember the friendships, the laughter, and the crazy times we had together just being teenagers. Although an important part of our lives has ended, our lives have just begun. And, as our lives progress, the friendships may dwindle, the laughter may become inaudible, the time to do crazy teenage things may have passed; but the memories will be ours forever.

WHO STOLE THE GAME?
The 1995 Hornets Varsity Football Team completed one of the most successful seasons in the past decade. The season closed out with a 33-0 victory over rival Wayne Valley, giving the Hornets a 9-1 record, clinching a state playoff berth as well as being named Northern Hills Skyline Conference Champs.

Under the direction of second year head coach Chet Parlavecchio, the Hornets went undefeated in regular season play. The 1995 football season will be looked back on as a great season with many exciting memories for both the team and the faithful Hornet fans. This outstanding season has set a new standard for future teams at Passaic Valley.

The 1995-96 wrestling team had a successful season placing 3rd in district 13. There were some new faces on the team this year (senior Cyril Simon, freshman Dan Dugan, senior Matt Linda, freshman Nick Marra, freshman Keith Wright, senior Mike McGorty, and junior Marc Corrado) along with some old ones from last year (senior Danny Gasalberti, senior Joe Benvenuti, senior Casey Mizzone, junior Eric Martin, junior Anthony Trapanese, junior Mike Benvenuti, and junior Mike Juliano). Led by captain Joe Benvenuti the team had 3 county champs (J. Benvenuti, C. Mizzone, and M. Juliano), 3 district champs (D. Gasalberti, J. Benvenuti, and C. Mizzone), and 2 second place winners in the districts (M. Benvenuti, and M. Juliano).
The 1995-1996 Indoor Track Season was one of excitement and full of surprises. This year the team traveled through two states and partook in twenty meets. The team brought together thirty-four members of the Passaic Valley school community who participated in many different events.

Individual members of the team garnished honors at the league and county levels. Jeff Ariola won the Shot-Put in both meets while Jen DiMinni, Erica Benedict, and Will Bierach captured their specialties in the league meet.

Other members of the team having a fine year were: Anisha Alexander, Jen Minchin, Laura McGevna, Jen Ligeri, Cris Randzin, Ursula Klim, Gina Kang, Dan Piccirillo, Mike Tesoriero, and Nino Calabro. The one big surprise for Coaches Mizzone and Callahan came when Andres Cordero joined the team and quickly established himself as one of the best freshman distance runners in the state.

All in all this had to be considered one of the best years in Passaic Valley's history of Indoor Track.

They have instilled into the players the hard work and dedication to be a winning team. The coaches also have a great deal of knowledge to offer the team. With the Hornets determined attitude, teamwork, talent, and drive, they definitely have the potential to accomplish any goals.

VALLEY GREEN
DETECTIVE STAFF

SAVE ME!
Advised by Mrs. Greenfeder and headed by editors Jay Kilpatrick, Gina Benvenuti, and Tom Cheff, the Valley Echo covered many of the hot topics of this year. From the football team winning the league championship to the O.J. Simpson trial, the headlines covered it all. Excellent drawings and cartoons from inhouse artist senior, Kevin Carpio, will be greatly missed.
The American Way was a show in the gymnasium in which all the girls of Passaic Valley participated. The program opened with a welcoming talk by Ruth del Vecchio, president of the GAA. Its purpose was to demonstrate the many activities in girls' sports today. The program was divided into entrances, songs and cheers, stunts, tumbling, and pyramids, basketball, recreational games, tug of war, history of American dance, and finale in which "God Bless America" was sung. The judges awarded points to the two competing groups, the Greens and the Whites, and the Greens were victorious.

Girl Show 1941-1980

Traditionally, the photos on these pages were dedicated to the many greats of Girl Show. These pictures portrayed the laughter and sadness the White and Green teams had experienced throughout the year and work so hard for. However, Girl Show does not exist, at least not this year. Why did Girl Show, which inspired spirit, happiness, and a sense of unity disappear? It is our hope that the tradition is only temporarily interrupted and not ended.

A special thanks to Miss Arlene Alape and Miss Suzanne Boudenburg for all their time, effort, and support in making the show the great success it always was.

Bone Chiller took place on Thursday and Friday, November 2 & 3. The play opened as the characters arrive at the Travers' family mansion. As the play progressed, the characters learned the reason they were invited was to decode Josiah Travers' last will and testament, which was in the form of a rebus. The first one to decode the picture puzzle would receive Josiah's fortune. The audience loved trying to solve this intriguing murder-mystery along with the characters. The play was a big success and was enjoyed by all who saw it.

A DAY IN THE LIFE OF:

After an evening of nature, music, and fire, my mind and soul are renewed.

Music and friends are two of the most important things in my life. There is almost nothing better.

Three thinkers thinking thoughts that need to be thought...

Work is a must. But wouldn't feel the same without these familiar personalities and smells!

Mi familia... gotta love 'em!

My other family. You can never stop laughing with these people around!

Can't forget the Deli-Mart crew! We're all related!

One of the many special moments of my life. There are certain people you will never forget!

Brotherly bonding in my personal abode seasoned with cow drapes.

Obviously, by the looks of my arm event doesn't happen often.

BUSARDO
I woke up around 7:00, with my hair a mess!

Mom helps me with a quick trim.

A can of hairspray - the final touch.

Then I dress up in my usual suave attire.

I'm cucky for Coco-Puffs.

The school bus takes me to school.

P.V.

After a hard day at school I satisfy my appetite with a terrifically humanitarian meatless meal.

It's a dirty job, but my mom won't do it.

Skipping H.W., I must type my first autobiographical novel, "Born Old, Sadly Wise!" Knocked out in a halo of Kerouac, D.H. Lawrence, J. Joyce, and Tennessee Williams.

On April 13th, 1995, members of P.V.'s Drama Club took a trip to England and Scotland. Their nine-day excursion included trips to many historical sites. Among them were the Rock-and-Roll Wax Museum, Big Ben, Westminster Cathedral, Edinburgh Castle, Anne Hathaway's Cottage, and Shakespeare's Birthplace, just to name a few. The highlight of the trip for most was the Scottish Ceilidh. At that festival, the group had a taste of Scottish culture and customs. Overall, the trip was a success.
PARTNERS IN CRIME
Throughout this year, our kidnapped Hornet has been spotted in the school. People have seen him entangled in wires in the computer lab and stuffed in a Xerox machine. Even though the Hornet has been through these hardships, he remained in high spirits. Police and student detectives have worked hard to crack this case.

Since March, they have been hot on the trail of a middle-aged woman. With the leads they received from a blurry picture and eyewitness accounts, police were able to apprehend the suspect on June 1, 1996. The woman was identified as Ms. Arlene Alape.

After police questioning, the motive for the kidnapping was given in a press release. It seems that Ms. Alape missed the Hornet. Over the years, Ms. Alape was involved in many sports and activities. She could not live without the Hornet. She is truly sorry for any grief or concern she has caused.

The school feels that as long as the Hornet was not harmed and returned safely, they will not press charges against Ms. Alape.

DELLATORRE, MICHAEL - Whew, what a ride! The past four years have been quite interesting. That's one of the things you do best: you make life interesting. We've said it before, now we'll say it again: Rotary, children, like an amusement park ride. Some kids are like "Merry-Go-Round." They fall in and out, and kind of fun. Michael, you are like the "Roller Coaster." You go up, you go down, you go fast, you go slow. You are exciting, you are living, and you are a little bit sassy. We love the roller coaster; we love you. Underneath it all, we know how kind, loving, and thoughtful you are. We know how much your family means to you. As you are growing older, we see these qualities more and more. When the world finally catches up to you, you will be able to appreciate their true qualities too. Then I let you go and you seemed
The tiniest of you, /n your mind were so far

Remembering the times we have shared, the laughter and the fun!
