one voice

Walking through the halls of Passaic Valley, it is apparent, even to a stranger, that the student body is composed of a diverse group of people all possessing different beliefs and interests. By outward appearances alone, one can tell who are the athletes, the thespians, the artists, or the intellectuals. Yet as it is said, appearances can be deceiving and the differences between people lie beneath the exterior. These differences can be as complex as where you stand on national affairs or as simple as what town you are from. What one Totowa student thinks can be very different from what a West Paterson student thinks. Even the high school class structure varies. Juniors, for example, can be concerned most about obtaining a driver's license where a senior is more concerned with getting college applications sent out. Looking at the big scene of things, everyone in PV has their own concerns. Not one person is the same; not one person has the same voice.

With that in mind, the staff of the Valley Green decided that this year's yearbook should work toward bridging the differences. Realizing that our school is made up of a million different voices, we attempted to unite the masses through the use of quotes.

Faculty

Age takes away from us what we have inherited A

Mr. DeGroot a product of the Paterson school system, graduating from the old Paterson Central High School and later on from Montclair State College. He is a veteran of the United States Army and, in fact, taught Geometry while in there. Early in his career, he taught in the Belvedere School System before arriving here at Passaic Valley around 1964. While at PV he has coached baseball, football and hockey and has served as an advisor to the Student Government. He has been an active member of the Passaic Valley Education Association, including serving as its President and Vice President. He is presently a practicing artist and has had several of his own art exhibits throughout New Jersey.

While these are the biographical facts about this teacher - all important and all worth noting - it is more so the personal facts that have made him a special teacher to us all. Although his talent and love for art have been an inspiration to many students, there are so many of his other qualities that have provided us with such inspiration. It has been his combination of humor and constant encouragement that have made him such a special part of our high school experience. It is the way he has helped us to recognize that every person we meet knows something that we don't and we should learn from them. It is how he has taught us to never give up on what we really want to do because big dreams give us the power to succeed. It is the way his examples have inspired us to think big thoughts but relish small pleasures.

The Class of 2001 is honored and privileged to dedicate our yearbook to Mr. William DeGroot because he has been such a special part of our high school years and a special part of our lives.

“it is art, and only art, that reveals us to ourselves.”

And gives us what we have earned.”

Mr. Malone earned his Bachelor's Degree in 1967 and Masters Degree in 1973, both from Montclair State College, he has seen a remarkable number of distinguished accomplishments throughout his career. From his efforts that brought about a First Place finish in the 1976 Passaic County Math League to his being named by the students at MIT as the Most Influential Teacher for four years, he has been identified with various successes. He has been recognized for his achievements and rewarded throughout his teaching career from the Governor's Teacher Recognition in 1995 to being named Exemplary Educator from 1985 through 1990 to his receiving the Outstanding Teacher Award from the University of Chicago for his contributions to education. He has been a major contributor to the establishment of the Kenneth Malone Mathematics Scholarship and has served as Chairman of the Suchowsky Scholarship Committee. In 1976 he became head of the Mathematics Department here at PV, a position he holds to this day.

However, what adds even more to all of these distinguished accomplishments is the care and the compassion that he has shown for his students here at Passaic Valley. He has always given of himself to help all of us succeed and to teach us to always try our best, not only in the subjects of math but in all that we undertake in our lives. He has inspired us not to cut corners and to trust in ourselves and in our own abilities. He has provided an example for us of what being a good teacher, an involved human being and a person of integrity means. He has helped us to remember that how you say something is as important as what you say.

It is because of all this that the Class of 2001 wishes to dedicate this yearbook to a special teacher, Mr. Kenneth Malone. At the end of this academic year, Mr. Malone will retire from his career here at Passaic Valley. With that retirement we wish to thank him for his sincerity and his caring throughout his days here at PV. By way of this dedication, we wish him continued success, happiness and peace and thank him again for making his mark on our lives and on Passaic Valley.

Life is What Happen while we are making other plans." - Allen Saunders

Steve wakes up early to brush his pearly whites for the women.

After flexing for several minutes in the mirror, Steve jumps in the shower. (NO PEEKING LADIES!!!)

Feeling extremely fresh and clean, Steve puts on his best shirt and heads off to school.

Sucking his thumb and clutching his dolls, Steve's day begins in the wee hours of the morning.

Who doesn't do Literature homework at 5:03 AM?

Steve, apparently still tired from his early morning, gives new meaning to "waking up on wrong side of the bed" during first period.

DAY IN THE LIFE OF ...
STEVE KILDOW

Being the scholar that he is, Steve sits down to take a test in one of his less demanding classes, Quantum Physics.

After showing his intelligence in the classroom, Steve heads to gym to show off his athletic ability in a rigorous game of "Pickle Ball."

After a long day of school, Steve and Mr. Caterpillar treat themselves to a little nap on the couch.

a day in the life of

STEVE OVADIA

Clearly refreshed, Steve and a friend visit a local park to do some bird watching.

Working up an appetite, Steve sits down for a nutritious lunch consisting of Doritos and Slush Puppies.

At night, Steve slaps on his tights and heads off to the Ballet, where he performs his very own solo.

After a long day of schooling, sports, and dancing, Steve retires to his bed where he dreams of flowers and sugar plum fairies.

Raw meat sizzling on a hibachi. Dinnertime!

Hmmm maybe that meat wasn't cooked enough.

And, finally, Steve in all his shining glory!

you want it?? you got it!!!

"You can't always get what you want ... but if you try sometimes, you'll find you get what you need." Rolling Stones

The student body insisted that Kristin Armato and Joe Psota appear in a picture together ... it is still alleged that they were separated at birth.

After years of abuse, Mike Piccirillo asked for the opportunity to strike back at his giant sized nemesis, Stephen Sylvester ... he might have finally tamed the beast.

Everyone demanded to see Billy Palumbo eating muffins ... and now he's up to his ears crumbs.

Lee Urgo and Tom Yutko wanted to see Chris and Craig Wright act like they do when no one is watching ... who would've thought?

Levi's wanted to see John Kilpatrick wearing jeans ... now he refuses to wear anything that isn't denim.

Sara Nowen wanted to see Tom Yutko wearing something besides Abercrombie and Fitch ... but he realized he didn't have anything else in his closet.

John Kilpatrick wanted to see Lee Urgo apologize to someone for once ... but you can only lead a horse to water, you can't force him to drink.

"A good journalist is a rewarding sight... must have a zest for events ... He must have a dedication to facts and a scent of humbug... must cultivate skepticism while avoiding cynicism ... He must learn to cover ... causes which he can have no sympathy but must display loyalty ... He must be incorruptible. He must go where he is not wanted, and be resistant to those who are too welcoming... for all of this, his hours will be long, his pay inadequate, and his standing in the community not particularly high." -Thomas Griffith
Time

So maybe they don't write for a professional newspaper or even get paid for their efforts, the Valley Echo staff fits Thomas Griffith's definition of a journalist. As the eyes and ears of the school, they are dedicated to keeping students informed about school, community, and world events. Yet their job doesn't just end with writing the news; it involves much more than that.

The newspaper staff members are responsible for developing story ideas, interviewing students and faculty, designing layouts, and putting together the final product that is distributed throughout the building. Without the dedicated work of the Valley Echo staff, the school would lack a student voice.

what is art?

Art is a hands on activity for the heart.

Art is using the creative in-stead of the organizational parts of your brain. Get out of the mundane ad into what looks and "feels" good.

Art is history, math, science, English, business, language, physical education, home economics and technology, plus a great concert all rolled up into one big ball. J. Mercadante

Art is the aesthetic dimension of energy. Fluid or non-fluid, all energy radiates art but this does not imply it is always realized. In many ways perception of art is a personal validation which only remains its own eternal truth for as long as the perception. D. Lerro

Art is a program which allows many students to display their talents for which they sometimes don't receive credit due. J. Mizzone

Art is a process of thinking. A mean of coming up with new and unique ideas. Michelangelo probably stated it in the simplest of terms when he said, "Man paints with his brain, not with his hands." W. DeGroot

Art is in the eye of the beholder.

our class advisors

**“Without counsel plans go wrong,
but with many advisors they succeed.”**

~ Proverbs 15:22

Dear Class of 2001,

For the past four years, it has been my honor serving you as your class advisor. I will always have fond memories of you especially the car washes, the dances we planned, and the Great Adventure trips, just to name a few. I have watched each of you grow as individuals and as a class. Although this is the end of your high school career, it is the beginning of new and exciting endeavors. It is my hope that you will not only take what you have learned in classes and from books, but also the lessons learned from each other. May each of you continue to reach for your goals no matter how high or complicated they seem. Enjoy every step along the way. It is my hope for each of you that your lives are filled with happiness, success, and good health. May you always look back on your years at Passaic Valley with a smile. Remember the great times, friends, and memories and I want to wish you all the best in your years to come.

Sincerely,
Sal Sileo

To The Class of 2001,

You are very special. We sensed that from the very first class meeting when you were only freshman, listening eagerly to candidates speeches and details about the social events in your high school future. You were enthusiastic about everything you did; dances, carwashes, towel sales, Great Adventure and even more exciting for me - Chemistry. Even for those who were not “Science People”, I appreciated your enthusiasm and spirit. I told you that you were THE BEST classes I had ever had. That holds for all of you - You are the BEST. You have spirit all your own.

Keep that message with you always. Be the best at whatever you choose to do in life or whatever life chooses FOR you. That is the hardest challenge, but also the most important. Keep that great attitude and success will follow you. I will always remember you that way and I expect great things from all of you.

Best Wishes,
Eileen Sullivan

The Boys Soccer team under head coach Rory Fitzgerald went through a season of ups and downs but finished the year with a record of 5-15. The Hornets played well against some of the best teams in northern New Jersey. The team's biggest victories came on September 15th against West Milford and October 7th against Don Bosco Tech. Senior Ruhan Derti and Sophomore Marcello Follano each scored a pair of goals in a thrilling 5-4 triumph over West Milford. Later in the season, the 10th seeded Hornets upset Don Bosco Tech in the opening round of the Passaic County Tournament with a shootout victory after playing 100 minutes of scoreless soccer.

Derti was the team's leading scorer with 7 goals, and Follano was 2nd on the team with 4 goals. Junior Laythe Hazin and Senior Kevin Brandell hit the back of the net 3 times, and Junior Geno DiSanti and Senior Ronny Bajic scored twice. Also scoring goals for PV were Seniors Neil DiDio, Amer Khalil, and Dan Jasnica. Junior Mike Puzzo, and Sophomore Nick Mataya also contributed to the goal scoring this season. DiDio, who received 1st team All County Honors. Brandell, and sweeper Jeff Drobik were the team's captains. Junior Mike Turdo started the year in and played well when he returned from a back injury late in the season. Senior Chris Miller stepped in and kept the team alive in a lot of games. The wins didn't add up, but the 2000 Boys Soccer season was anything but a disappointment.

The Lady Hornets reached new heights during the successful, yet odd, 2000 season. In late October the Hornets could not have looked at a stranger record, with 5 wins, 5 losses, and 5 ties. They had once again qualified for the state tournament, only this time their record had a little twist to it. For the first time the team scored more goals than it let up. The hornets showed vast improvement by tying rivals Mt. St. Dominic and West Milford. The team has become a threat to conference powerhouses such as Wayne Valley who they tied on Valley's own turf. With four out of the five defenders returning from last year's team the *Hornet defense looked solid*. Senior goalkeeper Captain Stephanie Leporini led the defense. Senior Captain Jackie Wagniere, playing right fullback, motivated the team by constantly pushing her teammates to work hard. Junior Katelynn Woolsey, sweeper, Junior Kelly Nagel, stopper, and Junior Jill Palmieri, left fullback, completed the Hornet defense. Picking up her game, sophomore Giuliana Minervini led the hornets in goal scoring with nine goals. Working hard at mid-field and contributing tremendously to the Hornet offense were Juniors Cara Bartolomeo and Sue Michelli. Also contributing at mid-field were Juniors Melissa Strignile and April Carnemolla and Sophomore Marisa Attianese. A new addition to the Hornet roster this year was freshman Alexandra Gastulo. This hard working young player looks promising for next season. With the loss of only three seniors Coach Porfido hopes for even more improvement and a return to the state tournament for the third year in a row. **Individual Awards:** Stephanie Leporini- First Team All-County & Second Team All-Conference; Giuliana Minervini- Second Team All-Conference & Honorable Mention All-County; Cara Bartolomeo- Honorable Mention All-Conference & Honorable Mention All-County; Katelynn Woolsey- Honorable Mention All-Conference.

Most Memorable event of the season- "The great marching band and the mosquitoes."

Once again, the Passaic Valley Marching Band and Color Guard successfully completed their busy season. After attending Band Camp in August, the band and color guard marched their way through a hectic season of football games and competitions. They began their season on a high note after receiving an astonishing 1st place victory at Porchester, NY. Later in the season, with Kelly Billig conducting the marching band, they hosted a competition on the PV football field. They then moved on to the state-wide competition, where with their show, "Channel One Suite," a number previously performed by the Buddy Rich Big Band, took 5th place in the Group 1A Open. The color guard also took home 1st place for the third consecutive time.

"This year was my first year with these cheerleaders and I had a great time. Everyone on this squad worked so hard and did great at the football games cheering the crowds and the team. I'm going to miss the seniors next year. It's been fun!"
-Beth Budd

The Passaic Valley cheering squad began practice in mid-August when the team gathered to prepare for Dance Camp. They visited Rutgers University with five other schools to compete for the best routine performance. The girls placed second overall in the camp's competition.

Shortly after they returned from camp, they quickly began to prepare for the upcoming football season. Captain Lisa-Marie Batelli and Co-Captain Jaimie Gulla led the girls in the first game played at West Orange. From then on, they continued the season pepping up the crowds to keep the Hornet spirit alive. They cheered their personal football player on throughout every game. Traditionally, the cheerleaders baked "goodies" for them the day before the game to wish them the best of luck in the game.

A particular group of girls were chosen to be on the competition team. Competition practiced from the end of October till November 16th, the day of competition. It was held at West Milford High School, and the girls placed 4th in the Dance Category.

The Cheerleaders highlighted the season with an inspiring performance at the last football game of the season against Wayne Valley on Thanksgiving Day. They will also be cheering on the Hornet basketball team.

HORNETS

The 2000 Hornet Football season started with high expectations. There were numerous returning starters, many of whom were seniors. The coaching staff, led by Bill Johnson, was just as excited for what would turn out to be a successful campaign. The Hornets lost four regular season games by very narrow margins, but still won a berth into the North 1, Group 3 state playoffs. They were defeated in the first round by Northern Highlands in dramatic fashion. Trailing by a touchdown with just seconds remaining, junior quarterback Justin Vitterito threw a touchdown pass to sophomore Ryan Gaffney. The Hornets would go on to lose in overtime but returned Pv Football back to where it belongs- in the playoffs.

With the onset of PV's fall sports program, the girls gymnastics team was faced with the challenge of overcoming a series of obstacles that would prove to be vital in the outcome of their season. Disappointingly last year, they were forced to forfeit all of their team competitions due to lack of athletes. The team also had to battle with inexperience because they consisted only of freshmen, with only one or two upperclassmen. This season however, the addition of freshmen Mariel Bonilla, Rita Connizzo, and Jaclyn Shark, not only completed the team, but brought with them a strong gymnastics background that proved to be very valuable during competitions. Returning sophomores, Erica Kobloth, Carina Murone, Christina Romeo, Nicole Stryker, Theodora Tsatsos, and Kaitlyn Guerrero provided a stable backbone for the team with their previous high school experience. Led by Captain Julie Molinari and fellow senior Amy Kansay, the gymnastics team finished their season with a record of 3-7. Although this may not appear to be an outstanding record, it is something that the team can be proud of, knowing that they have worked hard to improve last years team. Looking to the future, one can only expect for the team to become better at their sport.

The boys cross country team was able to use the experience and talent of Seniors Mark Nocito, Mike Piccirillo, Joseph Polifonte, and Captain Allen Soohoo to run in another winning season. The team prepared for the fall season before school even started, by training hard throughout the entire summer. As the season progressed, the team steadily improved. They completed their season with a 13-4 record en route to a fourth place finish at the Northern Hills Conference Championships. The team then had their best performance of the season at the Passaic County Championships after finishing in third place.

The girls cross country team also had a winning season under the fine leadership of Senior Captain Rachel Ligieri. The Lady Hornets ran to a third place finish at the Northern Hills Conference Championships and a fourth place finish at the Passaic County Championships, with first place finishes from Sophomore Jesse Mizzone. Juniors Krystal Cordero and Melissa Spencer, also along with Sophomore Erin Wilk, contributed to the team's successful season.

"The most memorable moment of this season was beating my old coach at Butler High School for the first time in my coaching career." - Coach Hergert

After losing twelve seniors last season, the Hornet field hockey team faced adversity as the 2000 season began. Though doubtful of the season's outcome, the Hornets were determined to sharpen their skills and become one of the top contenders in the county and conference. Consisting of only four seniors and a crop of underclassmen, the Hornets relied on their team enthusiasm and perseverance to lead the team. Under the guidance of Coach Hergert, the field hockey team finished the season on a high note by winning three of their last four games, and matched last year's season record of 6-9-3. The team's seniors took control of the offense with senior Link Diane Bolchune leading the team with four goals and two assists. Senior Link Kelly Wenz scored three goals, two of which were unassisted, and added two assists. Senior Forward Nicole Morino tallied three goals on the season. On the defensive end, Juniors Kelly Palmer and Cathy Tice made several key saves to keep the Hornets in many critical games. Junior Goalie Kelly Palmer had 239 saves on the season with six shutout games. Junior Sweeper Cathy Tice added eight defensive saves. The 2000 Hornet field hockey team proved that dedication and hard work could overcome all obstacles.

"We always played hard and as a team. Each player contributed in a unique way to our success, so no one player was more valuable than the others." - Coach Humes

As the 2000 season started, the PV Girls Volleyball team, as usual, faced the rough terrain that every other team faces. However, this year they were dealing with an even bigger issue; where did all the 1999 starters go? From the previous year only two starting players were returning, Seniors Cathy Velazquez and Melissa Reed. Coach Bill Humes needed people who would be able to step up and take on the important varsity roles. After hard work and much searching he found who he needed: Senior Cristina Serapiglia, Junior Tory DeBlock and Sophomores Christine Cook and Michele Coral. Also serving and playing back row were Seniors Erin English and Jackie Conde. The beginning of the season was marked by inexperience but that soon faded and the team grew closer. Due to this tight bond, difficult games became easy tasks, such as their victory over long time rival Lakeland. Of course there were those games that were extremely difficult, as all teams can imagine, but they only brought them closer together.

This incredible season came as a surprise to Coach Humes, teachers, and even maybe sometimes the team. The Lady Hornets kept on winning up until their last game. They completed their season with a record of 19-6, the first team in 15 years to surpass 18 wins and achieve second place at the Passaic County Volleyball Tournament. Coach Humes also received the honor of being named Coach of the Year by the Star Ledger. With a hard loss in the beginning of the state finals the Girls Volleyball season came to an exciting and memorable end.

The Passaic Valley tennis team had an excellent season. Many newcomers were welcomed onto the team and the overall performance of the former team members improved quite a bit. The season ended with many games won and even an honorable mention award won by Faith Ottino, junior at Passaic Valley High School. All in all, the team had a lot of fun this season.

The 2000-2001 bowling season was a year of improvement for the Hornet squad. Not losing any Varsity bowlers to graduation the previous year, the Hornet team was given the time to simply mature and improve upon their skills, of course, with the help of bowling sensation, Coach Frank Ariola. This hiatus proved to be quite beneficial, as the Hornets finished with a record of 15-6, giving them a close second behind the Butler Bulldogs in the Northern Hills Conference and improving upon their 12-8 third place finish last season. Senior Captain Dan Cook took First Team All-Conference while Senior Captain Jerry Porta and Senior Scott Apolito both took Second Team and Junior Jon Fojut received Honorable Mention. The Hornet squad also made a good showing at the Passaic County Tournament, placing fifth out of fourteen teams. Cook finished a stunning seventh out of the 70 or so individuals present, as he also received Second Team All-County honors. Apolito pulled out with Honorable Mention in his last year on the team. Cook and the rest of Coach Ariola's team were unable to qualify for the State Finals as they competed in the State Sectional Tournament; still yet, the Hornets enjoyed a fun filled and productive season.

The Passaic Valley wrestling team entered the 2000-01 season with high hopes of achieving the former glory the team once possessed. A solid senior class including four year starters Chris & Craig Wright, Ed DeRosa, Edwin Argueta, and Jerry Dawson along with numerous returning underclassmen starters were to provide the leadership and balance the team needed to make them a true championship contender. Key injuries and some unexpected personnel loses though prevented the Hornets from maintaining the depth they needed for the successful season they expected. This is not to say though that the Hornet wrestling squad did not enjoy substantial individual successes. The Wright brothers, Kenny Stiles, Ed DeRosa, and Edwin Argueta all brought home District titles. Jerry Dawson, Methven Yildirim, and Steve Kildow also meted at the district tournament as and qualified for the regional's held at Passaic Valley. Chris and Craig Wright were the only two Hornets to qualify for the State tournament for the fourth time of their careers where Craig placed sixth in the state. The Wright Brothers also broke the Passaic Valley record for career wins formerly held by Jason Caruso. Although the Passaic Valley wrestling team did not achieve the high preseason expectations, they did compete well with some of the best teams in the area. The team improved with each match and many of the underclassmen gained the experience they need to be successful in seasons to come. All in all, the wrestlers showed great pride and much can be said about the strong character the team displayed in overcoming the adversity they faced.

"There are some who have wrestled with great skill; none have wrestled without pride"
-Dan Gable

"... it's realizing that being a great wrestler isn't a sport, it's a life."
-Coach Zarra

"We entered the season young and inexperienced and we struggled to handle the ball and score. Outstanding senior leadership and a work ethic second to none allowed us to gradually improve over the season." Coach Humes

Despite their greatest efforts, the 2000-2001 Lady Hornets were not able to achieve the successful season that they had intended. Their final record however does not reflect the work ethic or pride that this team displayed. These girls came into the season a young and inexperienced team, trying to prove everybody wrong. Throughout the bulk of the season they had a lot of downfalls, however, they battled through injuries and inexperience. Those events did not bring the team down, in fact, it made them work harder to improve every aspect of their game. A lot of younger girls stepped up when they were needed, promising success for next year's season. Without a doubt, the Lady Hornets had the dedication and determination of a winning team.

"To the Seniors: Thank you for putting the building blocks in place so the underclassmen can succeed in future years."

The Boys Basketball team under head coach Don Roll finished the 2000-2001 season with a 9-13 record. The team captured Passaic Valley's Holiday Tournament held in late December, edging out Clifton and Wayne Hills by a total of four points. With a record of 7-6 in late January, the team had a chance to qualify for the state playoffs but was overwhelmed in three tough games against Millburn, Delbarton, and Manchester in the same week. The Boys also earned the ninth seed in a very tough Passaic County Tournament. Aside from the Holiday Tournament wins, the team swept West Milford in a pair of high-scoring contests, 68-66 and 83-71. The final game of the season was also very impressive because PV scored over 100 points in a 101-59 victory over Elmwood Park.

Senior captain Anthony Reddin was the team's leading scorer all season long and remained in the top five on the area scoring list from December through February. He averaged more than twenty points per game, and scored 50 in the season finale. Senior Joe Polifante was the team's deadliest outside shooter, and Senior Mike DeSimone was a force under the basket, out muscling taller opponents and hustling for every rebound. The other Seniors, Ronny Bajic, Chris Decker, and Jeff Drobik also did a commendable job. As for the underclassmen, Kevin Tuohey, Ryan Philpot, and Rob Whetham all had outstanding seasons, and will shine next season as the future of Passaic Valley Boys Basketball.

"It was an honor being the coach of this young and striving team. The team has potential and it is finally starting to show."
- Coach John Capo

The 2000-2001 season for the Passaic Valley Ice Hockey team has been its greatest one yet. The third year team accumulated two wins and a tie, surpassing all expectations. Unfortunately the record doesn't show the team's improvement from the beginning to end of the season. Both wins came in the last 2 weeks of the season, and 3 of the last 4 losses, the Hornets were beaten by a mere margin of one goal. Now that the team knows the sweet taste of victory, we can all look on to next season as the Hornets will try and clinch their first playoff game. The team was led by seniors Mark Nocito, Jared Gruzgas, Captain Robert Debeneadto, and Assistant Captain Tamas Petofi.

"It has been great being the team's captain. This year's accomplishments show the team is starting to come around."
- Team Captain Robert Debeneadto

The boys indoor track team used the experience and talent of Senior Captains Rick Cristofol and Allen Soohoo to make impressive showings at many of the major meets. The team trained intensely throughout the frigid winter looking forward to the warmer days of spring. The very young team steadily improved as the season progressed and they gained experience. Rick Cristofol ran strongly and was able to place in major meets including the Passaic County Championships. Allen Soohoo was able to place in the Northern Hills Conference Championships, Passaic County Championships, and Ridgewood Winter Games.

The girls indoor track team also had impressive showings under the leadership of Junior Captains Krystal Cordero and Kelly Nagel. The Lady Hornets relay team of Krystal Cordero, Giuliana Minervini, Jesse Mizzone, and Erin Wilk were able to set the school record in the distance medley en route to winning the Group 2 Relay Championships. Krystal Cordero, Giuliana Minervini, and Jesse Mizzone all placed in the Passaic County Championships and in other major meets. Jesse Mizzone had the most impressive performances winning the Group 2 3200 meters and placing in the State Meet of Champions.

“Play your shot, not your score.”

As the Hornet golf squad prepares to enter the 2001 season, they find themselves smaller than the previous year. This does not discourage coach Frank Ariola, for he feels this allows him to spend more time working on each player's swing. As senior Dan Cook steps up to the captain position, he finds himself within the shadow of Ariola's high expectations. Ariola sees great things from Cook in his final season and is confident he can follow through. Also returning to the lineup are senior Ronnie Bajic, and sophomores Joe Pascrell, Andrew Bacsik, and Mark DeCesare. Pascrell is expected to help Cook greatly in creating his fair share of damage. Rookies Adrian Ramos and senior Chris Decker are good additions to the team, as well. Decker is very excited about ending his senior year on the golf course. Only time will tell what is in store for this young team's season, but this is the same time that will make them better.

The 2001 Boy's Volleyball team had an extremely successful season. Together, head coach, Bill Humes, and captain, Kevin Brandell, led the team to a great season. (Hopefully!)

It was hard to adjust in the beginning of the season without the leadership of Richard Corthell. However, the key players, Dan Pushack, Rick Adams, Mike Reddin, Tom DeFrancisci, and Kenneth Sauter led the team to a great season.

"The success of our season will be determined by how hard a new group of inexperienced players can work as a team and adjust to playing on the varsity level."

The 2001 PV Softball year has kicked off this spring with a team filled with prestige and talent. Just coming back from a State Championship with 8 returning Varsity players, this team is sure to have a very promising season. The Hornets are led by captains Stephanie Leporini, Shannon Paris, Melissa Reed, Carol Voorhis, and new head coach Jim Camb. Other returning players who will surely dominate this year include Sue Michelli, Alexis Sous, and Kelly Palmer. This 2001 season is yet to be another successful one for the Lady Hornets.

"There is an end to everything. It is what you do from the beginning to the end that defines your season." Coach Mazzo

The Hornets opened the 2001 season as a hard-working, determined team prepared to face many new obstacles. The team is led by only five returning varsity players, seniors Alex Rivera, Jeff Drobik, Joe Macaluso, Junior Matt Markowski, and Sophomore Ryan Gaffney. With new coach, John Mazzo, the Hornets are adjusting to a new atmosphere. This year the team improved their pitching line-up by adding Greg Ridel, Joe Capo, James Hearny, and Freshman Nick Varcadipane to the rotation. The Hornets have a big hole to fill this year with the loss of nine graduates from last year's team. The team hopes to make a run in the counties and states with their great speed and good bats.

As of early spring, the Passaic Valley Track team is anticipating a successful season. After a few years of rebuilding, the group is in serious contention to do well in the conference and county competitions this year. In his second season as head coach, Mr. Porfido is working hard to prepare the athletes for a rigorous season. The team is led by Senior Captains Rick Cristofol, Mike DeSimone, Allen Soohoo, and Tom Yutko.

The track team has a broad range of Senior talent, with an experienced Varsity athlete in almost every event, including B. J. Gourley, Rudy Simonetti, Mark DelCarpio, Amer Khalil, and Jason Masonette. However, an overwhelming showing of underclassmen will add depth to the group. Juniors include Mike Puzzo, Alex Nagy, and Joey Canova. Sophomore talent consists of Tony Martin, Steve Cristofol, Joey Urciuoli, J.D. Worrall, and Kevin Pollizato. The team will also look for newcomers to step it up and contribute to the Varsity Track team.

Dear Steph,

It is difficult for me to think that you are graduating high school. After all, you are still my baby. I guess that's because you'll always be my baby. You are a very special person with a very special gift. Your kindness, your caring for others, your good-heartedness, your putting others before yourself - these are things that make you loved. When others describe you as "a sweet and good person," that makes me so proud. What makes you even more special is that you have always stayed this way even through all the challenges that life has handed you. Baby, life is not always fair but that is where you can count on me to help try to balance things out. Everyday I thank God for blessing me with you and your sister and everyday I wish that I could do more to make your world perfect. I know I've screwed up at times but I hope that I've been a good dad to you so far. Remember, when you hurt, I hurt, and when you are happy, I am also happy. And that's why I know that reaching this point in your life and graduating high school is very special to you. I'm so happy for you because of your accomplishments over and above all your challenges. But it's tough for me to say that my little girl is grown up now. Steph, I love you so very, very much. You are always in my heart as my loving daughter and my special friend. I am so very proud of you. I know that you will reach your dreams. Just remember that I will be here for you. Congratulations on your graduation. I wish you happiness, peace and good fortune and I love you today and always.

Love,
Dad

**To Rachael, Crissy, Vanessa, Kristin,

**I just want to say thank you
for being the special friends that you are
to someone very special to me.
Through good times and bad,
you have always been there.
When times got tough, you were there
showing your smile,
your support and your caring.
You already know it means a lot to Steph,
but what you don't know
is it's meant more than any words
can ever describe to me.
You are very special young ladies
and you'll always have
a special place in my heart.
Thank you for the laughter and craziness
that you bring into our home.
Remember, our door is always open for you.
Congratulations on your graduation
and I wish you a lifetime of
happiness and success
in all that you do.**

**To Jared, Chris, Craig, Lee, John, Ed,

**You know, a father always watches out
for his daughter when it comes to guys.
Well, I couldn't have asked for a
better bunch of guys than you
to have as my daughter's friends.
Thanks for always being there for Steph,
for always watching out for her
and for protecting her.
Thanks even more so for being there for her
when things got a little tough.
That means an awful lot to me.
You are a special bunch of guys
and good friends to me too.
I am proud to say you are friends.
I wish you success in all that you do.
I know you'll all do well and
may all your dreams come true.
And don't ever forget,
our home is always open to you.
Good luck and congratulations!**

Carol.....

If there's one thing I do believe, it's that dreams really can come true,
Because as we have all found out, our dreams came true in you.

You give our days a special glow, you warm us with your smile....
And even when a frown appears, it's gone in a little while.

The way you care with your tender heart about all living things,
Makes us very happy and proud of all that your loving brings.

For all that you have given us just by being you,
We thank you, and the Lord above, for those moments.... old and new.

And as you travel down the road to your future, as yet unknown,
Remember one important thing... There is "No place like home".

For whether you are far or near, in our hearts you'll always be.
And so, you'll be forever "home", with Krista, Craig, and me!

With all of our love....
Today, tomorrow, always....
Mom, Craig, and Krista

I'VE ASKED MYSELF SO OFTEN
WHY WE HADN'T MET BEFORE.
IN JUST A FEW YEARS OF HIGH SCHOOL
OUR FRIENDSHIP HAS GROWN TO MEAN MUCH MORE.

OUR LIVES COMPLIMENT EACHOTHERS WELL
BOTH MAKING SURE THAT NIETHER FELL.
BUT PERHAPS IT'S TRUE WE'RE READY TO LEAVE
BUT IN OUR HEARTS WE'LL ALWAYS BELIEVE.

NO MATTER HOW FAR APART WE ARE
WE'LL BOTH BE REACHING FOR THAT STAR.
THE STAR THAT WILL LEAD US THROUGH THE NIGHT
AND MAKE CERTAIN ALL IS RIGHT.

OUR 2 SMILES WILL NEVER FADE-
THEY'LL REMAIN IN OUR HEARTS...
WHERE OUR FRIENDSHIP WAS MADE!!
