"The Green Mile"

TAKE

FOUR YEARS AGO IN A GALAXY FAR, FAR AWAY..

THE

GREEN MILE

As the class of 2002 we have walked The Green Mile. We started off as The Freshman and have finally become The Graduate. With a little help from The Faculty June 30th is hereby proclaimed our Independence Day. With our knowledge of everything from American History X to Weird Science which at times made us want to Scream we can now move on to bigger, better things. We can become astronauts and actually be The Man On the Moon. We can start our own Risky Business. Maybe one of us will even become the American President. When we look back on our School Daze we will laugh at the memories made on those Boogie Nights. We will remember the sports we played For the Love of the Game and not for the activity points. Most of all we will remember how Dazed and Confused we were on September 6th, 1998, walking through these Hallowed Halls for the first time. As the end approaches, we realize that the past four years seem as if they were Gone in 60 Seconds. 720 days feels more like 28 Days and senior year flew by as fast as 48 Hours. The first time we came through the doors of Passaic Valley, we were all Clueless. We thought, "I wish I were Anywhere But Here!" Now, as we prepare to venture Far From Home, we know that this is truly Where the Heart Is. We move on with a Braveheart, embarking on an Incredible Journey that will lead to a Neverending Story. Friends will stay Forever Young in our hearts and we will always remember the American Beauty we found within ourselves. Thank you Sweet Valley High. Thanks For the Memories!

Dedication

**Yvette
McNeal**

Throughout four years at Passaic Valley, a student has the opportunity to interact and work with many teachers. The Class of 2002 is making this dedication to

Ms. Yvette McNeal, a teacher that made an impact and was truly able to reach her students. She is best known for her eight years of advising the Yearbook. She has contributed to various clubs, such as advising the Literary Club. Ms. McNeal has also taught ESL and English I.

We would like to thank Ms. McNeal for her time, effort, dedication, and talent that she has contributed to PV. She has been such an inspiration.

Without her, many of us would not be where we are today. We all look forward to her return from her yearlong sabbatical at Harvard where she is studying School Leadership.

-Tracie Gerardi & Michael Hellogors

**Abbot
Bernstein**

The things he did were often unseen and performed without acknowledgment. He wouldn't have it any other way. He sought not recognition, but led his life and did his work with a sense of compassion, generosity, and brilliance. Unflappable in a crisis and unflinching child advocate, he could easily become a formidable adversary if he felt the students' interests and well-being were not justly served. He not only helped lives, but he saved them as well. Kind-hearted and concerned, he was always there when he was needed.

A mentor, a confidante, a counselor, and a champion. He was lost, however, at being a friend. Absent, but never forgotten. We will miss you, Ab.

-Andrea LaPlaca

**Robert
Callahan**

"Mr. Callahan's support and encouragement of my efforts as a student continue to be evident in our mutual enthusiasm and involvement in auto racing. I am glad to call him my teacher and friend."

-Bob Cranor ~ Class of '75

"PV is lucky to have its halls graced with the presence of Coach Cal. A man with inconceivable intelligence and an exceptional way of showing his students and athletes alike, lessons they will use for the rest of their lives."

-Erica Benedict ~ Class of '97

"He influenced many of his students' lives and offered them direction, discipline, and friendship... Mr. Callahan was a typical PV faculty member, bleeding PV Green."

-James Ferretti ~ Friend of 40 years

One moment they stand, scraping the sky. The next moment they crumble, the innocent die. Terror struck, the people did flee. Our confidence shaken, the same it will never be. Few survived, the nation wept. Forced to pick up the pieces and clean up what was left. A city crippled. A city embraced. Thousands of missing, sorrow we taste. Never to be forgotten, remembered throughout the land.

Dedicated to the deceased, UNITED WE STAND!

Superintendent

Mrs. Rose Ann Cortese
Administrative Secretary

Dear Members of the Class of 2002,

This class shall stand on its own merit as exhibited by the many accomplishments and achievements of its members. However, this group of students will forever be remembered for the leadership they assumed and the compassion they displayed after the World Trade Center disaster. The organization of various relief efforts to benefit both the victims and emergency personnel serves as a commentary on the caring nature of this class.

Your concern for your fellow man reflects positively on your character and indicates the kind of citizens and leaders you will be in the future. All of society will benefit from your supportive nature as you assume even greater personal and community responsibilities. Passaic Valley is proud to have played a role in preparing you for the challenges facing you upon graduation.

On behalf of the Board of Education and administration, I wish you continued success in all of your future endeavors.

Remember... "One does not discover new lands without consenting to lose sight of the shore for a very long time."

André Gide

Respectfully,

Mary O'Malley has enriched the minds of youngsters here at PV for the past 34 and a half years. She taught in the department of Social Studies. Ms. O'Malley spent 7 years at William Paterson University to obtain a BA and a Master's Degree in Education. She is most proud of the fact that she could maintain high academic standards and expectations.

Karen Paulison has taught at Passaic Valley for 23 years. During her employment, she served as Learning Disabilities Teacher Consultant, Speech Language Specialist and Teacher of the Handicapped. She achieved her undergraduate work and MA in Speech Pathology at Montclair State University. She later earned a Master's Degree in Education from William Paterson University. Mrs. Paulison is most proud of her five-year-old daughter and two-year-old son.

William DeGroot has worked at PV for 38 years since his debut in September of 1964. He teaches the Fine Arts, and received his education during his years at Montclair State University. It was there that he did his undergraduate and 3-year graduate work. Mr. DeGroot's greatest achievement, besides lasting 38 years here at PV, are the showcases of great artist's work displayed throughout the school. He is most proud of students like Ken Lane, who graduated from Alfred University with a degree in Ceramic Engineering, and Joe Gatta, who became an art teacher.

Don Ruccia has taught at Passaic Valley for 36 years. In that time, he shared his knowledge in the department of Social Studies and our own television station, PVTV. He attended Rutgers University and Bloomfield College. Mr. Ruccia's greatest achievement is definitely the formation of PVTV. He is most proud of PVTV and the role it has played in the Passaic Valley Community.

Mary Aharrah has given her beloved teachings here at PV for 26 years in the English and Social Studies department. She attended Lebanon Valley where she earned her BA, and she also attended Montclair State University to achieve her MA. Her greatest achievement at PV was managing assignment changes from English to Social Studies approximately every 5 years. Mrs. Aharrah is most proud of her ability to provide students with class periods that "go fast" and sometimes having them say, "This is my favorite class!"

The 2001 Passaic Valley Marching Band taking a small break from the action.

The year 2001 brought a lot of changes for the Passaic Valley Marching Band. Our "normal" season would have consisted of numerous football games and few competitions. But this year, things were a little different.

The PV Marching Band continued to support our football team with upbeat music and cheers that everyone knew. Although there were no competitions, the band put together a "half-time show", bringing back hit songs from the Temptations.

Through all of these changes, the 30 kids involved stuck together and continued to be a "family". From what everyone could see, being an uncompetitive band has only made us more committed. Every member strives to keep negative attitudes away from practices and games, and because of this our band and friendships stayed strong.

As for the seniors in this small family, the past five years has been something to remember. The friendships, love and togetherness will never be forgotten.

Good luck and best wishes to everyone. Thank you for a great year!

Once again, the Passaic Valley cheering squad had an outstanding year, finishing the season with much to be proud of. Under the supervision of Ms. Gabrielle Yacenda, the team not only had a successful football season, but also took home two first place trophies from annual competitions. The girls first met in July and attended cheering camp at Rutgers University. Led by senior captains Jackie Carnazza, Kelly Meisberger, and Cortni Nater, the team prepared for the football season, beginning with the first game against Wayne Valley.

During the football season, the squad held practices for the November 16th competition at West Milford. The cheerleaders faced outstanding odds, having the smallest team in the Dance category, yet after weeks of practicing and perfecting, their performance was flawless. In the end, the squad was victorious, regaining the first place title they had previously held in 1998 and 1999. On December 2nd, the United Counties Cheering Competition was held at Passaic Valley High School. It was no surprise when Passaic Valley's own cheering squad gained another first place victory. The 2001 cheering squad worked so hard to be the best and in the end they once again proved to be nothing short of phenomenal.

"This has been a very successful year for the Varsity Cheerleaders. They did a great job during the football season and in winning first place in their two competitions. I am so proud of their hard work and dedication."

In July of 2001, forty-two girls united as one to form this year's Passaic Valley Field Hockey team. The girls were lead by their captains: Jessy Foster, Kelly Palmer, and Cathy Tice. Despite the scoreboard, this team gave its all and played with 110% dedication and skill. The season ended with a record of 4 wins, 11 losses, and 4 ties. Nevertheless, these girls went out shouting to their opponents, "OUR GOAL IS TO DENY YOURS!" To the seniors, they shall never set foot on that *Field of Dreams* again except as spectators. All they have left are four years of memories. But the Hornets will be back and ready for action next year.

The 2001 Boys Soccer season was a season filled with growing pains. The Varsity team only had five seniors. This though seemed at first a major setback but by season's end the team had a 6-13 record. They won one more game than a senior dominated team the year before. Ten juniors had to make the step up to varsity and by season's end the team started to look to become a force. Marcello Follano led in scoring with six goals and made Second Team Northern Hills Conference, Honorable Mention Passaic County. Hygor Lopez had five. Mike Capone had four. Nick Mataya and Laythe Hazin had three. Didier Berrio and Tony Capone had two. Co Ardelino and Tamer Kose had one. Nick Mataya and Mike Turdo were Honorable Mention Northern Hills Conference. Mike Turdo also received Honorable Mention Passaic County. The Hornets were in every game and this season was far from a losing one. The 2001 season can be remembered as a stepping stone to the Hornets becoming a real force in 2002.

GIRLS' SOCCER

The 2001 girls soccer team reached new limits this season. Qualifying for the State Tournament for the third year in a row, the team was led by captains Katelynn Woolsey, Kelly Nagel, and Sue Micchelli. Having to replace only two starters from the 2000 team, the Hornets had a lot of experience on this year's team. However, the Varsity team also included five freshmen. The defense was led by senior goal keeper Sue Micchelli, freshman fullback Kelly Szewczyk, sophomore fullback Alex Gastulo, senior stopper Kelly Nagel, and senior sweeper Katelynn Woolsey. With freshman Cara Reposo leading the offensive with 18 goals, she helped the Hornets set their record for most goals in a season, 40. Another offensive powerhouse this year was junior Giuliana Minervini with 9 goals and 8 assists. Giuliana was also the first P.V. girls soccer player to be named First Team All-Conference. At mid-field the team was led by senior Cara Bartolomeo with six assists, senior Melissa Strignile, freshman Ziomara Marin, and junior Marisa Attanese. Led by Coach Porfido, the Lady Hornets enjoyed their first County Tournament victory against Hawthorne Christian. With victories over several key teams, the Hornets set another record for most wins in a season. There was something different about the Lady Hornets this year. The level of dedication, motivation, and determination was at a level never before seen. No matter what the scoreboard read, the Hornets played with heart, played with passion, played like CHAMPIONS.

The Boys Basketball team, under first year head coach Michael Walsh, finished the 2001-2002 season with a 3-18 record. The team placed second in its annual Holiday Tournament as they defeated Belvidere High School 57 - 34 in the first round. Passaic Valley fell to Clifton in the finals of the tournament with a score of 41 - 79. After suffering a disappointing loss to Millburn at the start of the season 44 - 46, the Hornets returned home to win over the Millers in a thrilling 45 - 42 victory. In an out-of-conference game Passaic Valley stood strong against Saddle River Day High School in a 55 - 47 win.

Senior Kevin Tuohey was the Hornets leading scorer throughout the season averaging eighteen points per game and broke out for a forty-one point game against West Milford. Tuohey remained in the top twenty scoring list for the surrounding area for most of the season. Senior Robert Whetham was a great all-around player. Whetham could bury an outside shot but was also a force under the basket. He distributed the ball well and crashed the boards for rebounds. Senior Layth Hazin was the motivational player on the Hornets as he demonstrated what hustle truly is. Hazin also had a deadly shot from the outside. As for the underclassmen, next year looks to be a promising season. Matt Aquino, Matt Nowen, Steve Tuohey, Pete Longo, James Morrison, Patrick Reilly, and Anthony Balogh all had an exceptional year and will most certainly excel next season as the future of Passaic Valley Boys' Basketball.

The Lady Hornet's 2001-2002 season has proven to be a productive and positive turn around since last year. The Hornets doubled their wins since last year, returned to the second round of the County Tournament, and qualified for the State Tournament. This years team was led by senior captains, Katelynn Woolsey and Amy Thoma while supported by a talented group of juniors, sophomores, and one freshman. There was no substitute for the hard work and dedication that this group of young ladies has put in not only during the season, but all year round. Besides their strong work ethic on the court, the team came together on an even more important level. The girls have formed wonderful bonds as a team and the highlighting aspect of the team is their friendship. Whether the team was breaking the press together on the court, or was going out for dinner after a game, the tight bonds made throughout the season and pre-season are absolutely irreplaceable.

This year they missed their county team title by 1 point, but still remained with their heads high carrying home second. With vigorous drills they trained themselves to sting out most of their opponents.

The wrestling team gained new talent and the experience molded them into a better team. Vin Varcadipane cradled his record and took third at Regionals. Senior, Metin Yildirim had a successful season and took fourth at Regionals, despite some injuries he had incurred. Kenny Stiles kept his undefeated winning streak straight through Regions where he became Regional Champ at 171. Freshman, Frank Dugan marked his spot in sport having only one loss, and capturing his Region Champ title at 140. Setter Mike Reddin is looking to assist in many kills made by out side hitters Rick Adams, Adrian Fantone, Rich Corthell, Mike Turdo, and Ken Sauter and middle hitters Dan Pushchak, Tom DeFrancisci, and Rob Whetham. The team is strong this year because all the players are made up of seniors. Big teams like Lakeland, Clifton, and Hackensack will be challenges for the Hornets. The team expects many triumphs this year like defeating Passaic and maybe winning the Passiac County Tournament.

The Legend Of Bagger Vance

Top Row: Andrew Bascik, Joe Pascrell, Mark De Cesare, Adrian Ramos, Steven Debeneadto, Robert Van Antwerp, Coach Ariola.
Bottom Row: Left to Right: Emanuel Montanez, Jeff Van Orden, Michael Canova, Anthony Filiaci, Vincent Innocent, Anthony Picarelli, Gennaro Russo, Stephen Molinari.

The 2002 Passaic Valley Golf team is a young group. The team has no seniors and only has three juniors leading the charge. Even though it looks like a rebuilding year with nine freshman on the team that's not the case. Joe Pascrell, Andrew Bascik, and Marc De Cesare are veterans and will give this team the leadership it needs. The Passaic Valley golf team is no push over and is a force to be reckon with. The 2002 golf team shouldn't be taken lightly and by 2003 this team will be hitting on all cylinders. Coach Ariola knows how to lead and the 2002 Passaic Valley Golf team will be a success.

They call him "Drew."

Joe being the man.

THE GODFATHER PART 2

Seniors, when you look through your yearbook, many fond memories will come into focus. You will also see many familiar faces of the friendships you have made. Over the past four years you have accomplished many tasks, which you thought couldn't be done. However, with the help and support from your friends, parents, and teachers you were able to resolve one problem after another.

You have earned your diploma through a complex matrix of people, books, theories, requirements and perseverance. The challenge before you is yet another goal that you alone will set to attain. Somewhere along the way towards your next goal, reflect on happy times, good friends and fond memories that you enjoyed at Passaic Valley High School.

So until we meet again, good luck, good health, and congratulations on a job well done.

BE THE BEST OF WHATEVER YOU ARE

We all dream of great deeds and high positions, away from the pettiness and humdrum of ordinary life. Yet success is not occupying a lofty place or doing conspicuous work; it is being the best that is in you. Rattling around in too big a job is worse than filling a small one to overflowing. Dream, aspire by all means, but do not ruin the life you must lead by dreaming pipe dreams of the one you would like to lead. Make the most of what you have and are. Perhaps your trivial, immediate task is your one sure way of proving your mettle. Do the thing near at hand, and great things will come to your hand to be done.

IF YOU CAN'T BE A PINE ON THE TOP OF THE HILL,
BE A SCRUB IN THE VALLEY - BUT BE
THE BEST LITTLE SCRUB BY THE SIDE OF THE RILL;
BE A BUSH IF YOU CAN'T BE A TREE.

IF YOU CAN'T BE A BUSH BE A BIT OF GRASS,
AND SOME HIGHWAY HAPPIER MAKE;
IF YOU CAN'T BE A MUSKIE THEN JUST BE A BASS-
BUT THE FINEST BASS IN THE LAKE!

WE CAN'T ALL BE CAPTAINS, WE'VE GOT TO BE CREW,
THERE'S SOMETHING FOR ALL OF US HERE,
THERE'S BIG WORK TO DO, AND THERE'S LESSER TO DO,
AND THE TASK YOU MUST DO IS NEAR

IF YOU CAN'T BE A HIGHWAY THEN JUST BE A TRAIL.
IF YOU CAN'T BE THE SUN BE A STAR;
IT ISN'T BY SIZE THAT YOU WIN OR YOU FAIL-
BE THE BEST OF WHATEVER YOU ARE

Love Always
