Welcome to the Seventies

From bellbottoms and peace signs, to disco balls and Studio 54, today’s society has been greatly influenced by the Seventies. Look around, the styles of clothing have lasted throughout the decades and have reappeared. Music from this decade has become legendary.

Ideas and beliefs still linger in the minds of the generations. Media coverage has opened doors to the advances our society has today.

The computer and advancements in technology from the Seventies up until today have become necessary in the lives of Americans. Historians make the point to say how history repeats itself. Looking at today’s society, IT HAS! Welcome to the Seventies ... Again!

Valley Green’s Staff
One of the great things about life is that for every person who leaves you and lets you fall, there is someone who catches you and helps you back up. It’s people like this who make life great. We are honored and privileged to dedicate our yearbook to Ms. Bednarski. Without her hard work and selfless efforts we may not have even had a yearbook at all. Thank you for everything!!!

Mary Lou Bednarski

Every class needs someone to guide them, whether it’s the first steps through the front doors, or the last long strides across the field to graduation. We were lucky enough to have two wonderful people to show us the way. We are very happy to also dedicate our yearbook to Mrs. Dellanno and Mrs. Mulcahy. They have always been there for us and we thank them greatly for all they have given us. Thank You!!!

Kathleen Dellanno

Dear Members of the Class of 2003:

Over the course of four years, every graduating class establishes its own unique character and personality. Administrators, teachers, coaches, guidance counselors and other staff members are the people responsible for characterizing your class and those assessments are based on the daily interactions of everyone involved in the Passaic Valley educational community. Certified and non-certified staff members have described the members of the class of 2003 as “caring,” “spirited,” “natural leaders,” and “excellent role models.” Those descriptors are a compliment to the effort and commitment displayed during your tenure at Passaic Valley.

You should be as proud as we are of the individual and collective achievements of the members of your class in the areas of academics, athletics, and community volunteerism. Passaic Valley is confident that it has provided all of you with the necessary skills to be successful in a new global environment.

On behalf of the Board of Education and administration, I wish you the very best in all of your future efforts. Remember ... “Nothing great was ever achieved without enthusiasm.”

Ralph Waldo Emerson

Respectfully,

Viktor J. Joganow, Ed.D.

2003
Hank Sisbarro was a member of the Passaic Valley High School staff for 33 wonderful years. An alumnus of the class of 1964 and graduate of Missouri Valley College, Mr. Sisbarro was senior class president as well as a member of the PV Honor Society. He was a member of the baseball and wrestling programs as a student, and later in his teaching career he coached wrestling for 11 years and football for 18 years. Many of these teams won county and state championships. He began his teaching career as a physical education teacher and later moved into the science department where he taught biology for many years. Mr. Sisbarro will always be remembered for his great personality and ability to communicate with students. In recognition of his years of service and dedication to the PV tradition, he was inducted into the PV Athletic Hall of Fame in the spring of 2003. We wish him the best in his retirement in Virginia.
Vince D'Elia was a member of the Passaic Valley teaching staff for 32 years. He grew up in Jersey City where he attended Jersey City State College. He began to work at Passaic Valley in 1970, where he taught chemistry, ecology, and biology. Mr. D'Elia is also the founder of the ecology course, which is still enjoyed by many students today. He was well liked by the students, staff and parents because of his great sense of humor. Some memorable experiences included students taking video field trips to the frozen tundra and tales of his experiences at the Peckman River in the 70's. His favorite quote was that he enjoyed fast cars, fast boats, fast motorcycles, and fast women. Mr. D'Elia joked that his wife only let him keep one out of four and that was fast boats. We wish him many happy healthy years on the sea.

The 2002 Varsity Hornet Football team was filled with talented players and coaches, who worked together to form a hard-working, successful team. There were many senior players, all of whom helped to lead the Hornet team to victory, including Captains Ryan Gaffney and Vin Varcadipane. Vin Varcadipane, as a fullback, managed to hold the record for most touchdowns, as well as the most covered yardage for the team this season. Leading receiver and tackler for the 2002 team was junior Nick Varcadipane, while senior Stephen Cristofol held the record for the most interceptions for this season. The team was able to make it to the playoffs, in which they played Wayne Valley and put up an amazing fight throughout the game and even into overtime. Is that all you got?
Take your best shot!
The 2002 Passaic Valley High School Varsity Cheerleading Squad was the biggest in recent history. With seventeen cheerleaders and four captains, the squad worked hard in the second half of summer. Tireless practices prepared the girls for the pep rally the first day of school. The girls continued their endless efforts throughout the football season. Louder and better than ever, the ladies cheered the boys on from the sidelines, where they put on the real show! At the annual West Milford Competition on November 22nd, the cheerleaders put on a flawless performance. Despite the judges’ decision for a second place finish, the PV cheerleaders rocked the floor! With smiles brighter than ever, moves stiffer than ever, and a routine like no other, the girls took home a victory in the hearts of every individual in the stands that night.

“The Varsity Cheerleaders worked hard this fall to prepare for Competition. Their performance was outstanding!” - Cheerleading Advisor Gabrielle Yacenda

2002 brought a lot of positive changes for the Passaic Valley Marching Band. Along with our weekly attendance at football games, we participated in two competitions this year, placing 3rd at the EMBA Championships at Wayne Hills. Our show was based on the Godfather of Soul, James Brown. The band brought back classic Brown hits like, "I Feel Good", "Live In America", and a combination of "Cold Sweat" and "Mother Popcorn". Together, the Band, the always impressive Color Guard, and our two newest additions, the Dance Team, and our school mascot, The Hornet, provided a "funky good time" for the crowds at halftime. Throughout these changes, the PV Marching Band continued to stay close and to support one another. Each band member pushed themselves to the best of his/her ability this year, and all of the hard work came through in the music that was performed.

For the Seniors in this elite group of musicians: The past five years have been truly memorable, and all of the memories, love, and the time spent together will not be forgotten. To Everyone: Good luck and best wishes in all that you. Thank you for a great year!

“I don’t want to hear ‘I can’t’ in this gym!”
-Coach Agosla

The girl's gymnastics team finished their season with a record of 5-6. The team included fifteen members, four of which were seniors. Twelve girls out of the fifteen returned from last year, which proved to be vital in the outcome of their season. They placed 8th in the League Meet and 4th in the County’s. As individuals in County’s Mariel Bonilla received honorable mention for floor, Jackie Shark received 1st team vault, and Nicole Stryker along with Rita Connizzo received 2nd team all around. As a team they qualified to go to the State Sectional Meet where they placed 5th and Jackie Shark qualified as all around and Rita Connizzo qualified on floor. These girls have had a busy year with their competitions and have improved immensely from previous years.
Cross Country

The 2002 Passaic Valley Cross Country Team had an outstanding season this year thanks to superb coaching from the unbeatable combo of Vic Mizzone and Mike Grant. With Senior Captains, J.D. Worrall, Kevin Polizzotto, Jesse Mizzone, and Erin Wilk in charge, a successful season seemed inevitable. Throughout this rigorous season numerous underclassmen stepped up to assist including: Bobby Coyle, Mike Politonte, and Lauralee Krygsman. We wish these runners the best of luck, and a special thank you goes out to a retiring Vic Mizzone for his 10 years of quality service and dedication to the Passaic Valley running program.

Boy's Soccer

"THE HUSTLE"

The Boy's Soccer team went through a season of ups and downs. The Hornets, under the direction of head coach, Roy Fitzgerald, and assistant coach, Mark Salvatore, reached new heights this season. The team brought back a competitive spirit and work ethic that translated into a great season. Critics never expected the Hornets to have as good of a season as they had. Coach Fitzgerald states his expectations for next year: "My hope is that the underclassmen will continue to strive to be even better".

The Hornets' 11 victories, county victory, and home state game were just some of the highlights of this turnaround year. The boy's 1-0 victory against West Milford in the beginning round of the counties gave them the recognition they long deserved. The Boy's Soccer team also played great games against West Orange and Debarton. The team was dominated by 12 seniors. Captains Tamer Kose and Marcello Follano led their team to victory.

This year's players received many awards and recognitions. Co Ardolino and Nick Mataya both received Honorable Mention Passaic County. James Morrison received Honorable Mention Northern Hills Conference and Frank Straface received Second Team Northern Hills Conference. Marcello Follano made first team Northern Hills Conference and first team Passaic County. The Hornets had a very successful 2002 season. With hard work and dedication, hopefully the 2003 soccer season will be just as memorable.

Head Coach Roy Fitzgerald and Assistant Coach Mark Salvatore "I am very proud of the 2002 Boy's Soccer team." Coach Fitzgerald "Hard work and senior leadership played a big part in the success of the Boy's Varsity soccer team."-Coach Salvatore

Girl's Soccer

POWERFUL PELE'S

The 2002 Girls soccer team followed the same tradition of great soccer at Passaic Valley. Under Coach Porfido the team has reached its fourth consecutive State Tournament. This is a great accomplishment for Coach Porfido. This was a year in which many believed would be a rebuilding year for the Lady Hornets. With only five senior members on this team the Lady Hornets still reached their fourth consecutive State Tournament with a record of 9-9-2. Team Captain Giuliana Minervini received Second Team Northern Hills Conference, Honorable Mention Passaic County. Once again superstar Cara Reposa supplied the Lady Hornets with the firepower receiving First Team Northern Hills Conference, First Team Passaic County. Other underclassmen stepping up to contribute were Alexandra Gastula- Honorable Mention Northern Hills Conference, Xiomara Marin- Honorable Mention Passaic County, Kelly Szewczyk- Second Team Passaic County, Honorable Mention Northern Hills Conference. The team might of fell short in their dreams of a state title but this is only the beginning. This was supposed to be a rebuilding year after losing many seniors to graduation last year. This year was a stepping stone showing how much promise these Lady Hornets show. It's only a matter of time when the Lady Hornets will be on top again.

"Bound For Glory!"

Our goal is to get better every day.
— Coach Bill Conlee

Last year the Hornets finished their season with a substantial 12-13 record. Under the guidance and direction of new coach Bill Conlee, the team has high hopes for this season as well. Although this year is sure to be a rebuilding period because there are few returning players, the Hornets are confident that teamwork and dedication will help them reach the State Tournament. The team will rely a great deal on strong play from Vincent Addice, Pete Andela, Stanley Patino, and Matt Rogowski. With a vast amount of talent from all players, there is no doubt that the Hornets can reach their expectations for a successful season.

Captains Melissa Puzio, Michele Coral, Megan Corrado

Let’s Roll!

The 2002-2003 girls basketball team, led by senior captains Michele Coral, Megan Corrado, and Melissa Puzio, got off to a good start. While Michele Coral was out with a knee injury for a majority of the season, a hardworking group of seniors, juniors, and sophomores knew their work ethic and desire had to be second to none. Winning the first game of the season gave the girls confidence that carried into the Holiday Tournament. With wins over Wayne Hills and Parsippany the team won the tournament for the first time in seven years. Melissa Puzio was named MVP of the tournament. The team made it to the second round of the county tournament by beating a favored West Milford team in an exciting one-point victory. The idea of being better than the day before was evident in the girls’ attitudes and performances throughout the season.

Coach Bill Humes
The 2002-03 varsity boys' basketball team is in the beginning stages of a rebuilding process. The rigors of the Northern Hills Skyline Division make this process a difficult task. However, the players are working hard and are definitely making progress. Key contributors to the team are senior Anthony Balogh; juniors Stephen Tuohey and Kyle Kober; sophomores Brian Whetham, Chris Nagy, Sean Williams, Gerard Russomanno, and Robert Adams; and freshman Matt Coral and Bryant Rodriguez. The rebuilding process looks to be going in the right direction. For the second year in a row, the freshman team will finish above .500, even though Matt Coral and Bryant Rodriguez are up with the Varsity. Coach Walsh is already looking forward to the summer where the team will be playing in the Springfield Avenue, Newark playground league, as well as the West Orange summer league.
Bowling

The 2002-2003 Bowling team had a successful season. Senior captains Mike Costello, Kevin Frederick, and Dave Downing led PV to a very respectful second place finish in the Northern New Jersey Conference. Sophomore Victor Moschetta and freshman Keith Frederick contributed crucial victories that propelled Passaic Valley to their strong season. The Passaic Valley junior Varsity team won their conference led by Alex Valvis and Stanley Patiro. Coach Ariola added countless hours of support and dedication that helped contribute to the success of this year’s Bowling team.

Top Row: James Damiano, Mike Padula, Kevin Cox, Erin Wilk, Jesse Mizzone, J.D. Worrall, Kevin Polizotto, Joe Urchini, Stan Valvis. Middle Row: Joe Penna, Alex Delgado, Dennis Murray, Christina DeSimone, Cara Reposa, Zack DeLaPaz, Brad Ottino, Victor Tatro. Bottom Row: Mike Polizotto, Nick Worrall, Falin Milner, Kristina Cox, Kevin Vecchione. Dave Behlen.

The 2002-2003 Passaic Valley Indoor Track Team experienced a very successful season this year. Leading the team with outstanding performances were veteran captains J.D. Worrall, Kevin Polizotto, Jesse Mizzone, and Erin Wilk. Coach Mike Grant put the team through intense training at the beginning of the season, but it absolutely paid off. First team All-County honors was given to Mike Padula, Ali Didomenico, and Jesse Mizzone for their performances in the Passaic County Championships. Mike Padula won the 55-meter hurdles, setting his personal best. Ali Didomenico finished second in both the 55-meter dash and the 300-meter dash. Jesse Mizzone won the 1,000 meter run with a time that was the second fastest in Passaic County history. In the Northern Hills Conference Meet medal winners included Mike Padula, Ali Didomenico, and Jesse Mizzone. Also performing well were Cara Reposa in the 55-meter dash, Brad Ottino in the high jump, Kevin Polizotto in the 400 meter run, all placing eighth in their respective events. Jesse Mizzone won the Group 2 Meet in the 3200-meter run. Congratulations to the team on a memorable season.

“Band on the Run”
With new head coach Raymond Mead the Passaic Valley Ice Hockey team won more games in their 2002-2003 season than any other season. With the help of high scorers sophomores Nick Montemurro and Steven Molinari, incredible goaltending by senior Robert DeMaio, and great leadership by captains Robert Cargill, David Smith, and Anthony Gorga, the team had their first shot in the playoffs. The team also includes seniors Hygor Lopes, Daryl Paino, and Ryan Gaffney who showed amazing effort. In the future the ice hockey team will grow more then it has this year and be even more exciting to watch.

Hot Stuff

Hornet Wrestling started the season with high expectations. The team opened with a 3rd place finish at West Essex and a 5th place finish at Bloomfield. The team suffered some early injuries. Sophomore Frank Dugan was out for a month, but senior Vinny Varcadipane was out for the entire season. These injuries however challenged the Hornets to grow as a team and to fight through the adversity. The team started off 5 and 5 and continued on to a five game winning streak, which allowed them to qualify for the State Sectionals. The Hornets remained hot by placing 2nd in the Passaic County Tournament and captured the District 13 Championship with a team score of 129. Steve Kildow came alive in the second half of the season coming in 3rd place at the Counties, 2nd at the Districts and 4th in the Regionals. Captains Ken Stiles completed in the State Tournament after placing second in the regions. Brian Baez placed first in the Passaic County Tournament. Also contributing were Nick Katsanos, 3rd place, and Rich Greco, Rich Deleo, and John Urchak with 4th place finishes. Next year the Hornet wrestling team should keep its winning reputation. The team only loses three seniors, and standout JV wrestlers will help fill in the Hornets lineup.

At the start of the season, the Passaic Valley baseball team is making great strides. With a current record of 2-0, the baseball team is on its way to a great season. The Hornet team beat Dwight Morrow with a score of 15-3, and defeated Millburn with a score of 4-2 with Brandon Schreck as the pitcher. Junior Nick Varcadipane is 4 for 6 with three doubles, one homerun, and 5 RBI's. Senior Captain Jimmy Morrison is .1 for 5 with one double and one homerun. Gerard Russomanno made the game-winning hit vs. Millburn. Head coach John Mazzo hopes that the rest of the season will bring forth the amount of success as the first two games of the season have. With a seven-person coaching staff, Mr. Mazzo feels that his team is ready for anything. Good luck to the Passaic Valley Baseball team in their 2003 season.
Softball

by: Robbie Dupree

The 2003 Softball Team's co-captains, Melissa Bifulco and Heather Camb, are leading their Lady Hornets to another great season. The team's pitchers Heather Camb, Lori McCluskey, and Krista Burke hope to dominate the mound throwing only strikes while feeding the ball to catcher, Melissa Bifulco and Jess Bianco. While the strong infielders, Tanya Hrehovik, Kristen Iannelli, Bridgette Stephan, Gen Hale, and Jackie Salomone, work together to get every base runner out and make sure no hits get past them. Amaris Bierach, Lisa Alfano, Jeff Bianco, Kelly Szewczyk, and Meredith McNeill guard the outfield. The girls as well as the coaches are very optimistic this year, hoping to end the season as the State Champs of 2003!
The 2003 Track and Field team started its season on a great note and is currently 2-2. They had impressive victories against Millburn and West Side. The team is taking a step in the right direction and has high expectations for the 2004 team according to Head Coach Mike Grant.

The 2003 Girl’s team started its season with a great determination and a winning style. They are currently 4-0 with major victories over Millburn, West Side, Mount Saint Dominic and Lakeland. The team yet again seems ready to dominate the Northern Hills Conference. With Coach Rory Fitzgerald in control they’re bound to be headed once again to a successful season.

World Champ Tennis

At the start of the 2003 Boys’ Tennis season, the team is rapidly progressing towards another successful season. The team is currently 1-1 in the regular season; however, they decisively won a scrimmage against Cedar Grove with the score of 5-0. In a close match, the team won over Belleville with a score of 3-2. The team suffered a heart-breaking loss against Bergenfield where the Hornets fell 2-3. Senior Steve Ristevski expects wins over Westside and yet another win over Belleville for the remainder of the season. The team expects nail-biting matches against Wayne Valley, West Milford and Lakeland. The Hornets have set their goals high. The boys hope to win the County Tournament and move on to the State Tournament for the second straight season. Under the guidance of many seniors and Coach Rich Porfido, the Passaic Valley Boys’ Tennis team surely has a promising season in their future.
This year the Girls' Tennis team had a great season with Coach Anthony Vancheri. Senior captain, Johanna Hoyos, led the tennis team to a 6-12 record. Junior contributors to this record are: Paulina Veskov, Amanda Makoujy, Valery Vera, Marisa Burghardt, and Laura Boscarino. Underclassmen contributors are: Vicky Stonebridge, Kristina Koprivica, Michelle Postorino, Danielle Massaro, Alyssa Rillo, Helen Repas, Samantha Shearn, and Katie Scheck. After a great season both Johanna Hoyos and Paulina Veskov received Honorable Mention Passaic County and Honorable Mention Northern Hills Conference.

That this group would somehow form a family
That's the way we all became the PV bunch!
The First Time I Ever . . .
Saw Your Face...
To the Class of 2003

“United We Stand” has become our country’s motto since the tragedy of September 11. The students of Passaic Valley truly stood together. While trying to make sense of such chaos and confusion, you had the courage to express sorrow for the pain and suffering of others and to give of yourselves to bring comfort and support; each effort, individual and collaborative, made a difference in the lives of those in need.

The actions of the class of 2003 were not unexpected. Since we met all of you in your freshman year, we were struck by your camaraderie. We watched individuals from various places, with unique backgrounds and life experiences UNITE — to raise funds, to enjoy social gatherings, and to participate in building a strong school community. These activities, though seemingly small in the grand scheme of things, prepared you for the world outside PV, a world which has already tested your strength, your integrity, and your capacity for compassion.

As you venture into that world, we hope that your strength, as well as the lessons learned through your solidarity, will sustain you through life’s obstacles; however, when challenges seem insurmountable, remember that every effort, no matter how small, can indeed make a difference. Your class made a difference in the wake of September 11 and in the history of Passaic Valley High School.

Continue to accept each other’s differences. Share your warmth, your enthusiasm, and the spirit of cooperation that you have shown us. Class of 2003 — United by history and by memories, stand tall and proud.

We wish you peace,
Mrs. Dellanno and Mrs. Mulcahy

Corinny,

It was obvious from the day that you were born that God wanted to give the world someone special. What a joy and honor it has been to watch you become the beautiful person that you are. As you take the next step in your life, embrace life and all that it has to offer, love and be happy. Just remember that in our hearts you will remain forever young. Hollywood is waiting. Kristine DelRosso

Dear Ryan,

Four short years ago, as you walked through the door of PV, you were the “little sister” of a big senior. We knew that it was only going to be long for you to make your own way. Ever since you were a little girl, you knew your own mind and followed your own heart. These are qualities that have remained true to you. You have set standards for yourself that have guided you and have helped to mold you into the beautiful, sensitive young lady that you have become. You are strong, but with a kind and loving spirit. You have earned the respect and admiration of your friends, and with true friendships you will never feel alone. You have had your share of disappointments, but you found the strength to rise above them and come out stronger because of them. Kristine, we are so proud of you and all that you have achieved. The world awakes and we are so excited to see all that is about to unfold before you. We wish you a life filled with much love and happiness. Keep flaunting that beautiful smile and the world is sure to smile back at you!

All our love always, Mom and Dad

Jalilene Dolan

To Jalilene,

It is with mixed emotion that I open my arms, not to embrace you anymore. It is one of the most difficult things for a mother to do ... to watch the child that she has borne and nurtured for 18 years go off into the world. One part of my heart swells as I hold back tears of sadness at my loss, while another part of my heart beats with anticipation and a sense of wonder as I watch you get ready to build your wonderful future. I wish you only days filled with joy and discovery as you leave my nest and begin to build your own.

With all my Heart, Mom

Dear Jalise,

It seems so long ago that you were that precious little princess. Over the years, as I’ve watched you grow, I have had the joy of witnessing you grow into a beautiful young woman that you are today. I love you very much.

Love, John

David Downing

Ryan Gaffney

Dear Ryan,

What terrible ride. We wouldn’t change anything about you over the last 18 years. Through it all we have enjoyed all the cheers and all the tears. Whether we watched you from the sidelines, the bleachers, or behind the backstop, we’re so proud of how you handled yourself as a competitor and a gentleman. Being told by your teachers, coaches and teammates what a gentleman and competitor you are is the formula that will carry you through life. Always keep in mind that you never achieve all of your dreams, but you’ll never achieve anything if you don’t dream. Dream Ry, Ry.

Love always, Mom, Dad & Derek.

Christine,

Daniela Italo

Dear Daniela,

Feb 5, 1985 is the most precious and beautiful gift that God gives a mother. I have been privileged in having you as my daughter. Daniela, you have grown up to be loving, honest, caring, courteous and trustworthy in your relationships with family members and friends. I thank God for having placed you in my care. It has been wonderful to witness those important milestones in your life. I especially remember your excitement and sense of accomplishment when you took your first steps. Those first steps lasted approximately five hours that day.

Letters From Home
There have been many other momentous times during your "growing up" years. These have been your achievements in music, dance, and sports. It has been fascinating and so wonderful for me to watch you develop into a well-rounded young lady in the process of cultivating your interests, skills, and being proud of your academic achievements. I have admired your love of animals, especially your dedication and perseverence in your work and your service during the summer you spent at a volunteer at the Garrett Mountain Equestrian Center. For the last three years it has been a marvel to me and exciting to see you perform for competitions, at football games and in parades in the Passaic Valley Marching Band. Also, most recently, I have been especially happy for you when you decided to play your French Horn in our church's Lighthouse Orchestra. It has been and is the desire and love that you have in learning many things such as a new instrument, a new sport, or in acquiring knowledge on a subject of interest that will undoubtedly continue to increase your intellectual, physical, and spiritual growth. As you leave Passaic Valley High School, I pray that God will continue to guide you to become the person He wants you to be. May He richly bless you as you pursue your interests in college for a successful and happy future. Congratulations! All my love and affection, Mom

Lauren Rice

Laurens — The phrase ‘A Hornet Born, A Hornet bred’ seems so appropriate. You’ve grown up hearing stories of P.V. and watched as your sisters enjoyed their years here, and now your turn. You’ve made so much of your time here, carving your own little niche, setting your goals high and ultimately achieving them.

You’ve accomplished all that you have on your own merit, with integrity and confidence, never losing sight of what’s really important in life. You’re living proof that ‘good guys’ can win. You’ve made us all so very proud, not only because of your many achievements, but because of the woman you’ve become. Your great sense of humor and compassion for others have touched many people at P.V. graduate. You are leaving with memories that will last a lifetime. Thank you for letting us share these times with you, through the happy times and even the sad, we have always felt so lucky to be there with you. We wish for you all the love and happiness that life has to offer. May God bless you and watch over you all the days of your life. Remember that we will be here for you and love you always and forever.

Dear Alissa,

It is so hard to believe that you are graduating from high school. You are our baby!! We are so proud of the young woman that you have become.

From the beginning you were cuddly and lovable and as you grew you showed compassion and strength and always a smile. You have given us so many happy times and endless memories.

As mom, you know that there is a twinge of sadness to let go of some things we shared and enjoyed so much such as cheersing and Girls Show. While dad was always proud to see you do so well and enjoy these things, he will not miss the green glitter etc. scattered around ... but he is happy to know that you are making the right choices in life.

Love, Mom

As mom, you have grown and blossomed into a confident, compassionate and beautiful young woman who is ready to take on life’s challenges.

How fast the years have gone by. I can still remember your first day of preschool and now you are a graduating senior, soon to be off to college. Much has happened during these years, and despite it you have worked extremely hard to get where you are now. & Class of

2003
Dear Kim,

It was tough enough handling your sister graduating and now here I am writing to my other little girl. It truly is hard for me to believe that you are graduating high school. You are so special in your own way and, yes, very special to me. Your independence and your persistence have been traits of yours throughout your life and they have brought you many successes and accomplishments. If ever you felt that I was being distant it was not from any lack of caring but from a greater love to be able to see my little girl achieve so much on her own. As a Dad it feels good to have that comfort inside that my little girl is going to make it in this world and that no one better mess with her. Of course, it’s been these same traits of yours that have given me the gray hairs that I have. No doubt, there’s been times that I’ve messed up, when I should have handled things differently. I apologize for those times. But no matter what, they were always driven by the love and concern that I have for you. Honey, I know how special it is for you to be graduating and I want you to know how proud I am of you and have always been. I know that you will reach your dreams. Just remember that I love you so very very much and that I will always be there for you. I’ll be there in the shadows with my arms open for you. Congratulations on your graduation. I wish you happiness, peace and good fortune every day of your life.

Love,

Dad

Kim,

Congratulations at this very special time of your life.
You have made us proud over the years.
Good luck in all that you do.
May your every dream come true and your every wish be granted.
Remember we will always be here for you.
Happiness and peace always.

We Love You,
Dad, Mom and Steph

To all of you from the Class of 2003 that have graced our home over the years (and you know who you are),
Thank you for the laughs that you brought into my life and the good times that we all enjoyed.

BEST FRIENDS

It took us three years.  
Now we’re finally friends. 
High school is over, 
But our friendship won’t end.

We have so much in common, 
Sisters at heart. 
Two very special people, 
Right from the start.

Although we are graduating, 
We’ll always keep in touch. 
Best friends are forever, 
And forever means so much! 

Lauren-

LOVE

It seems like yesterday, 
As freshmen we met. 
A day we’ll cherish, 
And never forget.

We were two individuals, 
Very different to start. 
But love pulled us together, 
Now we’ll never be apart.

Three years have passed, 
We’re still best friends. 
The memories and happiness, 
Will never end.

To the class of 2003, 
Graduation is here. 
Best of luck to all, 
It’s been a great four years! 

Lauren-

BEST WISHES CLASS OF 2003!
Dear Kevin,

It only seems like a week has passed between taking these two pictures, but it seems like a century has passed watching you mature with all of your accomplishments. At one point you were in Cub Scouts competing in the Pinewood Derby with no cares in the world, and next you were out earning three Varsity letters in soccer, indoor track and outdoor track while getting good grades and preparing yourself for college.

Sports were always very important to you and you always gave 100%. Teamwork was always on the top of your list. Throughout the years we loved watching you play in the Rec. soccer, basketball and baseball leagues, and also your four years of CYO basketball, your “Lightning” and Jr. Hornets soccer, and the traveling baseball. You left us with a lot of great memories in watching you play your heart out.

Sports and teamwork were not the only things that helped you to grow, but politics in sports, something that you learned at an early age, also helped you mature. This gave you an understanding of people and what you would have to endure throughout your life.

Your love and respect for your family and elders have helped build character in you. You have always kept God strong in heart and in everything you do. Kristina will definitely miss your presence in school, but she knows her big brother will always be there for her. We know you will never change from the person you are and we can only look forward to what you will become.

Kevin, we are so very proud of you and love you very much.

Love,

Mom, Dad, Brian, Kristina & Kip

Carissa,
You were six months old and full of fun.
With a blink of our eyes, you were suddenly one.
There were so many things we were going to do,
But we turned our heads and you turned two.
At two you were very dependent on me,
But independence took over when you turned three.
Your third birthday, another year I tried to ignore,
But when I lit the candles there weren't three but four.
Four was the year that you really strived.
Why, look at you now, you're already five.
Now you are ready for books and for rules.
This is the year you go to school.
The big day came, you were anxious to go.
We walked to school going oh, so slow.
As you waved goodbye,
I felt a lump in my throat and tears stung my eyes.
Time goes so fast, it's hard to believe.
That just yesterday you were home here with me.
These precious moments will live in our hearts,
Whether we're close or far apart.
You have made us so proud of you, Dare to dream.
