VALLEY GREEN
CLASS OF 2006

The hallways we walked, the people we saw each day, the friends we made, the games we played, the long hours of work, the parking spot we waited to get, and so many more memories have brought us here today!

As we move forward in our lives, we can leave Passaic Valley and these past 4 years as confident graduates, and feel proud that we are a part of the "Shades of Green"!

SHADES of GREEN

This book is dedicated to

Mrs. Carol Schatel

For many years Mrs. Carol Schatel has been devoted to teaching both English and Foreign Language at Passaic Valley. Mrs. Schatel has touched and guided each of her students in a special way and there is no doubt we will miss having her as our advisor.

As the sole advisor to the Class of 2006, Mrs. Carol Schatel has spent the past four years dedicated to the success of this year's graduating class. Therefore, it is only fitting that the 2006 yearbook be dedicated, with love, to Mrs. Carol Schatel.

Advisor to the Class of 2006

Dear Class of '06

As we leave Passaic Valley behind us, it is my fondest wish that each and every one of you realizes the promise and potential for success and for all that life has to offer. Your class will be my last class at Passaic Valley and I will certainly remember you for that fact. We are all going to begin a new chapter of our lives and I hope yours will bring happiness and satisfaction and recognition for the total effort you put into each and every day of your lives. My sincere congratulations for your high school graduation.

Best Wishes,
Carol Schatel

History of the Hornet

On September 16, 1940 Passaic Valley Regional High School officially opened its doors. Our "Green and White" tradition goes all the way back to the initial year of PV. However, the existence of the official Passaic Valley mascot has not been around since the beginning of our school. PV has been known as the Hornets from at least 1942 when the term first appeared in past yearbooks. However, there was no logo for our mascot. For years to come, a picture of a hornet appeared on the covers of yearbooks, but it wasn't the PV Hornet that we all know and love today.

This is the original PV Hornet logo created in 1953.

Our Hornet came to birth in 1953 when Passaic Valley held a schoolwide contest for a student to create the school's official mascot. Bob Matthews, a junior at the time, is the artist behind our coveted Passaic Valley Hornet. The original drawing of the Hornet resides in Dr. Joganow's office in all its glory. From that year on, the Hornet became the official emblem for our school. It can be seen almost everywhere one turns; on windows, walls, flags, and clothing. Passaic Valley is known for its fighting Hornet, a mascot that will forever be the symbol of our school.

TOP 5 THINGS TO DO AT A CLUB MEETING

FUNDRAISERS

Clubs are always coming up with new and innovative ways to raise money for their treasuries. Some clubs hold bake sales while others sell ribbons.

BRAINSTORM

Every club focuses on something different. Club meetings are the time to discuss what the club should get involved in and which activities would be best.

VOLUNTEER

Not only do clubs participate in school activities, they also reach out to the community. Volunteering is a great way for clubs to expand their influence while having fun!

FIELD TRIPS

Whether it's to a play, restaurant, or seminar field trips are a great way to pursue the club's interests outside of school.

HAVE FUN!

Clubs are a great place to meet new people and share common interests. The fundraisers, trips, and meetings are just an addition to the importance of joining clubs.

Meet New People

Whether you are a freshman or a senior, meeting new people is always a good idea.

Expand your Interests

Interested in science? Government? Makeup? Clubs are a great way to get involved in all the things you like.

Get To Know a Teacher

Most of us just know a teacher as an instructor, but they are so much more than that! Clubs are a great way to get to know a teacher on another level.

Time Away From School

Let's face it. We all would like to spend a little time away from school. Many clubs attend plays, conferences, and other field trips during school time.

You Get in the Yearbook!

We all are guilty of being slightly vain. Therefore, by joining a club you are guaranteed a picture in the yearbook. Say cheese!

Girls' Show 2006

You Ain't Seen Nothin' Yet

Green Chief Alison Stratthaus

President Ali Larson

White Chief Jamie Peters

Did you know, that as of 2006, Girls' Show will be celebrating its 60th anniversary? Beginning in 1941, the girls of Passaic Valley presented the first show to demonstrate the many activities in girls' sports. The program was divided into more categories than the current Cheer, Exercise, Dance, Relays, Novelties, and Posters. The early program included: Entrances, Songs & Cheers, Stunts, Tumbling, & Pyramids, Basketball, Recreational Games, Tug of War, History of American Dance, and a Finale. In the very first Girls' Show, points were awarded to the two competing groups, the Greens and the Whites. That night, the Greens made history as the first team to win Girls' Show.

BOARD OF EDUCATION

The Passaic Valley Board of Education - seated l-r: Vice President Mr. William Depsee, President Mrs. Laura van Winkle, Mr. Paul Gerber; standing l-r: Mr. Joseph Appio, Mr. Carlo Spinella, Dr. Viktor J. Dr. Viktor J. Joganow
Superintendent

Mr. John Wallace
Principal

Dear Members of the Class of 2006:

The *Class of 2006* will be remembered for many things...most notably, the expression of its compassion for the victims of *Hurricane Katrina*. This *class* displayed considerable leadership as it spearheaded the relief efforts for their fellow citizens in the Louisiana area. The "*spirit of the green and white*" has remained constant even as the district has changed over the years.

As a regional high school, we are accustomed to bringing students together from three different communities. However, in recent years, we have experienced the influx of students from virtually every state in the union and numerous international locations. In spite of these demographic shifts, Passaic Valley students have remained a caring group of individuals who have always extended a *helping hand* to those less fortunate.

The *Class of 2006* will also be remembered in the academic arena where it posted significant gains in the HSPA and SAT administrations. Regardless of the performance indicators, this group of students will long be remembered as a special class of individuals who established their legacy at Passaic Valley and who will have a positive influence on our society in the near future.

Remember the Pride in the "Green and White!"

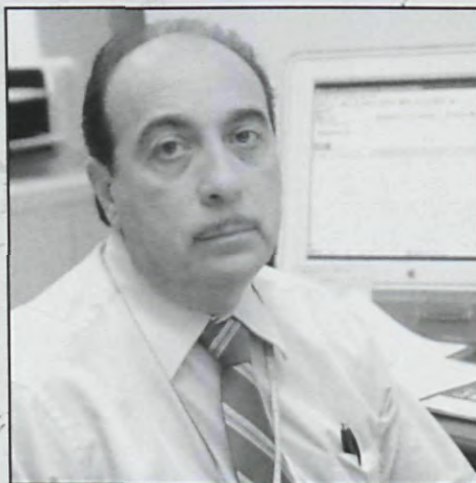

Respectfully,

Viktor J. Joganow, Ed.D.

These are the moments we will remember as another milestone in our lives. We created the "Shades of Green" throughout the different activities we did and the different places we came from. We have now grown together into one graduating class and we are to leave this place and go our separate ways. As we graduate from PV, we take with us this book, which captures our memories of the four years we have spent here. We will always remember PV in some "shade" or another. Together we are all the Class of 2006!

Your graduation brings back happy memories from the day you were born. It was love at first sight and it was then that I started calling you "My Sweet Prince." When you were a little boy I can remember the good times we had playing kickball, Trouble, and other games. As you got older I was grateful to be able to watch you play indoor soccer, basketball, football, and most important to me, your baseball games, since I'm a devoted Yankee fan. I watched you grow to be a terrific young man with wonderful traits and abilities. Above all you're a perfect grandson who has always shown me lots of love and respect. I treasure the times we spend together. Adam, always remember I'm very proud of you and I love you very much. I wish you the best of luck in college and all other endeavors that you take in life. You will always be "My Sweet Prince!" Grammy

Adam, better and smarter men than me have tried to express their thoughts and failed. From the time you were a little boy I had a feeling you were a winner, and now as a young man graduating from high school and about to enter college I know my feelings were right. Knowing you as I do, I am certain you are going to be successful in whatever path in life you choose. Your namesake, Mardiros

Dear Samantha, W.O.W. I can't believe that it's this time in your life already. Where has time gone? Better yet, where is my baby? You have grown into such a beautiful young lady, whom I'm very proud of. From the time you were born until now, there have been so many changes. When you were young you needed me so much. Then, as you got older you needed me in a different way. We started spending so much time together. Driving in and out of the city almost everyday, and spending so many weekends together. We had become inseparables. We had become "best friends." Now, today you are so busy with school, work, friends, and getting ready for the rest of your life. But yet, we are the "best of friends." You tell me everything, even things a mom shouldn't know, but I love that in you, you trust me and that's important. I am so proud of you (can't express that enough). I know that what ever you choose in life, you will do well, you always do. I LOVE YOU SO MUCH. Love, Your Favorite Mommie

Letters from Home

Dear Samantha, I am so proud of you. I can't believe you are graduating. Time has gone by so fast. I know that you will succeed in life. You are beautiful and intelligent. Good luck in whatever path you choose. Love, Your Favorite Father

Sam, I can't believe that your time has come to graduate. I am so proud of you. I can't wait to see what you do next. I really hope you enjoyed high school for what it is and not for what some people can make it. Also, I hope you're walking away with most of what you've learned, because not all of it's useless. I was very fortunate to have shared three years of high school with you. I hope you get where you are going and reach your goals along the way.
Love you with all my heart, Daniel Sachser

Dear Samantha - It's so hard to believe you are already going to graduate high school. It seems like yesterday you were just a baby. You've grown into a beautiful woman that I am so proud of. I know you will succeed at anything you choose to do! You have so much talent! Poppy is watching over what ever you do, so dream big, and go for it! Love always, Grandma

Dear Samantha - Where has the time gone? It was just yesterday we sat in the kitchen smoking cigars, toasting champagne, and celebrating your arrival, and now you are graduating high school. (How could this be, "I" just graduated high school). From the time you were a baby to the little girl I watched grow and dance on the stage at Lincoln Center you have made me so proud! You brought tears to my eyes every time I watched you dance! I am so very proud of the beautiful young woman you have become. And you make me proud to be your aunt. If I had a daughter I would pray she would be just like you! I know you will succeed at anything you choose to do in life if you put your mind to it! Develop the qualities I have already seen and I am sure success will follow! I wish for you, "ALL" that you wish for yourself! Don't ever be afraid to dream big, live life to it's fullest, and always reach for the stars! God Bless you and all you choose to do in life!
With love and admiration, Aunt Laurie

As Thoreau said, Go confidently in the direction of your dreams and know all things are possible through hard work and determination. We are so proud of all that you have accomplished with the PV Marching Band, Jazz Band, Concert Band, and Varsity fencing team. The PV fencing team exists because you wanted it, you were determined to start it, and you helped achieve it. It's a wonderful example of how you can turn a dream into a reality. This is your legacy to Passaic Valley High School. We hope your college years ahead of you will be even more rewarding. Love, Mom and Dad

Anthony Murphy:
To our son, Anthony Murphy, Wasn't it just yesterday you were a freshman, lost in the halls of Passaic Valley, and here we are today, four very fast years later, graduating a confident young man, ready to take on the next challenges in life. We are so very proud of you, and will cherish the memories of exciting football games with cowbells a-ringing and the hard-hitting, glass-banging hockey moments that have made PV so special for all of us. We wish you happiness, health, and continued success in all that you do. No parents ever had a more wonderful son, and we are thankful to call you OURS. Love you, Mom and Dad

Dennis Murray:
Dear DJ, It's hard to believe that you have come to the first crossroads of your life! As you leave for college and the next phase of your journey, we want you to know that we love you, we are very proud of you and we will always be there for you. Love Mom, Dad, Shaun, and Kevin

Dear Jamie,

"It's a girl!!" How those three small words that we heard nearly 18 years ago changed our lives forever. And now, all of a sudden, we find ourselves where we are today—watching you graduate from high school. When did you go from that adorably engaging little girl with blond hair styled in what we laughingly referred to as a "punk-a-doo" to a poised, beautiful young adult?

We thought that watching you walk with such determination up that path to kindergarten was hard—it was nothing compared to the feelings we get as we watch you grab your keys, hop into your car, and drive away...when did you trade in your first "cozy coupe" for a real car?

It's so difficult to put into words how proud we are of you—the numerous awards you've won throughout your years at school in Totowa and now PV; watching you play softball, cheering for football, coaching "your girls" at the PAL, in Girls' Show, and as White Chief this past year—and always giving each thing everything you had.

You're a born leader, a role model, and a young woman who has made her family and school proud of her. You've learned that it's not easy to be "the leader", but you've always conducted yourself with dignity and respect for others, while never losing sight of what's fair and right. Those qualities, along with your intelligence, will carry you far in life. But no matter where they do carry you, always remember that we're behind you, we love you, and we're so proud of you.

Thank you for being you.

We love you forever and for always—

Dear Windy,

Time has gone by so fast and look at you now. You are all grown up and on your way to college. In life, there will be books on how to be a good parent, a good cook, and how to be a good spouse. However, all of these books put together cannot replace the life experiences you are about to encounter. Just when you think you know it all, life reminds you that you are still learning everyday and will be for the rest of your life. Always look to your family for support if you need it. Lou and I will always be there for you. You are a wonderful sister and friend. Grab life by the horns and take it as far as it will take you!!! Follow your dreams and you will never regret it!!

We love you,
Louis and Neener.

Sam,

In the book of life, the answers aren't in the back. - Charlie Brown

To imagine is everything, to know is nothing at all. - Albert Einstein

Don't let your schooling get in the way of your education, - Mark Twain

Screws fall out all the time, the world is an imperfect place. - The Breakfast Club

If you can't laugh at yourself, life's gonna seem a whole lot longer
than you like. - Garden State

and of course

Life moves pretty fast. If you don't stop and look around once and awhile
you might just miss it, - Ferris Bueller

Congratulations!

We Love You,

Mom, Dad and Jonathan

To Jacquelyn and Carolyn,

We thought the best day in our life was the day the doctor told us we were expecting TWINS ~ then you were born ~ that was the happiest day ever! Nothing could compare to this joy. Two perfect little daughters! Our life took on new meaning.

Being your parents is a gift from God, and He could not have given us a better present! The past eighteen years has been filled with all kinds of emotions. We've been through it all, and we would not change one thing!

Jacquelyn and Carolyn, you two are the best daughters a parent could ever have. Your beauty, smiles, laughter, honesty, and compassion are what make you so special.

As you end this chapter in your life and begin another, remember all the great times you two had together. Remember all the dance classes, birthdays at the Hilton, cheerleading, snowboarding and driving. Look forward to all the new memories that are coming your way.

You are now entering the best phase in your life ~ adulthood! As you go off to college, and spread your wings, set your goals high. You can do anything you put your minds to. This world has so much to offer you both, so many opportunities. Don't hold back ~ reach for the stars!

We will always be there for you with open arms! Whatever decisions in life you make, we will support you. We are so very proud to call you our daughters. We wish you all the happiness and much success in your future! We are so excited to be able to share in your life!

So it was true, the day you were born was the best day ever ~ because of you our life became complete. We are doubly blessed!!

Congratulations and Happiness!!

With all our love,

Your Mom and Dad
