Board Of Education

Dear Members of the Class of 2008:

The world has changed significantly in just the last few years since your arrival at Passaic Valley as ninth graders in September of 2004. The demographic and cultural shifts in our society are requiring us to be more internationally oriented in an effort to compete globally. Currently, India is the largest English-speaking country in the world, soon to be replaced by China. In essence the competition you will face in the future will come from all corners of the world. The economic shifting sands necessitate that our citizens be more flexible, adaptable and more willing to accept change. The United States Department of Labor estimates that members of your class will have 10 to 14 jobs by the time they are 38 years of age. Technological innovations have greatly modified the world of work as we have come to know it and those who are more adaptable will succeed in the future. We trust that you have taken advantage of the opportunities provided for you at PV as we attempted to facilitate your continued growth as a contributing member of society. The academic knowledge you acquired at PV, coupled with the all important soft or people skills have provided you with a solid foundation as you open a new chapter in your life. On behalf of the Board of Education, administration, faculty and staff, please allow me to congratulate all of the members of the Class of 2008 and wish you health, happiness and continued success.

Remember the Pride in the Green and White!

Respectfully,

Viktor J. Joganow, Ed.D.

Student Senate Representatives:
Mary Kane, Richard Dellanno, Young Jin Park.

RETIREES

"There will be a large hole, not only in the Special Education Department, but in all of Passaic Valley High School when Ms. Corsini retires this year. During her long tenure at Passaic Valley she has put in countless time to help not only students but also her peers.

Ms. Corsini is truly a renaissance woman. Her knowledge of her teaching subjects, art, and computers, far surpass many of us. And she freely and pleasantly dispenses this knowledge when needed to everyone.

Ms. Corsini will be missed, but we are all wishing many years of a happy retirement."

-Ms. Agosta

Ms. Laurel Corsini

Mr. Ron Terzuole

"Mr. Terzuole is one of the friendliest, caring and unselfish people I have ever worked with. One of Mr. Terzuole's most memorable moments were the Powder Puff games every year with the proceeds benefitting needy, terminally ill children at Christmas. I'm going to miss his early morning greetings, especially him making my coffee every morning."

To Our Ashley,

Eddie has a sister! That's what the doctor said the moment you were born. Everyday since then has been filled with joy. We've watched you grow from infancy to a toddler with big dark curls, a raspy voice and a beautiful crooked smile. We watched you dance on the stage at age 2 1/2 as Miss Brazil with the same dark curls and crooked smile. We watched you dance for ten exciting years, and we've enjoyed every game you cheered for. And then we watched with great pride as you recieved your diploma at your 8th grade graduation, with those same curls and crooked smile. As you entered High School we watched you grow into a young lady with a terrific academic record. We watched as you and your friends laughed, loved and learned life lessons. And yes, we watched as you drove away the day of your 17th birthday! We watched in amazement as you took the floor every year with the amazing White Exercise team. And we watched your dream come true, "White Chief 2008!"

Through the years we've watched our beautiful baby girl grow into a beautiful young lady, some days with those dark curls and some days with straight dark hair, but always with that signature crooked smile. We are so proud, so full of love, and so thankful. We wish you all the great things this world has to offer. Always stay that happy, wonderful person you are! May God keep you safe, healthy, and happy, and help guide you in your future. We'll be watching every step of that future.
