

**PASSAIC
VALLEY**
Hornets

Do you remember that time we couldn't stop laughing... Was it at the football game freshman year... Or maybe it was at Girls Show practice... How about all the inside jokes from the plays and the concerts... What about those exciting club meetings after school... Do you remember what happened that time on the lunch line when we were sophomores... The Green Army was so loud and crazy at all the games they went to... We had so much fun together at the junior cotillion when our favorite song came on, remember... Well if you don't I...

Had To Be There**

Ms. Luchejko

Mr. Wojcik

To the Class of 2010,
Congratulations! All of you should be proud of making it through the last four years. Remember your time at PV and look back at those years fondly and with great joy. You are about to encounter a new part of your life and we hope that you use the lessons PV has taught you to be as successful as we know you can be. There have been so many good things we could talk about: the most popular Freshman Formal ever, Smencils, or even those gosh darn cookie orders, but remember this, it was a pleasure to work with all of you. We enjoyed the opportunity to get to know each of you. Good luck and keep those memories close. Sometimes the world will seem unkind, but know that we are always there to help.

With great pride and joy,
Mr. Wojcik and Ms. Luchejko

To Cut or Not to Cut

A big trend this year was for girls to chop off all their hair. Giselle Prego, however, chose to keep her long locks. After a traumatizing haircut in 2nd grade she hasn't had short hair since. She loves to run her fingers through her hair & will not be sporting a bob anytime soon. If you saw Petra Ayoub last year you would have seen hair that reached halfway down her back. Now it lays above her ears. Petra explained "I cut my hair because I just felt like I needed something new in my life. I was too attached to my hair and I just wanted it off."

Rings may be the most underrated piece of jewelry, but stores like Forever21 have made rings more popular with affordable, distinctive styles.

People wear bracelets like they are attached to their bodies. Homemade friendship bracelets, bangles, cuffs, and leather bracelets look great either piled on or worn alone.

What goes around

Some of this year's most popular looks drew inspiration from the fashions of up to fifty years ago. For girls, hippie styled clothing made a comeback this year in almost every way, shape, and form. Peace signs, tie-dye, and flowy frocks filled up both department stores and privately owned boutiques. Designers like Lucky Brand revived patchwork purses, crocheted vests, peasant tops, and ethnic prints. For guys, however, a trend from the nineties was more popular. Plaid flannel button-down shirts became a staple in a lot of boys' closets. Stores like Urban Outfitters made the grunge movement of the nineties current and easily accessible for 2010.

Comes around

teachertrends

Mr. Francisco and Mr. Deeney bring the standard shirt and tie to a new level. A white collar, which compliments white pinstripes, pairs perfectly with a bold tie, and patterns are a fun way to add individuality to an otherwise stuffy outfit.

wakeupcall

Every morning it hits you like a sack of bricks. The question of "What should I wear today?" looms as you get out of bed, brush your teeth, and do your hair. You look in your closet, full of clothes, pull open your drawers, also full of clothes, and still can't make a decision. Time is running out, so you just throw on anything. This daily decision, although highly inconvenient on some days, allows students to express their individuality and personality. The proposition of uniforms offers the possibility to sleep an extra ten minutes, but it also deducts from the amount of uniqueness in our school. Clothes are a means to express style. The cost and designer of clothes are irrelevant; clothes are a visual representation of someone's personality and style.

If the shoe fits...

Shoes have grown from sensible footwear to the focal point of an outfit. Wherever you look this year you are bound to find a girl wearing boots; tall, short, flat, and high heeled are all frequently worn styles. Guys can be seen wearing brightly colored sneakers made from unique materials such as patent leather or sleek monocolored kicks with features such as velcro straps.

Dear Members of the Class of 2010:

"Man's mind once stretched by a new idea, never regains its original dimension." ~Oliver Wendell Holmes

Passaic Valley Regional High School has been stretching young minds for 70 years and preparing its students for life's experiences. The school is truly a microcosm of our society complete with challenges and opportunities to become valuable and productive citizens. PV alumni have been recognized for achieving success in the creative arts, education, medicine, law and in the corporate world.

Your generation has been exposed to many assessments that previous students have not had to experience. The high-stakes testing, which has resulted in a true exit or graduation examination was never part of the equation for those who preceded you at Passaic Valley. This class has performed exceptionally well on these assessments in preparation for pursuing their education beyond the secondary level.

The greater majority of you have taken full advantage of the academic and co-curricular opportunities that were afforded you during your tenure at our school. In addition to your scholastic responsibilities, many of you were successful athletes, artists, dancers, musicians, singers, theatrical performers, cheerleaders, club participants and community volunteers. All of those experiences have added value to your four years and combined with your academic achievements have prepared you to succeed in the next chapter of your life.

On behalf of the Board of Education and Administration, I wish you the very best in all of your future efforts and remind you to maintain your Hornet Pride.

Respectfully,

Viktor J. Joganow, Ed.D.

Letters From Home

Alexa Arrabito:

Dearest Alexa,

Today your life holds for you endless possibilities. You have built a solid foundation, and you have worked hard for it. Continue to do what is necessary to move forward one day at a time. Keep sight always of what is important in life. Make each day as satisfying and joyful as you can. Remember that you need only three ingredients for a happy life: a place to call home, persons to love, and always something to look forward to.

May your future be filled with much love and many, many blessings.

Thank you for being a beautiful grace in my life, a blessing I give thanks for every day.

Congratulations... I am so proud of you!

I love you with all my heart,

Mimi

Michelle Barilari:

Congratulations on your graduation from P.V. We are very proud of you. You've had a great four years and may you hold onto the memories forever. May you follow your dreams where ever they may take you.

We love you,

Mom and Dad.

Veronica Barone:

It's hard to believe that our baby is old enough to go to college. For the past 17 years, you have demonstrated maturity, determination, and dedication in everything you have attempted and done. You have always set your goals high and we are so proud of all you have accomplished. You have worked hard for all your accomplishments, and have never let anything stand in your way no matter how much you took on. We know that with your determination and drive, you will continue to follow your dreams in everything you do. Stay focused on your goals and with your determination, you will continue to make not only us, but yourself very proud of all you do. We love you and are so proud of the caring, loving, and devoted daughter and sister you are. You are a very special young lady who brings such joy and happiness to those around you. Our wish for you as you travel through life is to enjoy the journey and that your future is as rewarding and rich as you have made our lives. We love you always and forever. May God bless you.

Love, Mom, Dad, Amanda, and Mark.

Dylan W. Behlen:

Wasn't it just yesterday you were giving us that Popeye smile of yours? Well, never stop smiling, Dylan. You are blessed and will continue to grow into a special person. Life is full of wonderful opportunities and we look forward to seeing how it unfolds for you. No matter where life takes you, we will love you forever and be there for you. Love, Mom and Dad

Gianna Botti:

"A thing of beauty is a joy forever" because "Love is the fountain of youth and eternity." I am so proud of what you have accomplished and who you have become. You are everything I wished I could be. Always remember: If you get the chance to sit it out or dance, DANCE.

Love, Mom.

Catherine Bukalo:

Dear Catie,

It seems like yesterday, when you went off to Magic Years, kindergarten, middle school and to sleep away camp at Oselia. Each time, we held your hand and when you let go, you smiled and were always ready to take on the new adventure in your life. You always enjoyed each and every adventure with confidence!

Reach for the stars and set your goals high! We know you're capable of achieving great things and making a difference in the world. It seems like only yesterday when we saw your first baby steps. Now, we are witness to another first, graduating high school and going off to college.

From a cute, curly haired little girl; you've turned into a beautiful, confident young woman that we are very proud of. Always know that whatever you do, we will always be your biggest fans and will always be there for you with our arms open wide to congratulate or comfort you.

We helped you start the foundation for your life, now it's up to you to build on it. We love you very much and are very proud of you!

Congratulations Angel Girl!

All our love,

Tato & Mama

Jaclyn Williams:

Congratulations Jaclyn, not a day has passed that I have not been proud of you. You have worked hard on your studies and have had some fun while at PV and I am confident that you will do well in the future. I have enjoyed the years of field hockey and lacrosse but have been impressed with the way you balance it with your demanding workload- The next four years will be a breeze for you- love always Dad

Dear Jaclyn,

I cannot begin to tell you how proud I am of you! You were selected for the PV and Italian Honor Societies while playing varsity Field Hockey and Lacrosse.

You were involved in Heroes and Cool Kids and achieved the Superintendents' List every marking period. You constantly challenged yourself academically, even over my advice. You proved you could do it. Over the last 4 years you have blossomed into a beautiful, intelligent, mature, thoughtful, caring young woman.

You always had my love. You earned my respect. Congratulations on a job well done. I know you will succeed in college and whatever career path you choose.

Love Always Mom

Megan D. Worrall:
