

Madbury Public Library

May 2021

1. We are OPEN! Come on in, browse, borrow, play with trains, sit in one of our comfy chairs, and enjoy not being at home or work.
2. We are not monitoring the amount of time you are in the building.
3. Lobby pick-up and drop-off available during our open hours.
4. Our Community Room and small meeting room are available for study or groups. Capacity is reached when six feet of social distance is not possible. Reservations recommended, otherwise first-come, first-served.
5. Masks are still required for all visitors over the age of two, regardless of vaccination status.
6. Using hand sanitizer when you enter the building makes us happy.

Thank you!
