QUAHOG AWARD PROGRAM HAS GONE VIRTUAL THIS YEAR. HERE'S HOW TO SIGN UP ONLINE:

1. Choose your LEVEL

There are four levels to choose from, Level 1 being the easiest to Level 4, the hardest. Look at the books in each level, decide which one interests you the most and you feel would be a good reading level. This year you can ONLY CHOOSE ONE LEVEL to complete online.

2. REGISTER and SIGN up for your CHALLENGE

Go to the Quahog Webpage (<http://mattapoissettlibrary.org/Pages/Index/182846/quahog-reading-awards>), click on the link to our BEANSTACK online challenge platform to register and complete the registration form. Once you completed the registration, make sure you choose your challenge at the Level that you want.

3. Pick a BOOK to Read

It doesn't matter which one you choose first. You can get most of this year's choices on our online eBook databases (Hoopla and OverDrive) or you can order a hard copy through the library catalog. Since it is taking a while to get the hardcover and OverDrive books right now, make sure you place ALL of the books on hold so that you'll get your books as soon as they are available.

4. Log your Books and complete your Reviews ONLINE

Each time you complete a book and a review, log into your BEANSTACK account and track your progress. Once we've receive your reviews, you'll be contacted to pick up your prizes, beads, plus much more! If you complete the program, you'll receive a participation prize and a chance to win a gift card.
