What's New

- The Sustainability Series went well overall. A few individual programs had low turnout, but for a free series it was great!
- Christina has 11 classroom visits planned at LES for May/June to focus on school outreach.
- Hoopla use is picking up slowly but surely. 30 users, 32 uses in April.
- The Zoo New England pass has been added to our collection of discount passes. The Seacoast Science Center will also be added.
- The recent plant swap quickly turned into a Plant Giveaway, but that is great too! Many donated plants found new homes. Local wholesale company, Proven Winners, donated tomato plants, mint, basil and other herb plants. Close to 100 plants were given away.
- Circulation and Program Attendance in April- 1217 checkouts; 405 program attendees; 1125 visitors; 27 new patrons; 176 new items; 35 programs
