July 5

Registration Ends:
July 12

Program Dates:
July 12-15

Grades K-2

Registration Starts:
July 19

Registration Ends:
July 26

Program Dates:
July 26-29

9th-12th: July 12th-15th – 9:00 am-12:00 pm

Monday, July 12th @ 9:00 AM: Library Resources

Library Tour @ 9:00 – 10:00am

Start the day with a brief tour of the library departments and what we can do to assist you with. You may already be familiar with our computer labs and checking out books, but we're more than just books!

Intro to Library Databases @ 10:00am -12:00pm

Ms. LaRuth Martin will demonstrate how to access and use some of our more popular databases from EBSCO and Gale Resources. Make sure to pay attention, because there will be a quiz! Actually it's a gameshow, and we will have prizes.

Tuesday, July 13th @ 9:00 AM – Personal Finance and Scholarship Resources

Banking and Credit @ 9:30 -10:30am

Learn how to open a bank account and a credit line. Establishing credit is important and many companies require a bank account for direct deposit. There are many options available now, and terms and conditions can be confusing. The Financial Literacy Experts at ASE are here to answer your questions and set you on a path of financial wellness.

Saving Tips @ 10:30 -11:30am

Learn the envelope saving method so you can be prepared to make a budget and stick to it. Do you need help creating a budget? We will teach you how to create and maintain an excel spreadsheet and provide you with a template to edit and use to help you reach a financial goal.

Scholarship Resources @ 11:30am

There are many different scholarships available. While you may receive a financial packet from your college of choice, these additional scholarships may help you further reduce your loan burden or out of pocket expenses.

Wednesday, July 14th @ 9:00 AM – Clothes and Cooking

Breakfast with No Kitchen @ 9:00 – 10:00am

Don't have a stove or a bunch of cookware? No problem, you'll probably have access to a microwave and coffee mug. Start the day off with an easy Muffin in a Mug that you can make with a microwave.

Thrift Store Clothes @ 10:00 -11:00am

Liz, Owner of Sift in Prattville, will present an interactive presentation on how to put together an outfit for an interview. Learn what is appropriate and what to reconsider when getting ready for a job interview. She will also discuss the benefits of thrifting clothes instead of buying new. Thrifting is a budget friendly and environment friendly way to enhance your wardrobe or get the basics.

Lunch and Dinner, No Stove @ 11:00am – 12:00pm

Tired of take-out and frozen dinners? You will be. Mrs. Foster will show students how to make rice in a coffee maker and a quesadilla with an iron for a filling lunch or supper.

Thursday, July 15th @ 9:00 AM – Cars, Maintenance, and Safety

Car Maintenance and Buying @ 9:00 – 10:00am

Dr. Stephen Foster will demonstrate some basic car maintenance skills such as checking the oil, windshield wiper fluid, air filter, wiper blades, tire pressure, how to add air to tires, how to use a jack properly, and how to change a tire. After the demonstration students will learn how to use databases and periodicals to look up car prices and car maintenance manuals.

Licensing @ 10:00 – 11:00am

Instruction on what to do to make an appointment for a driver's license, what documents you need, and where to find practice guides and driver manuals.

Road Safety @ 11:00am – 12:00pm

There's more to staying safe on the road than just taking care of your car. Sooner or later most drivers will be pulled over by law enforcement or go through a traffic stop. Mr. Zeph will go over some of the do's and don'ts of getting pulled over for a traffic stop to prepare young drivers.

6th-8th: July 12th-15th – 9:30 am

Monday, July 12th @ 9:30AM: Introductions

Welcome to Back to School Boot Camp! Participants will get an overview of the week; Meet the staff, Check It Out! And take a virtual tour of the Library in our introduction to Back to School Boot Camp.

9:30 AM – 12:00 PM: Ms. Angelica Brooks

We will be completing a mock crime scene investigation. The students will be able to identify areas of a crime scene, implement and use forensic tools to process the scene forensically, and learn basic documentation skills.

Tuesday, July 13th @ 9:30 AM – Dewey Decimal System

Who invented the Dewey Decimal System? Students will learn about the Dewey Decimal Classification System and how books are categorized on the shelves.

10:00 AM – Shonda Wright: Food Pyramid

Join Ms. Shonda Wright with the Urban SNAP-Ed Program for a Discussion on MyPlate food guide, what foods are in each food group, amount of servings for each food group, and Go, Slow, Whoa foods (Foods to slow down on, foods to not eat so much of, and foods to eat that do not have much salt, sugar and fat). Participants will earn MyPlate materials, lunch bags and water bottles.

Wednesday, July 14th @ 9:00 AM – Anti-Gravity Cake with Ms. Janice Hall

Learn how to make a fun and creative dessert that you can enjoy looking at and eating too! Create an Anti-Gravity cake with Ms. Janice Hall from the Alabama Cooperative Extension System as she talks about how to start a cottage food business, food safety and how to make an anti-gravity cake using fondant and icing. Parental Supervision may be required.

Thursday, July 15th 9:30 AM – Databases

Today is all about databases! They contain collections of information such as encyclopedia, newspapers, journals, magazines and other documents not available online. Students will get an overview of the library's databases with emphasis on Gale and EBSCO.

3rd-5th: July 19th-22nd – 9:30 am

Monday, July 19th @ 9:30 AM – Introductions

Welcome to Back to School Boot Camp! Participants will get an overview of the week; Meet the staff, Check It Out! And take a virtual tour of the Library in our introduction to Back to School Boot Camp.

11:00 AM – 12:00 PM: Ms. Angelica Brooks

We will do a Forensic Latent Lifting Project and Fingerprinting workshop where students will be learning the forensic process of lifting latent prints from surfaces and how to identify ridge detail.

Tuesday, July 20th @ 9:30 AM – Databases

Today is all about databases! They contain collections of information such as encyclopedia, newspapers, journals, magazines and other documents not available online. Students will get an overview of the library's databases with emphasis on Gale and EBSCO.

Wednesday, July 21st @ 9:30 AM – Mrs. Lodge's Library Shelver

Here's a fun way for students to practice call numbers and Dewey decimals. The activity will be taking random books and placing them in order by using the Dewey Decimal Classification System using Mrs. Lodge's Library Shelver online game. <http://www.mrs-lodges-library.com/play-shelver/>

10:00 AM – Shonda Wright: Food Pyramid

Join Ms. Shonda Wright with the Urban SNAP-Ed Program for a Discussion on MyPlate food guide, what foods are in each food group, amount of servings for each food group, and Go, Slow, Whoa foods (Foods to slow down on, foods to not eat so much of, and foods to eat that do not have much salt, sugar and fat). Participants will earn MyPlate materials, lunch bags and water bottles.

Thursday, July 22nd @ 9:30AM – 12:00PM: Ms. Angelica Brooks

We will be doing Dental Impressions and Casting of Footprints where students will learn how a shoe impression and dental impressions are collected in forensics.

K-2nd: July 26th-29th– 9:30 am

Monday, July 26th @ 9:30AM – Introductions

Welcome to Back to School Boot Camp! Participants will get an overview of the week; Meet the staff, Check It Out! And take a virtual tour of the Library in our introduction to Back to School Boot Camp.

Tuesday, July 27th @ 9:30AM –Let's Do Dewey!

Learn how the books are categorized on the shelves and find out who invented the Dewey Decimal Classification System. We will also learn the difference between Fiction and Non-Fiction books. The activity will be taking random books and placing them in order by using the Dewey Decimal Classification System using Mrs. Lodge's Library Shelver online game.

Wednesday, July 28th @ 9:30AM– TumbleBooks and BookFlix

BookFlix is an online literacy resource that pairs animated classic video storybooks with related nonfiction books and is supported by comprehension activities to build skills, confidence, and curiosity. **TumbleBooks** are animated, talking picture books, which teach kids the joy of reading in a format they'll love.

TumbleBook Library takes existing picture books, adding animation, sound, music and narration to produce an electronic picture book. You can read it, or have it read to you.

11:00AM – Shonda Wright: Germs

Join Ms. Shonda Wright with the Urban SNAP-Ed Program and learn about the dangers of germs and proper handwashing techniques. The kids will receive fake germs and attempt to wash them off. Kids will look under a black light to see if all of the germs are washed away.

Thursday, July 29th @ 9:30AM – 11:30AM: Alabama

Department of Archives and History: Alabama Animals

Alabama is full of animals, both wild and domesticated. This year's ADAH Library Program features stories, fun facts, crafts, and games related to Alabama's animals! What animals are in your area? Why are some animals chosen as state symbols over others? Find out when the Alabama Department of Archives & History comes to visit Morgan Library this summer!
