FREE ONLINE TUTORING 10am—11pm

Click on the image of an apple, then click the “Get A Tutor Now” button.

### [PTA Parent Guides To Student Success -By Grade Level](#)

Guides provide

- overview of what your child will learn in a specific grade level
- suggestions for how to talk to your child’s teacher about academic progress
- suggestions for supporting learning at home

### [Help Your Child Succeed In Key Learning Areas](#)

These helpful guides describe why the specific learning area is valuable, what it should look like in the classroom, what families can do at home. They also provide links to multiple resources. Guides have been created for: READING, MATH, TESTING, HIGH SCHOOL, KINDERGARTEN, and more!

### [How To Advocate For Your Child](#)

Outlines rights and expectations families are entitled to when it comes to their child’s public education. Describes steps that can be taken at home to support the learning process.

Links additional Resources

### [CDC Planning For Virtual or At Home Learning](#)

This checklist addresses several elements that impact the mental health of children learning at home, along with other considerations.

### [Library Directory](#)

If you don’t know how to contact your local library, start here. Library systems, websites and phone numbers are listed. Use this to reach out and ask for more information!
