UP AND DOWN

A penguin has wings for a reason . . . doesn't he? Having a best friend with his own airplane is one thing, but actually experiencing what it feels like to fly by himself? Here is one penguin who believes this is precisely what he needs to feel complete. Only . . . if flying by himself is so wonderful, then why does he feel so empty? Because some experiences are better shared. (And penguins are much happier on the ground.) Oliver Jeffers delivers the perfect companion to his much-loved *Lost and Found*. Penguins everywhere will take flight in delight.

THE GROWING STORY

Illustrated by Helen Oxenbury The Growing Story is an enchanting story about a boy who watches living things grow and change through the seasons. Just as he begins to think that he will be small forever, he learns to see the signs that he is growing and changing too. Share the universal experience of growing up and discover the rhythms of the seasons in this timeless story.
