Pike Road Branch Library's 2024 Summer @ Your Library Reading Challenge

Summer Reading Challenge

The Challenge Begins Monday, June 3

For Picture Book Readers: For every five books read by a child in the "I Can Read All By Myself" category or read to a child by a grown-up in the "My Grown-up Reads to Me" category, readers may earn one treasure from Mister Matt's treasure chest. The reader in each category who has enjoyed the most books by the end of the challenge will receive a Books-A-Million gift card courtesy of the Friends of the Pike Road Branch Library. In addition, every reader who turns in a reading log by the deadline stated below will be entered into a drawing for a Books-A-Million gift card. Readers may begin recording titles on their reading logs on June 3. Reading logs must be turned in by 6 p.m. on Friday, July 19. The top readers in each category will be notified by email and their names will be announced on our Facebook page.

For Chapter Book Readers: For the Chapter Book Challenge, kids will record the number of pages read instead of the number of books. Once a reader finishes a book, he or she will record the title and total number of pages in the book on the reading log. Grown-ups must verify the number of pages read by initialing the page counts for each book on the child's reading log. We will have three categories:

Rising Third Graders through Rising Fifth Graders

Rising Sixth Graders through Rising Eighth Graders

Rising Ninth Graders through Rising Twelfth Graders

The top reader in each category will be determined by total pages read and will receive a Books-A-Million gift card courtesy of the Friends of the Pike Road Branch Library. In addition, every reader who turns in a reading log by the deadline stated below will be entered into a drawing for a Books-A-Million gift card. Readers may begin recording titles on their reading logs on June 3. Reading logs must be turned in by 6 p.m. on Friday, July 19. The top readers in each category will be notified by email and their names will be announced on our Facebook page.

(Please note that a child should only sign up for one reading challenge at one MCCPL location. Reading challenge rules and prizes vary for each library location).

Joseph had a little Overcoat by Simms Taback

July 18th, 2024 – Learning to reuse!

Celebrate the magic of repurposing as we read, “Joseph had a little Overcoat” by Simms Taback. Joseph had a little overcoat, but it was full of holes just like this book! When Joseph's coat got too old and shabby, he made it into a jacket. But what did he make it into after that? And after that? As children turn the pages of this book, they can use the die-cut holes to guess what Joseph will be making next from his amazing overcoat, while they laugh at the bold, cheerful artwork and learn that you can always make something, even out of nothing.

Craft: Coat collage activity.

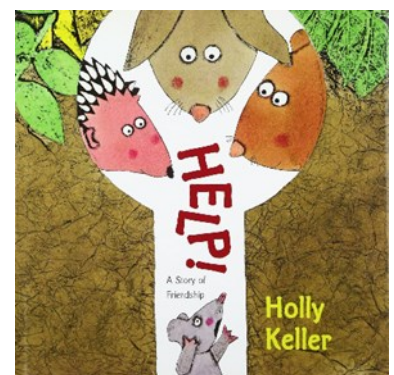

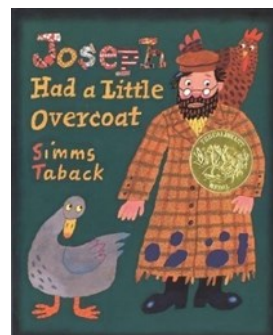

Help! A Story of Friendship by Holly Keller

July 25th, 2024 – International Friendship Day

Join us in recognizing International Friendship Day with a reading of “Help! A Story of Friendship” by Holly Keller. Mouse, Hedgehog, Rabbit, Squirrel, and Snake are friends. But one day Mouse hears from Skunk (who heard it from Fox) that snakes are dangerous, especially to mice. Oh, dear! Can friendship survive gossip?

Should friends stick together, no matter what? And what do friends do when a friend is in trouble? Or when a friend has hurt feelings?

Craft: Friendship craft.
