Employment Opportunity: High School Library Page

The Moultonborough Public Library (MPL) is seeking two high school students (ages 16+) who would like to join the Library team. This is a paid position. We are seeking students who are energetic, organized, and enjoy serving the public. Applicants need to be able to work nights and Saturdays, and during the summer may be asked to work a day shift.

As a Library Page, you will provide customer service and clerical support throughout the library. The work will involve sorting and shelving books, assisting library patrons, and preparing library facilities for events. We seek individuals who have knowledge of books and other library materials to make recommendations and help locate items. You may also be asked to do administrative tasks including making copies, hanging posters for library events and services and assisting staff in projects.

As a Library Page at MPL, you will find opportunities to work closely with the public in a friendly and vibrant environment. This position will start at \$10.00 an hour and the hours each week will vary between 5-10 hours per week.

To apply, please go to the Library's Website (www.moultonboroughlibrary.org) and complete the online Application Form. The full job description is also on the website. These positions are open until filled. MPL is an equal opportunity employer.
