

NHLA Annual Report : Committee

Committee: Intellectual Freedom

Key developments this past year:

During the last year, I kept the NHLA Board and membership abreast of national developments and maintained contact with the ALA Office of Intellectual Freedom. I was contacted by three libraries for advice issues related to intellectual freedom. During the year, I shared several posts and engaged in discussions on the NHAIS listserv regarding internet filters, the anniversary of CIPA, and violent media in libraries. I maintained contact with the ALA Office for Intellectual Freedom and promoted Banned Books Week and Choose Privacy Week.

Respectfully submitted,

Gail Zachariah,

Chair of the NHLA Intellectual Freedom Committee
