

Lillian Edelmann Memorial Scholarship

NHLTA Conference Travel Reimbursements Available to Coos County Trustees

In 2019 NHLTA established the Lillian Edelmann Memorial Fund. NHLTA received many memorial contributions following the death of longtime NHLTA leader Lillian Edelmann in 2018. ‘Big Lil’ was a trustee in Twin Mountain and in Dalton before moving to the Concord area and was committed to education for trustees, especially those in the North Country.

NHLTA Board has allocated a portion of the Edelmann Memorial Fund to support Coos County trustees who wish to attend the 2019 Spring Conference and Annual Meeting. We offered \$50 to Coos County library trustees to use to cover travel costs, including mileage, tolls, parking fees, and hotel charges. This is in addition to covering registration fees through our separate Mildred McKay Scholarship Fund.

This year NHLTA is offering \$100 to each trustee from Coos County libraries to cover travel costs (including gas, tolls, parking fees, overnight hotel expenses) to attend the NHLTA Spring Conference on May 10, 2022.

How to apply:

1. Submit an application for the Mildred McKay Scholarship to cover the full registration fee. You’ll find application submission information and the application form in the scholarship section above.
2. On the application form, state that you also want to apply for an Edelmann travel expense reimbursement. No need to submit any expense vouchers — the money is yours to spend however you need to defray your expenses. If several trustees choose to carpool, each person is eligible for the scholarship and travel reimbursement.

Application deadline is April 15, 2022. Recipients of the travel funds scholarship will receive a check immediately following the conference. List of Coos County Libraries is below.
