

Patrol Officer

The New Hampton Police Department is currently accepting applications to fill a vacancy in the full-time officer classification. We are a unique department in that we are bigger than most small-town departments as far as activity, but small enough to be a low stress, proactive team. We encourage and support our officers being proactive in developing cases. We are very modern where it counts to the officer, while still being very community oriented.

We wear a relaxed style uniform with outer carriers, carry Glock 9mm sidearms with red dot sights, and Taser 7"s. Beards are permitted and our tattoo policy is very accommodating. We believe strongly in working with other agencies to get the job done. We connected to dispatch with MDTs in the cruisers. We offer many training opportunities, and want to see all officers succeed in their career path.

The successful candidate will perform law enforcement services including patrol, investigations, and traffic enforcement. Shifts consist of day and evening shifts, being 10 hours and a 4 on, 3 off schedule.

State of New Hampshire full Law Enforcement certification from the New Hampshire Police Standards and Training Council preferred but not required, we are always willing to train the right person. Must possess a valid driver's license.

Salary Range: This is an hourly position starting at \$25.50 per hour, increasing depending on experience and training. 11 paid holidays, personal time awarded on Jan 1 each year, not accrued. Benefits include Health and dental insurance, long and short-term disability, N.H. retirement with optional supplemental Valic retirement plans.
