

NOTICE OF POLICY CHANGE – BILL OF SALE

A proper Bill of Sale will be required for registration of all non-title motor vehicles. The Bill of Sale shall be in a letter head receipt form from a bonded dealer, a letterhead bill of sale from a dealer, a previous registration from same owner (NH or previous state of residence) or a bill of sale from the seller. The following information will be required according to Rules and Regulations of the Dept. of Safety:

Description of Vehicle

Make, Model, Identification No., Model year, type of body, Number of Cylinders, Name and Address of Purchaser, Signature and Address of Seller.

Determination of proper bill of sale will be at the discretion of this office.
