**NEW HAMPTON HISTORICAL SOCIETY PROGRAM
Banjos, Bones and Ballads**

Please join us Tuesday, April 24th at 7:00pm at the Gordon-Nash Library.

Banjos, Bones, and Ballads Traditional songs, rich in local history and a sense of place, present the latest news from the distant past. They help us to interpret present-day life with an understanding of the working people who built our country. Tavern songs banjo tunes, 18th century New England hymns,

sailor songs, and humorous stories about traditional singers and their songs, highlight this informative program about musical traditions from the Outer Banks fishing villages of North Carolina to the lumber camps of the Adirondack Mountains and New England's whaling ports. Jeff Warner accompanies his songs on concertina, banjo, guitar and several "pocket instruments," such as bones and Jew's harp. Warner is a Folklorist and Community Scholar for the New Hampshire State Council on the Arts.

Sponsored by the NH Humanities Council. Our programs are free and open to the public. Light refreshments will be served following the program.

BEWARE - IRS Scam Affecting Belknap County

A sophisticated phone scam targeting taxpayers, including recent immigrants, has been making the rounds throughout the country. Callers claim to be IRS employees, using fake names and bogus IRS identification badge numbers. They may know a lot about their targets, and they usually alter the caller ID to make it look like the IRS is calling.

Victims are told they owe money to the IRS and it must be paid promptly through a gift card or wire transfer. Victims may be threatened with arrest, deportation or suspension of a business or

driver's license. In many cases, the caller becomes hostile and insulting. Victims may be told they have a refund due to try to trick them into sharing private information. If the phone isn't answered, the scammers often leave an "urgent" callback request.
