**"Women of the Civil War"**  
**Tuesday, October 20, 2015**

**7:00PM**

**Gordon-Nash Library, 69 Main Street, New Hampton**

Positive documentation proves that at least 250 women were known to have fought on the Union and Confederate sides. Our presenter,

Civil War Historian David Decker, will skillfully explain why he believes it is likely that the number of women who donned soldiers' clothing is closer to 400, and possibly up to 1,000 females.

Decker is a retired lawyer and avid Civil War buff and has lectured throughout New England on many topics related to the Civil War.

This event is free and open to the public. Light refreshments will be served, along with fundraising items for sale.
