March 10 @ 2 PM — BrassBoro

BrassBoro, the premiere Brass Ensemble in the Boroughs area, is a 10-member band that plays jazz, patriotic and baroque pieces. Members are made up of some of the finest brass players from the Interboro Community Band. BrassBoro's charter is to bring great music to the community. Members range in age and experience, but share one key attribute – their love of music.

April 7 @ 2 PM — Jeff Snow The Softer Side of Celtic

Growing up as the son of a drummer in a Bagpipe band and in a home where older Celtic songs were the everyday sounds, Jeff developed a love for the music of Scotland, England and Ireland. Jeff is a talented multi-instrumentalist who plays the music and tells the stories behind the songs. Please help us celebrate Celtic music and the coming of Spring!

Christopher Lindquist, Library Director

Cyber Security and Password Management

Sat., Feb. 10th
10-11:30 AM
Computer Lab ★

Back by popular demand! Library volunteer and consumer technology specialist Abhijeet Nikte leads another inter-active knowledge sharing workshop on cyber security and password management. Topics for discussion include: best practices to help keep your identity and information secure online, how to avoid common pitfalls in managing your online accounts, and tools for creating and managing passwords for all your online accounts. Bring your questions, concerns and experiences.

You Can Pastel Paint

Monet's Water Lilies with Gregory Maichack

Tuesday, Feb. 13th | 6:30 - 8:30 PM ★ Ⓢ

Professional pastel artist Greg Maichack brings us another exciting workshop called *Monet's Wonderful Water Lilies*. Using the imagery that inspired Monet to create his "Water Lily" paintings, Greg will guide participants in the creation of their own pastel painting. Whether you are a beginner or experienced artist, this workshop is an expressive and fun way to experience pastel painting. All materials will be provided. A \$5.00 fee payable in advance at the Check Out Desk, or at the door on the evening of the workshop is required.

CHILDREN'S SERVICES SPECIAL FEBRUARY EVENTS

KIDS FORENSIC SCIENCE ROADSHOW

Wednesday, Feb. 21st @ 1:00 p.m.

Venture into the world of CSI with this interactive program that introduces kids to the fascinating subject of forensic science. Subjects include: finding fingerprints on evidence, testing for blood, footwear prints, using a metal detector and detection of evidence using the crime light. For kids in grades 3 - 5. This program will be both educational and entertaining!

KID'S WRITING WORKSHOP

Thursday, Feb. 22nd @ 1:00 p.m.

Everyone has a story to tell. Join us for an afternoon of creative writing. This workshop is perfect for kids who want to improve their writing skills or for kids who love to read or write. We will do some writing exercises and those who want can share in a supportive environment. Stop by and get your creative juices flowing! Best for kids ages 8 - 12. Space is limited.

STEM CLUB: CODE WITH DASH

Friday, February 23rd

2:00 p.m. (Grades 1-3) 3:15 p.m. (Grades 4 & 5)

We've got a robot and its name is

Dash! In teams, kids will create an obstacle course and try programming Dash to successfully move his/her way through it.

Please visit www.northboroughlibrary.org for a complete list of our events and registration information.
