Volunteer Spotlight Teen Advisory Group TAG

The Teen Advisory Group (TAG) helps the Teen Librarian select new materials and run programs. TAG has three dedicated students currently serving on the Board: President Catherine Hayden, Vice President Ella Sandford, and Secretary Kaitlyn Wilber. As part of Summer Reading 2017, TAG ran a toiletries drive for the Northborough Food Pantry. TAG planned and ran an after-hours Harry Potter Mystery Night in October, and everyone who attended had a character and a costume. TAG's President, Catherine Hayden, says she hopes to run more programs like this in the future. Thank you, TAG, for all you do at the Northborough Free Library.

Are you interested in learning more about your family history? Ancestry Library Edition is an easy way for you to map your family history using digital census records, birth, marriage, and death certificates, military enrollment documents, and immigration records.

You can only access Ancestry Library Edition in the library from one of our public desktop computers. While you cannot create or save a family tree, you can print any documents of interest, save them to a flashdrive, or send them to your personal email.

Ask us at the Adult Services Desk how you can get started on your genealogical adventure!
