## YOUR PLACE TO CONNECT: CELEBRATING OUR LIBRARY CHAMPIONS!

Starting in September, we will be featuring profiles of some of our regular library patrons in order to capture stories about how they use the Library to connect to the Northboro community and the world in which we live. Each month from September through March we will profile another library user or their family. Please stop by our booth at Applefest on **Sunday, September 17th** and learn about how we are featuring some library champions to showcase all the great resources that are available at the Library! We hope to see you at Applefest!
