

“Summer Soiree 2023”

Sponsorship opportunities available for families and businesses in support of OVL!

The award winning Osterville Village Library is upping the ante on summer.

Each July, shortly after the 4th, we reserve a party tent for a full week for our Plein Air Art Auction, the kickoff of our Summer Concert Series, along with a host of other activities for both children and adults surrounding Osterville Village Day.

This year, our Summer Soiree will offer two full weeks of activities on the Calvin C Gould Library Green.

- Your business receives recognition for helping to bring these great educational, cultural (and just plain fun!) activities to Osterville. Activities include:
 - *Salt, the 45' inflatable whale*
 - *4 Live music concerts in July and August*
 - *The internationally recognized Human Library*
 - *Plein Air Art Auction & Village Crafters*
 - *Hydrangea Fest*
 - *Cape Cod Writers Book Fair*
 - *Night at the Library event, where books come to life.*
 - *The Run for the Library, Village Day Road Race*
 - *Plus other fun, creative & educational activities*
- Picture your **logo on a banner that hangs on the fence along the front of the library green on Wianno Ave for the over 1 month**, prominently displayed in advance of, on Osterville Village Day, and after.
- Your **business will also be listed in our social media posts, e-newsletter, website and other media** both inside and outside of library. As we spread word about our Summer Soiree activities to our greatest audience of the year, your name will be included.
- The sponsorship also **includes the opportunity to hold a 2-hour event under the tent** during the height of the summer season. Sponsors are responsible for any food, entertainment, beverages, servers and permits. It's your chance to have a customer appreciation cocktail party, a staff clambake, or put on your own program. Time slots are based on availability and first come, first sponsorship - date choice.

\$2000
