**3 Math**

Have your child count all the red things in his room.

Introduce your child to "I Spy" to practice descriptive words.

It's Appreciate a Dragon Day. Celebrate by reading *There Are No Dragons in This Book* by Donna Lambo-Weidner

**18 Math**

Make snowballs with your child from snow or tissue paper. Ask him to count each one he throws.

Collect bottle caps and write your child's name on them (one letter per cap). Jumble the caps together and then ask her to put them in the correct order to spell her name.

**20 Science**

Check out a nonfiction book about your child's favorite animal. Look at the pictures and read the captions together.
