

# Free Narcan Training

Monday, November 27  
3:00 PM – 3:30 PM  
Southborough Library

## Narcan facts:

- Brand name of the generic naloxone
- Can be a life-saving medication when given in time
- Reverses an overdose from opioids—including heroin, fentanyl, and prescription opioid medications
- NO side effects or potential for abuse
- Does NOT harm the person if they have not used opioids

Nearly 40% of overdose deaths occur while a bystander is present. Narcan access for bystanders can help save lives.

## Registration Required:

Please register at  
[bit.ly/sbllibnarcan2](https://bit.ly/sbllibnarcan2)  
or scan the QR code below:

You will receive a brief training on how to recognize an opioid overdose, when and how to use Narcan. All participants receive a free kit with the following:

- 2 doses of Narcan
- Fentanyl test strips with instructions
- Face shield
- Instructions on Narcan administration
- Recovery resource guide
