TK Elevator has bought US Ascension 2000 elevators and has developed a 'modernization plan'. \$120K is the quoted cost and any upgrades to the electrical service, fire service etc., will be additional costs. Collection Development

- A 35 mm film was found in the Holmes Ammidown History Room and Archive in a can with a brief note indicating it was of Sacred Heart Church. It was a professional movie "Exclusive Pictures Taken for the Strand Theatre by Central Motion Picture Co. C.L. Raimondo Photographer". The film was thought to be in poor condition and it was vacuumed and is not deteriorated. I have spoken with Anthony Labbate, Preservation Manager at the Eastman Museum. He has provided some images of what we can expect from the digital version He was encouraging about the results we could anticipate from this process. A 4k scan will be done which would include editing and color correction. The funding for the project has been provided by Cornerstone Bank (\$500) and Southbridge Historical Commission (\$400.25) and Savers Bank have offered to cover the remaining cost. The film is at the George Eastman Museum and the process for digitizing has begun. 1,000 ft of film was salvageable and 50 ft. was destroyed by rust and environmental issues.
