**This is my library.**

**I can visit to attend fun programs,  
check out books, movies, and more.**

**Next door to the library, in O'Reilly Park,  
there is story walk to read  
along the fence.**

**This is the front door of my library.**

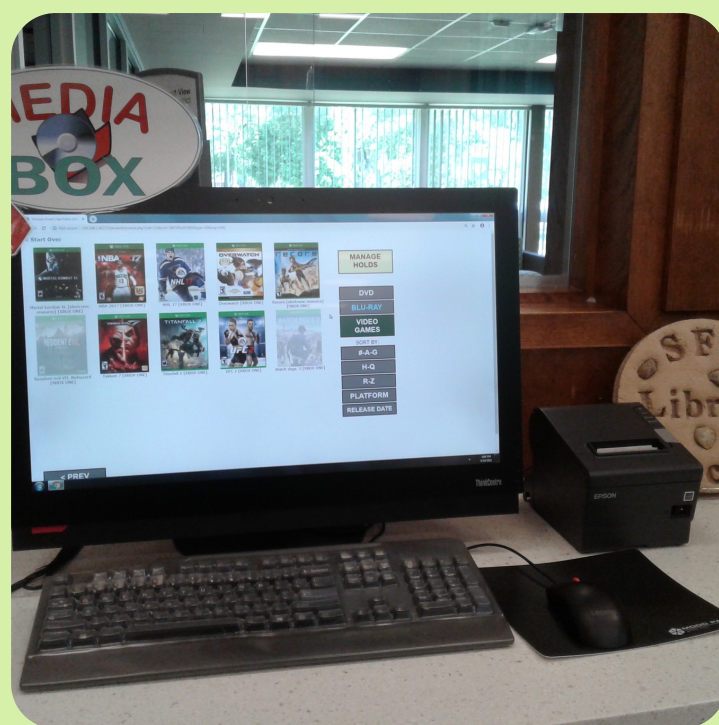

**When I walk through the doors  
someone will say hello  
and ask if I need help.**

**Along on the wall to my right  
are computers to help me  
find books, music, and movies.**

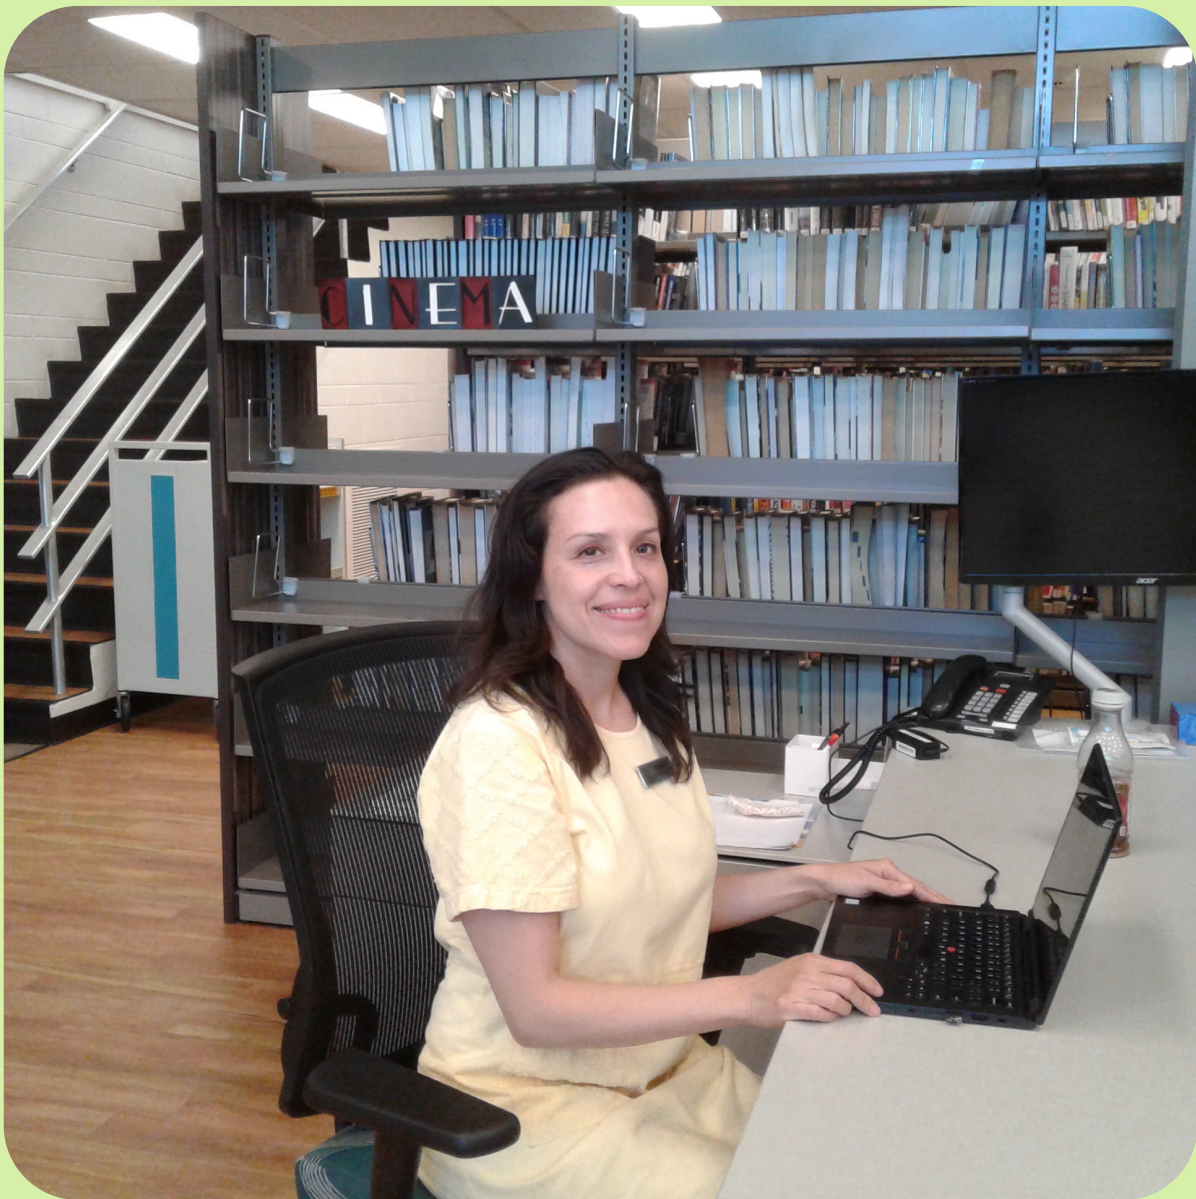

**And I can search the media box to find the latest movies too.**

**At the Reference Desk,  
the librarians help  
finding books, doing research,  
and using computers**

**When I need help, I visit the  
Youth Services Department  
through this special door.**

**Someone will always  
be there to help me.**

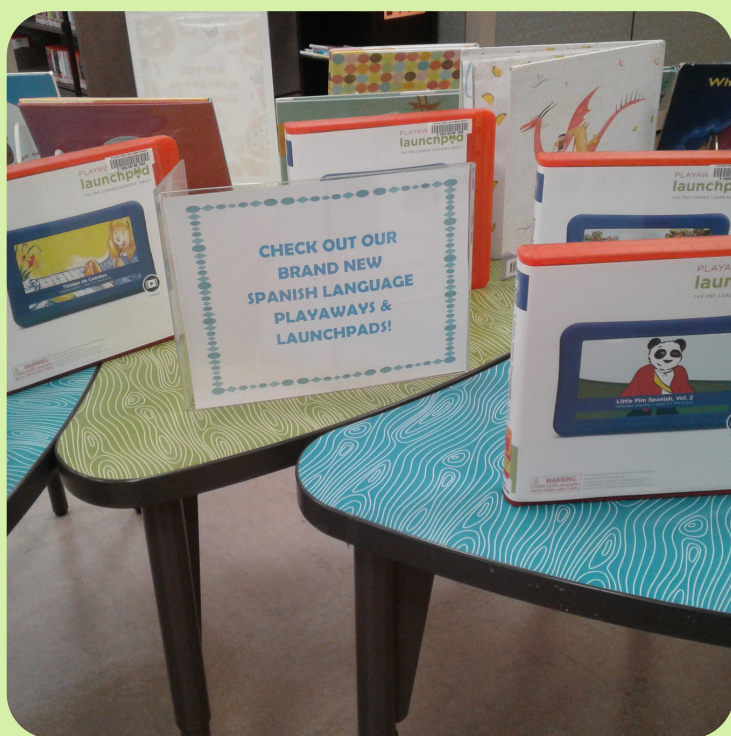

**I can visit the pirate ship!**

**I can choose a new Playaway  
or Launchpad to check out!!**

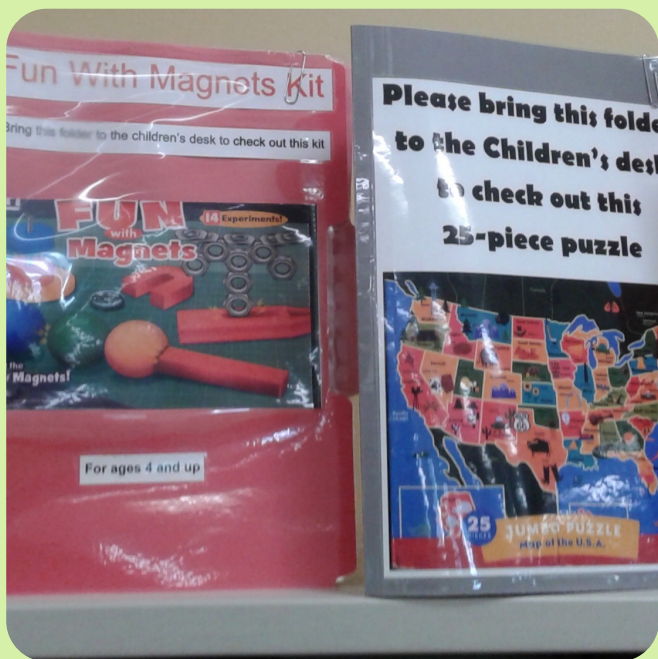

**My library has many books  
in Spanish too.**

# And I can pick out a science kit

**And find a puzzle  
to play with at home!!**

**If I am in 3rd, 4th, or 5th grades,  
there is a special place for me  
called The Reef!**

**When I am in 6th , 7th, 8th grades,  
or high school,  
I can visit the Teen department.**

**When I have selected my library treasures to take home,  
I bring them to the librarian  
to check out with my library card.**

**The library is a fun place and I look forward to visiting again!**
