

# INTRODUCING...

Pronunciator is the premiere language-learning tool offering the ability to learn over 300 languages.

Pronunciator includes:

- more than 10,000 instructional phrases
- high quality human translations
- studio-recorded audio
- engaging text and audio chats
- over 100,000 pronunciation video clips

Use Pronunciator to learn American Sign Language.

Learn on the go with Bluebird Languages, a mobile app for iPhone/iPad and Android devices. Sign in with your Pronunciator login credentials.

Are you studying to pass the naturalization test? ProCitizen will help you be ready!

ProCitizen provides the civics, vocabulary plus reading and writing practice that new citizens need to succeed at the United States naturalization test.

ProCitizen includes:

- over 100 instructional videos
- interactive drills and quizzes

ProCitizen is available in both English and Spanish.
