HOW TO COMPLETE THE CHALLENGE

Whether you are reading nonstop to your newborn, helping your first grader learn to read, or you are an emerging fifth grader who reads a little or a lot, this challenge is for you!

You can read, complete activities, or both! Complete a total of ten books and/or activities to finish the challenge. If you finish a book while doing a reading activity (e.g. reading outside) you can check off the activity and put it in your reading log!

Everyone who completes the challenge gets a free book.

Free books will be available for readers to claim at the library from June 28 through August 19. Everyone who completes the challenge and turns in their sheets by August 19 also gets one entry in our end of summer prize drawing. And if you finish the challenge, you can log more books and/or check off more activities to earn bonus entries.

Please fill out all information completely; if we cannot register you due to missing information, we may not be able to enter you in the drawing. However, all successful challenge participants who turn in their sheet by August 19 will be able to select a prize book from the prize cart.

*Prize books must be picked up in person by August 19.
