What to expect when you visit the library:

- Library visitors must wear a mask. We will provide you with one if you don't have one for your visit. Library staff will be wearing them as well. If you cannot or would prefer not to wear a mask, you may continue to use our curbside services.
- The building will be cleaned during the daily closures for your safety and ours. Restrooms will only be cleaned once/day and may be used at your own risk.
- Hand sanitizer will be available and social distancing is expected in the building.
- Patrons may check out their items at the self-checkout station or at the circulation desk.
- Plastic barriers have been installed at the circulation and customer service desks
- The library has new capacity limits. To assist us with capacity restrictions:
 - Please wait in your car until your appointment time.
 - We ask that you help us stick to a 30-minute limit as we need time to clean and disinfect for the next group of appointments.
 - Visits are limited to once a day.
 - Seating in the building is limited to encourage short visits.
 - Computer stations are limited and should be booked in advance by calling 249-0645 X463 or e-mailing refdesk@wadleighlibrary.org . Patrons may also borrow a laptop to use during their appointment.
 - The Children's Room is not open, but a great selection of materials will be available for browsing and the Librarians will be here to help you find items.
 - Please enter via the parking lot entrance to help us with managing the number of our visitors.
- All meeting rooms will remain closed to the public.
- We expect that you will come to the library only if you are free of COVID-19 symptoms, have not been exposed to the virus, and have not traveled outside the NE states (per the Governor's Universal Guidelines) without self-quarantining for 14 days.

For more information, please see our postings on the library's website www.wadleighlibrary.org , or visit us on Facebook.
