SUMMER READING PROGRAM 2023

**Wadleigh Memorial
Library**

Dear Parents,

Your children are invited to join the Wadleigh Memorial Library's Summer Reading Program!

Our focus is on children ages birth to entering grade 5. This summer's theme, All Together Now, is all about community. All programs are free and open to children of all abilities.

Each week there will be two raffle baskets. For every hour a child reads, they will receive one raffle ticket. Raffle tickets can also be earned by coming to the library and attending programs. We track all of the reading and tickets through our Beanstack app. New raffle baskets are displayed every Monday and remain out until we close on Saturday. Winners are then chosen and contacted.

The grand prize for the summer is a \$100 Amazon Gift Card! All tickets entered throughout the summer are eligible for the grand prize as well as the two bicycles that were generously donated by the Mason's Benevolent Lodge #7.

View www.wadleighlibrary.org for a full descriptions of events.

**SUMMER READING IS FROM
