Minis in Motion

During April vacation we will be hosting a fun new program on **Monday, April 28th at 10:00.**

“Minis in Motion is a fun and interactive dance class designed for young children, and their caregivers, to explore movement and build a strong foundation in dance. Through creative movement and engaging activities, we introduce little ones to the joy of dance in a playful and supportive environment.”

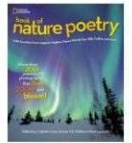

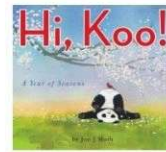

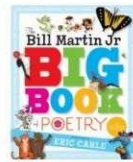

To make the class extra exciting, we incorporate fun props like scarves, flowers, pom-poms, and even a parachute, sparking imagination and enhancing coordination. The program is designed for children ages 18 months - 5 years, however, everyone is welcome”.

April is Poetry Month

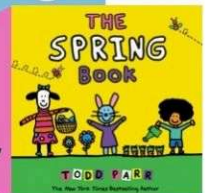

National Poetry Month was introduced in 1996 and is organized by the Academy of American Poets as a way to increase awareness and appreciation of poetry in the United States.

Please visit our Poetry Display by the mural to get some fun books to share with your children!
