News From Wadleigh Children's Room

March 2023 🍀

Little People BIG DREAMS

Have you ever wanted to learn what Venus and Serena Williams were like as kids? Or maybe you have always wondered about Dolly Parton's life?

Our biography section has been revamped to include our easy-to-read picture book biographies to go along with our other, longer versions. Come learn about your favorite person from the past or the present!

MEET OUR PAWS TO READ TEAM!

PAWS to Read is a program for children to practice their reading skills by reading to a special therapy dog.

Tuggie is the newest friend to join us. She is calm and comforting.

D'Ogee has been with us for about a year. He is young and playful, but also very gentle.

Buckley has been with us the longest. He is a sweetheart who enjoys giving and getting love.

All three dogs love attention, pats, and listening to kids talk and read! Stop in to meet them for yourself on the **second Saturday of each month from 10:30 AM - noon**. Don't forget to ask Miss Jess how you can earn a free book for participating regularly.
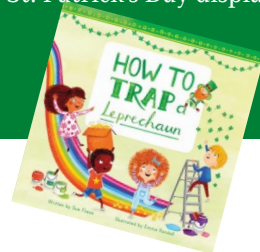

Greater Nashua Smart Start Grant

We are fortunate to have received a $2000 grant from **Greater Nashua Smart Start**. We will be using the money to buy some new toys for our outdoor space. If you have any ideas for fun, educational toys feel free to offer your suggestion to a Children's Librarian or email your ideas to Miss Trina: tmclenon@wadleighlibrary.org.

SEASONAL STORY

Illustrations and easy-to-read text reveal the nature of leprechauns, who may grant a wish if caught, and describes how to trap one. Includes note for parents and educators.

Look for it on our St. Patrick's Day display

Monthly Programs

Grades 2 & 3 Book Club 3/13 @ 3:30
