

News From Wadleigh Children's Room

October 2023

October is National Cookbook Month

Did you already know that? Do you love cookbooks like we do? Be sure to check out the books on display in the Children's Room as well as the Adult "Crocktober" display.

We are proud to be founding members of Milford Kids Thrives and collaborate with other local partners. We are dedicated to working together to ensure Milford is a place where families feel supported and all young children grow up in a nurturing community and reach their fullest potential. Literature about Milford Kids Thrive is located in our room. The website is fantastic and offers a calendar that has all the local area happening in ONE place! Please ask Miss Trina if you have any questions about this organization.

The Children's Room @ Wadleigh Memorial Library

SUPERSIZED Little Explorers AKA The Great Pumpkin!

Thursday, Oct. 5th from 10:00-11:00

Come join us, and our partners from **Milford Kids Thrive**, in our Outside Wadleigh Library (OWL) space for a fun seasonal hands-on STEAM activity. Children will each get a small pumpkin to use for science and art activities.

Seasonal Story

When Field Mouse and Squirrel find a big, round, orange object in the road their friends disagree about what it is, but soon it becomes the life of the party.
