President’s Report:
It is great to be meeting in person, taking place in the Community Room at the Town Hall to allow for social distancing. We continue to move forward with the knowledge that a second round could have us stepping backward. A big thank you to Lisa and the staff for doing such a great job in difficult circumstances. It is good to see our building project start its journey through the town with the presentation to the Town Board this week.

Manager’s Report: See separate report
Summer programming did very well. The library manager is looking at how things go with school to help direct planning. RCLS has a big cut this year (20%) and anticipates a larger cut in 2021. As of now grant funds don’t seem to be affected. We should get our funds in 45-60 days. Stephen Rowland of Mays Architect appeared before the Town Board on Sept. 3 to describe the building project and request a land use fee exemption. We are waiting on further committee consideration.

2020-9-A Camille moved and Stan seconded that we approve the August minutes. Motion passed.

- Times Herald Record subscription –Camille donated a six month’s subscription for the library at a very reasonable rate, as opposed to the much higher rate they originally charged the library. After six months, she will pass the bills on to the library.

Committees:
Finance Committee
2020-9-B Camille moved and Kathy seconded that we approve the August 2020 Warrant report. Motion passed.

New Business:
We have funds in Key Bank in total well over $250,000 and are checking to see what applicable FDIC coverage is available. There are CDs coming due this fall of close to $500,000 for which we need to make a decision about where to keep this money safely. We will move the funds out of CDs and into savings accounts until we have decided the best place to keep it.

2020-9-E Camille moved and Lynne seconded that we move the CDs in Key Bank to savings or money market accounts as they come due. We will not renew the CDs at Key Bank. Motion passed.

We discussed how to honor those who have given large gifts to the library. It was suggested that we make the new room The Donor Room and have a plaque with the names of those who have done so.

2020-9-F Camille moved and Stan seconded that we adjourn. Motion passed.
