Goal

\$62,775
Raised so far

From the beginning, there has been a plan to allow individuals, families, organizations, and businesses to show their support of the library and leave a legacy in the form of a donation. With your assistance we hope to restore items, such as the children's literacy play scape and outdoor patios that were removed from the original plan when we were required to make a substantial investment in water line infrastructure.

There are several ways to give. One is to make a direct donation for a specific item or space and have your name attached to it. These opportunities start at \$1,500 and you can make your contribution over this year and next. Alternatively, you can make a general donation to be applied where the need is the greatest. Donations (tax deductible) can be made directly to the Friends of the White Lake Library, 11005 Elizabeth Lake Road, White Lake, MI 48386.

To learn more about this important community project and gifting opportunity please contact either Friends President, Gerry Herrington at (friends@whitelakelibrary.org) or Library Board President, Glenn Rossow (glenn.rossow@gmail.com), 248-302-4593. Thanking you in advance for your support.
