Hello,

We know you want to visit and access materials from your beautiful new library building, but in the interest of community health, the library building must remain closed to the public. We will reopen the building and provide services safely, in phases, as soon as possible. In the meantime:

On **Monday, June 15**, we will continue **Phase 1** of reopening which includes:

- **Curbside delivery** of books, movies and more that you request through the online catalog, by phone or by email. See our [information sheet](#) for how to use this new service!
- **Enabling holds to be placed** on items.
- To minimize cross contamination we can **only accept returns at the drive up book return**. There are no overdue fines for these returned materials.
- Materials will be checked in and removed from your account after a **72 hour quarantine**.
- Whitelakelibrary.org is always open with 24/7 access to books, movies, magazines, music and more.

- We will continue to offer **Wireless Internet access** from the front rows of the parking lot. A password is not required.
- Need a library card or have a library service issue? Please call the library at **248-698-4942** or email us at reference@whitelakelibrary.org.
- Even though the building is closed our staff will be in to answer questions and help in any way with books, movies, magazines, or other media. We look forward to Phase 2 when limited in-building access will begin. Stay safe!

Watch for reopening details and updates on whitelakelibrary.org, future e-newsletters and social media.
