The meeting was called to order at 8:05 a.m. at the Wilton Public and Gregg Free Library. Attending were Library Director Pat Fickett and trustees Nikki Andrews, Ron Brown, Felice Fullam, Alison Meltzer, Molly Shanklin (left at 9:45), Lynne Stone, Mary Ellen Brookes, and alternate trustee Peter Howd (left at 9:45). Town administrator Nick Germain and Fire Chief Don Nourse were guests.

Mr. Germain stated that the Select Board has decided to use ARPA funds for payment on the exterior work needed to install a sprinkler system - the town's share of the work. These are dedicated funds and there is a reporting responsibility. He was asked what the Select Board expects on reporting.

Chief Nourse joined the discussion and said that we should interact with the Water Commission. Alison volunteered to attend a meeting.

We should also get bids for the work before we see the Select Board. At this time, we have one bid.

It is important that we summarize what we do as we go forward and that we have a compliance plan in place. The trustees stressed their preference for a Gregg Street water line noting that it would also benefit the residents. Alison volunteered to write a letter. Alison and Molly will meet to coordinate their thoughts and plans.

We will be applying for an LCHIP grant to help with the interior work.
