**Review of Policy Packet**

**Meeting Room Policy and Rules**

A discussion regarding the meeting room use policy regarding whether all meeting rooms should be open to the public was held. Usage of the library meeting rooms has become very busy. Staff is struggling with the capacity of the rooms.

The committee decided to leave the policy as it is for now. Alison and Joyce will review the meeting room reservation form. Naomi Butterfield, Library Counsel, will be asked for her input of the policy.

**Donation Policy**

A discussion about the type of donations was held concerning the types of donations the policy covers (books, DVDs, CD)s. A decision about the inclusion of memorial donations resulted in Sharon Marigliano making a motion to omit the last paragraph (3) of the policy which states: All other types of donations, such as memorial donations, gifts of objects, art, or monetary gifts are most welcomed and appreciated and will be discussed with the Library Director and/or the Library Board of Trustees. The motion was seconded by Sandy Whittier, and all voted in favor.

Sandy Whittier made a motion that the committee submit the recommended amendment to the Board of Trustees at their next regular board meeting on November 4. The motion was seconded by Sharon Marigliano. All voted in favor.

### **Solicitations, Distributions and Posting of Materials Policy**

Aiison will review the policy to see if there is an existing policy and get advice from Counsel (Naomi Butterfield).

### **Record Retention Policy**

Policy was reviewed. We would like to make sure that it has been audited correctly. The need to consult with Naomi was agreed to. Few changes were made. It was determined that this is a Draft Policy dated October 24, 2024.

### **Other New Business**

Nancy Bell asked about AI policy availability. She agreed to do some basic research online Alison stated that an AI program is scheduled to be held for library staff. It was suggested that Nancy check with the State Library to see if they have an AI Policy.
